Online

Access Your Benefits Resources™ (YBR™) through the TotalComp@Citi website at **www.totalcomponline.com**, available from the Citi intranet and the Internet. From the main page, click on "Want to get somewhere fast" and then select the "Health and Insurance" option that appears under Your Benefits Resources. You will then be linked to the Your Benefits Resources home page.

Keep in mind that if you are an active employee and visit the TotalComp@Citi website from outside the Citi network, you'll need to use Multi-Factor Authentication (MFA) to view your benefits information. You'll be prompted to enter a one-time password that you'll receive by text message, automated voice call or by using a Remote Access SafeWord/Mobile Pass card.

This process ensures that your personal data as an employee has the same level of security that applies to our banking customers. For more information on MFA, please visit the TotalComp@Citi website and click the MFA link on the login page.

If you are no longer employed by Citi, you will need to visit the TotalComp@Citi website and access the appropriate link. You will be asked to provide the last 4 digits of your social security number as well as your date of birth and zip code. As a first time user, you will be prompted to create a user ID and password before setting up several security questions. Once completed, the computer will be registered and further attempts to log in will just require the user id and password you have created.
