

LONG TERM DISABILITY INSURANCE

Citigroup Inc.

Certificate Date: January 1, 2018

Certificate Number 10

INTRODUCTION

We are pleased to present you with a Certificate of Insurance for group disability insurance. This Certificate states your benefits and summarizes some special services available to you at no additional cost. All of us appreciate the financial protection that group benefit plans provide in the event of illness or injury. Group disability insurance is an especially important benefit since it replaces a reasonable portion of your income lost due to a disability.

Your Employer recognizes the value of your services and the impact your absence can have on the organization. Therefore your benefit plan has been designed with a goal of rehabilitation and return to work in mind. The plan offers financial incentives for returning to work, while still receiving a benefit.

The benefits outlined in this Certificate are the foundation for comprehensive managed disability services. These special services focus on your *abilities*, versus a disability, and are available to you at no additional cost. They are tailored to meet your individual needs and are designed to help you to return to work as soon as possible. Managed disability services may also coordinate with other benefit programs in which you participate.

Your comprehensive disability program includes:

Financial Incentives for returning to work.

Rehabilitation Program that focuses on vocational rehabilitation, which means identifying the necessary training, therapy, job modifications and accommodations that can help you return to work.

Early Assistance Program offering rehabilitation assistance both *before and after* you file a claim for Long Term Disability Benefits.

Social Security Assistance Program to help make the Social Security Insurance application and approval process easier for you.

Easy Claim Application Process that may be started simply by calling an "800" claims hotline or sending us a claim form. Initial submission of the claim should be made no later than 12 weeks following your original date of disability or as soon as reasonably possible thereafter.

This Certificate is in an easy-to-read format and we urge you to read it carefully. We also recommend you keep it with your other important records for future reference. If you have any questions about the Certificate or the benefits it provides, please contact your Employer.

Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - o \$500,000 in death benefits
 - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
 - o \$500,000 in hospital, medical and surgical insurance benefits
 - o \$500,000 in long-term care insurance benefits
 - o \$500,000 in disability income insurance benefits
 - o \$500,000 in other types of health insurance benefits
- Annuities
 - o \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 3 IA, Chapter 28.

Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.utlifega.org or contact:

EMPLOYEE ELIGIBILITY

Active Employee

You are an Active Employee if you:

1. are an Eligible Employee working for the Employer doing all the material duties of your occupation at (i) your usual place of business; or (ii) some other location that your Employer's business requires you to be;
and
2. are not a temporary or seasonal employee.

You will be deemed an Active Employee if:

1. you meet the above conditions; and
2. you are absent from work solely due to vacation days, holidays, scheduled days off, or approved leaves of absence not due to Disability.

Effective Date of Coverage

If you are a member of **Class I**:

You will be covered on the later of the following dates:

1. your Eligibility Date as described in Plan Highlights; or
2. the date you meet the Active Employee requirements.

If you are a member of **Class II or III**:

You may participate in the benefit plan which your Employer has established. Under such plan, there are rules regarding the time frames during which you may make a request to be covered under this certificate with respect to benefits that are paid for by you. Your Employer can provide you with more information regarding the benefits plan.

1. If you were hired as a Class I employee, and due to an increase in your Predisability Earnings, you become a Class II or III, you will be automatically enrolled for coverage for the next calendar year as a Class II or III Employee. Provided that you do not decline coverage, your coverage will be effective on January 1 of the next calendar year.
2. If you were hired as a Class II or III employee, you will be automatically enrolled for coverage. Provided that you do not decline coverage, you will be covered on the later of the following dates:
 - a. your Eligibility Date as described in Plan Highlights; or
 - b. the date you meet the Active Employee requirements.

If you do not wish to be enrolled, you must make a written request to the Employer declining coverage within 90 days of the Effective Date of Coverage in the manner specified by the Employer.

If you previously declined coverage, and subsequently have a Qualifying Event, you may, within thirty-one days of that Qualifying Event, make a request to become covered for benefits that are paid for by you under this certificate. You will become covered on the first day of the month following the date of your request.

"Qualifying Event" means a change in your family status due to one or more of the following events:

1. marriage, including entering into a civil union partnership or a Domestic Partnership;
2. birth, adoption or placement for adoption of a dependent child;
3. divorce, legal separation or annulment;
4. death of a dependent.

If you previously declined coverage, and you make a subsequent request, unrelated to a Qualifying Event, to be covered under this certificate, Evidence of Good Health must be given to us.

"Evidence of Good Health" is a statement providing your medical history. We will use this statement to determine your insurability under this certificate. This statement must be provided to us at your expense.

If, during an annual enrollment period, subsequent to your initial eligibility period (new hire or after an increase in your Predisability Earnings that moves you to Class II or III), you make a request to become covered for benefits that are paid for by you under this certificate, Evidence of Good Health must be given to us. If we determine your insurability under this certificate, you will become covered on the later of the following:

- a. the first day of the calendar year following the annual enrollment period; or
- b. the date we state in writing.

Form G.24303-B-CTG-2

LONG TERM DISABILITY BENEFITS

A. Monthly Benefit

You will be paid a Monthly Benefit, in accord with Plan Highlights, if we determine that:

1. you are Disabled; and
2. you became Disabled while covered under This Plan.

Benefits will begin to accrue on the date following the day you complete your Elimination Period. Payment of the Monthly Benefit will start at the end of the month after completion of the Elimination Period. Subsequent payments will be made each month thereafter. Payment is based on the number of days you are Disabled during each one month period.

Contributions are not required for the time that Monthly Benefits are payable.

After we determine that you are Disabled, your Monthly Benefits will not be affected by:

1. termination of This Plan;
2. termination of your coverage; or
3. any plan change that is effective after the date you became Disabled.

When Benefits End

Monthly Benefits will end on the earliest of the following dates:

1. the end of the Maximum Benefit Duration;
2. the end of the period specified in the Limitation for Disabilities Due to Particular Conditions;
3. the date you are no longer Disabled;
4. the date you fail to provide us with any of the information listed in Plan Highlights under Benefits Checklist;
5. the day you die;
6. the date you fail to attend a medical examination requested by us as described in Medical Examination.

If you are a member of Class I, your Monthly Benefits will end on the date you cease or refuse to participate in a Rehabilitation Program approved by your Doctor as described in Work Incentive.

Elimination Period

Your Elimination Period begins on the day you become Disabled. It is a period of time during which no benefits are payable. Your Elimination Period is shown in Plan Highlights. You must be under the continuous care of a Doctor during your Elimination Period. You may temporarily recover from your Disability during your Elimination Period. If you then become Disabled again due to the same or related condition, you may not have to begin a new Elimination Period.

Temporary Recovery During Your Elimination Period

If you return to work for 30 days or less either full-time or part-time during your Elimination Period, those days will count towards your Elimination Period. The Elimination Period will be extended by the amount of time you have returned to active work. However, if you return to work for more than 30 days before satisfying your Elimination Period, you will have to begin a new Elimination Period.

Temporary Recovery means you cease to be Disabled. During a period of Temporary Recovery you will not qualify for any change in coverage caused by a change in any of the following:

1. the rate of earnings used to determine your Predisability Earnings; or
2. the terms, provisions, or conditions shown in your Certificate of Insurance.

Definition of Disability

If you are a member of Class I, "Disabled" or "Disability" means that, due to sickness, pregnancy or accidental injury, you are receiving Appropriate Care and Treatment from a Doctor on a continuing basis; and

1. During the Elimination Period you are Totally Disabled;

"Totally Disabled" or "Total Disability" means that, due to sickness, pregnancy or accidental injury, you are receiving Appropriate Care and Treatment from a Doctor on a continuing basis, and during your Elimination Period, you are unable to perform your Own Occupation for any employer in your Local Economy.

2. after your Elimination Period and during the next 24 month period, you are unable to earn more than 80% of your Predisability Earnings at your Own Occupation for any employer in your Local Economy;
or
3. after the 24 months period, you are unable to earn more than 60% of your Predisability Earnings from any employer in your Local Economy at any gainful occupation for which you are reasonable qualified taking into account your training, education, experience and Predisability Earnings.

If you are a member of Class II, "Disabled" or "Disability" means that, due to sickness, pregnancy or accidental injury, you are receiving Appropriate Care and Treatment from a Doctor on a continuing basis; and

1. During the Elimination Period you are Totally Disabled;
2. after your Elimination Period and during the next 60 month period, you are unable to earn more than 80% of your Predisability Earnings at your Own Occupation for any employer in your Local Economy;
or
3. after the 60 month period, you are unable to earn more than 60% of your Predisability Earnings from any employer in your Local Economy at any gainful occupation for which you are reasonable qualified taking into account your training, education, experience and Predisability Earnings.

If you are a member of Class III, "Disabled" or "Disability" means that, due to sickness, pregnancy or accidental injury, you are receiving Appropriate Care and Treatment from a Doctor on a continuing basis and

1. During the Elimination Period you are Totally Disabled;
2. after your Elimination Period, you are unable to earn more than 80% of your Predisability Earnings at your Own Occupation from any employer in your Local Economy.

Your loss of earnings must be a direct result of your sickness, pregnancy or accidental injury. Economic factors such as, but not limited to, recession, job obsolescence, pay cuts and job-sharing will not be considered in determining whether you meet the loss of earnings test.

For an employee whose occupation requires a license, "loss of license" for any reason does not, in itself, constitute Disability.

"Appropriate Care and Treatment" means medical care and treatment that meet all of the following:

1. it is received from a Doctor whose medical training and clinical experience are suitable for treating your Disability;
2. it is necessary to meet your basic health needs and is of demonstrable medical value;
3. it is consistent in type, frequency and duration of treatment with relevant guidelines of national medical, research and health care coverage organizations and governmental agencies;
4. it is consistent with the diagnosis of your condition; and
5. its purpose is maximizing your medical improvement.

"Doctor" means a person who: (i) is legally licensed to practice medicine; and (ii) is not related to you. A licensed medical practitioner will be considered a Doctor:

1. if applicable state law requires that such practitioners be recognized for the purposes of certification of disability; and
2. the care and treatment provided by the practitioner is within the scope of his or her license.

"Own Occupation" means the activity that you regularly perform and that serves as your source of income. It is not limited to the specific position you held with your Employer. It may be a similar activity that could be performed with your Employer or any other employer.

"Local Economy" means the geographic area surrounding your place of residence which offers reasonable employment opportunities. It is an area within which it would not be unreasonable for you to travel to secure employment. If you move from the place you resided on the date you became Disabled, we may look at both that former place of residence and your current place of residence to determine local economy.

Work Incentive

While you are Disabled and Monthly Benefits are being paid to you, you are encouraged to work or participate in a Rehabilitation Program.

If you are a member of Class I, your Monthly Benefit will end on the date you cease or refuse to participate in a Rehabilitation Program approved by your Doctor.

When you work while Disabled, you will receive the sum of the following amounts:

1. your Monthly Benefit; and
2. the amount of your earnings for working while Disabled.

During the 12 month period following your Elimination Period, your Monthly Benefit will be reduced if the total amount you receive from the above sources and Other Income Benefits exceeds 100% of your Predisability Earnings. Your Monthly Benefit will be reduced by that portion of the amount you receive which exceeds 100% of your Predisability Earnings.

After the 12 month period described above, your Monthly Benefit will be reduced by 50% of your earnings from working while Disabled. Your Monthly Benefit will be further reduced if the total amount you receive from the above sources and Other Income Benefits exceeds 80% of your Predisability Earnings. Your Monthly Benefit will be reduced by that portion of the amount you receive which exceeds 80% of your Predisability Earnings.

If your Monthly Benefit is reduced as a result of your receiving earnings from any work or service while Disabled, the Minimum Monthly Benefit will not apply.

"Rehabilitation Program" means:

1. a return to active employment by you on either a part-time or full-time basis in an attempt to enable you to resume gainful employment or service in an occupation for which you are reasonably qualified taking into account your training, education, experience and past earnings; or
2. participating in vocational training or physical therapy. This must be deemed by one of our rehabilitation coordinators to be appropriate.

Predisability Earnings

"Predisability Earnings" means your benefits eligible pay as determined by your Employer, as of the day prior to the date your Disability begins.

Benefits eligible pay is updated each January 1st, and is calculated on a yearly basis as of June 30th of the prior calendar year. Benefits eligible pay will include:

1. annual base salary as of June 30th of the prior year; and
2. commissions paid during the calendar year preceding the prior year; and
3. bonuses paid (excluding any annual discretionary incentive/retention award) during the calendar year preceding the prior year;
4. annual discretionary awards dated in the calendar year that precedes the prior year for the prior calendar year's performance;
5. guaranteed bonus effective in the prior calendar year; and
6. any short term disability benefit paid to commission-only employees in the calendar year that precedes the prior year, and as determined by the Employer for subsequent years.

If you are hired or re-hired on or after June 30th of the prior year, your Predisability Earnings is your annual base pay as of your date of hire or re-hire.

If you are a Financial Advisor, your Predisability Earnings is deemed to be \$60,000 in your first year of employment. If you earned more than \$60,000 at a previous employer in the prior year, and want your insurance coverage to represent your prior earnings, you must provide a copy of your previous year's Internal Revenue Service Form W-2 Wage and Tax Statement to your Employer within 30 days after your date of hire.

Predisability Earnings do not include:

1. overtime pay;
2. your Employer's contributions on your behalf to any deferred compensation arrangement or pension plan; or
3. any other compensation.

B. Reduction of Benefits - Other Income Benefits

Your Monthly Benefit is reduced by Other Income Benefits shown below. The Monthly Benefit payable to you:

1. will not be less than the amount shown in Plan Highlights under Minimum Monthly Benefit (except in the case of an Overpayment or while receiving work earnings);
2. will not be further reduced due to cost-of-living increases payable under Other Income Benefits after the correct reduction has been determined;
3. will not be reduced by any reasonable attorney fees included in any award or settlement; and
4. will not be reduced by any sources other than those shown below.

If you receive Other Income Benefits in a lump sum instead of in monthly payments, you must provide to us satisfactory proof of the breakdown of: (i) the amount attributable to lost income; and (ii) the time period for which the lump sum is applicable. If you do not provide this information to us, we may reduce your Monthly Benefit by an amount equal to the Monthly Benefit otherwise payable. We will reduce the Monthly Benefit

each month until the lump sum has been exhausted. However, if we are given proof of the time period and amount attributable to lost income, we will make a retroactive adjustment.

List of Sources of Other Income Benefits

- 1. Federal Social Security Act, Railroad Retirement Act, Canada Pension Plan, or any provincial pension or disability plan, or the Canada Old Age Security Act**
 - a. benefits that you receive because of your disability or retirement will be counted; and
 - b. benefits available with respect to your spouse and dependents (regardless of marital status or their place of residence) because of your disability or retirement will be counted. If you are divorced or legally separated, benefits paid directly to your dependents and not taken into constructive receipt by you will not be counted.

Estimating Social Security Benefits

We reserve the right to reduce your Monthly Benefit by estimating the Social Security disability benefits you may be eligible to receive.

Your Monthly Benefit will not be reduced by estimated Social Security disability benefits during the first 24 months of Monthly Benefit payments if, prior to the end of the 6 month period following the date you became disabled:

1. you provide proof that you have applied for Social Security disability benefits;
2. you have signed the Reimbursement Agreement which confirms that you will repay all Overpayments; and
3. you have signed the form authorizing the Social Security Administration to release information on awards directly to us.

If you have not received approval or final denial of your claim from the Social Security Administration by the end of this 24 month period, we will begin reducing your Monthly Benefit by an estimate of Social Security disability benefits. For purposes of this section, final denial of your claim means that you have received a "Notice of Denial of Benefits" from an Administrative Law Judge.

In any case, when you do receive approval or final denial of your claim from the Social Security Administration:

1. your Monthly Benefit will be adjusted; and
2. you must promptly refund to us an amount equal to all Overpayments. If you do not promptly make such a refund to us, we may, at our option, reduce or offset against any future benefits payable to you, including the Minimum Benefit.

2. Group Insurance Policies

Group insurance policies will be counted if the Employer contributes towards them or makes payroll deduction for any of the following:

- a. other group health insurance policies will be counted to the extent that they provide benefits for loss of time from work due to disability; and

3. Work Earnings will not be used to reduce your Monthly Benefit except as described in Work Incentive.

- a. is payable under a retirement plan due to a disability as defined in that plan; and
- b. does not reduce the amount of money which would have been paid as retirement benefits at the normal retirement age under the plan if the disability had not occurred. (If the payment does cause such a reduction it will be deemed a retirement benefit as defined below.)

(You must have voluntarily elected to receive payment prior to your normal retirement age and such payment does reduce the amount of money which would have been paid at the normal retirement age under the plan if the disability had not occurred); and

NOTE: You will be considered to have voluntarily elected to receive payments if you file an application for benefits with the Retirement Plan and request the start of payments prior to your normal retirement age.

- c. does not represent contributions made by you. Payments which represent your contributions are deemed to be received over your expected remaining life regardless of when such payments are actually received.

D. Temporary Recovery

Once benefits become payable under This Plan, you may Temporarily Recover from your Disability. If you become Disabled again due to the same or related condition, you may not have to begin a new Elimination Period.

Once you have satisfied your Elimination Period, a period of Temporary Recovery is your return to work for less than 6 months for each period of Temporary Recovery.

During the Temporary Recovery you will not qualify for any change in coverage caused by a change in any of the following:

1. the rate of earnings used to determine your Predisability Earnings; or
2. the terms, provisions, or conditions shown in your Certificate of Insurance.

If your recovery lasts longer than the Temporary Recovery period allowed, when you become Disabled again you will have to begin a new Elimination Period.

E. Concurrent Disability

If a new Disability occurs while Monthly Benefits are payable, it will be treated as part of the same period of Disability. Monthly Benefits will continue while you remain Disabled. They will be subject to both of the following:

1. the Maximum Benefit Duration; and
2. Limitations and Exclusions that apply to the new cause of Disability.

F. Limitations

Limitation for Pre-existing Conditions

You may be Disabled due to a Pre-existing Condition. No benefits are payable under This Plan in connection with that Disability unless your Elimination Period starts after you have been an Active Employee under This Plan for 12 consecutive months.

A Pre-existing Condition is an injury, sickness, or pregnancy for which you in the 3 months before the Effective Date of your coverage:

1. received medical treatment, consultation, care, or services;
2. took prescription medications or had medications prescribed; or
3. had symptoms or conditions which would cause a reasonably prudent person to seek diagnosis, care, or treatment.

If you cannot satisfy the above limitation and you were covered under the plan that This Plan replaced at the time of transfer, benefits may be payable under This Plan. We will give consideration towards the continuous time you were covered under the prior plan and This Plan. If you then satisfy the above limitation, the maximum Monthly Benefit payable under This Plan will not exceed the lesser of: (i) the Maximum Benefit under This Plan; and (ii) the maximum benefit under the prior plan.

Limitation For Disabilities Due to Particular Conditions

Limitation for Disability due to Mental or Nervous Disorders or Diseases

Monthly Benefits are limited to 24 months during your lifetime if you are Disabled due to a Mental or Nervous Disorder or Disease, unless the Disability results from:

1. schizophrenia;
2. bipolar disorder;
3. dementia; or
4. organic brain disease.

"Mental or Nervous Disorder or Disease" means a medical condition of sufficient severity to meet the diagnostic criteria established in the current Diagnostic And Statistical Manual Of Mental Disorders. You must be receiving Appropriate Care and Treatment for your condition by a mental health Doctor.

In no event will Monthly Benefits be payable longer than the Maximum Benefit Duration shown in the Plan Highlights.

If you are confined in a Hospital or Institution for treatment at the end of the 24 month period, your Benefits will continue until the date you are discharged.

Limitation For Alcohol, Drug or Substance Abuse or Dependency

If you are Disabled due to alcohol, drug or substance abuse or dependency, Monthly Benefits are limited to one period of Disability during your lifetime. You must be participating in an available rehabilitative program recommended by a Doctor. An available rehabilitative program is a program available to you through either: (i) another group plan of your Employer (such as an Employee Assistance Program or Medical Plan); or (ii) services generally available to the public through local community services at no or minimal cost to you. In no event will Monthly Benefit payments be made beyond the earlier of:

1. the first 24 months of Disability, including the Elimination Period;
2. the date you are no longer participating in the rehabilitative program;
3. the date you refuse to participate in an available rehabilitative program; or
4. the date you complete the rehabilitative program.

If you are confined in a Hospital or Institution for treatment at the end of the 24 month period, your Benefits will continue until the date you are discharged.

G. Exclusions

This Plan does not cover any Disability which results from or is caused by or contributed to:

1. active participation in a riot;
2. intentionally self-inflicted injuries or attempted suicide; or
3. committing a felony; or
4. war, whether declared or undeclared, or act of war, insurrection or rebellion, unless such Disability was caused or contributed to by your active duty service in any branch of the military of the United States including active duty service in the National Guard of the United States or active duty service in any reserve component of the military of the United States.

“Participation” means all forms of taking part in, except actions taken in defense of:

1. public or private property;
2. yourself; or

as amended by GCSCR04-1/ctg, GCR02-dp and GCSCR16-03

TERMINATION OF COVERAGE

This provision applies to you if you are not Disabled.

You will cease to be covered on the earliest of the following dates:

1. the date This Plan terminates;
2. the date you cease to be an Eligible Employee;
3. the date you stop making any required contributions;
4. the date you go on strike or are locked out; or
5. the date you are laid-off.

Approved Leave of Absence

Your Employer may continue your coverage for an approved leave of absence by paying the required premium payments. Coverage may continue until the earliest of:

1. the date the Employer stops paying the required premium;
2. the date the leave ends; or
3. the last day of the month in which your leave of absence begins.

In the event the leave qualifies under the Family and Medical Leave Act of 1993 (FMLA), the period may be extended for a period agreed to by you and your Employer. It may not exceed 12 weeks following the date the leave begins. Your Employer must continue to pay the required premium.

In Connecticut, the FMLA period can be up to 16 weeks in any 12-month period following the date the leave of absence begins.

Reinstatement of Coverage

If your coverage ends, you may become covered again as an Eligible Employee. Coverage is subject to the following:

1. If your coverage ends because you cease to be an Eligible Employee, and if you become an Eligible Employee again within 90 days of the date your coverage ended, your coverage will be automatically reinstated through automatic enrollment unless, if applicable to you, you decline automatic enrollment.

However, if the reason you ceased to be an Eligible Employee is due the fact that you were Disabled for more than 52 weeks, including the Elimination Period, and upon the end of such period of Disability you are then rehired and become an Eligible Employee once again, your coverage will be reinstated through auto enrollment unless, if applicable to you, you decline automatic enrollment.

2. If your coverage ends because you cease making the required contribution while on an approved Family Medical Leave Act (FMLA) leave of absence, you will become an Eligible Employee again within 31 days of the earlier of:
 - a. the end of the period of leave you and your Employer agreed upon; or
 - b. the end of the 12 week period following the date your leave began; in that case, you will not have to provide Evidence of Good Health.
3. In all other cases, if your coverage ends because you fail to make the required contribution, you must provide Evidence of Good Health to become covered again.
4. If you become covered again as described in 1. and 2. above, the Pre-existing Condition Limitation will be applied as if there had been no gap in coverage.

2. you cease to be an Eligible Employee but required payments are made to us.

Benefits are payable if your Disability began while coverage was in force and continues without interruption after termination.

Extension of benefits beyond the period coverage was in force is limited to the Maximum Benefit Duration. Extension of benefits is subject to all of the following:

1. your Elimination Period; and

2. payment of any required contributions; and
3. all other applicable provisions of This Plan.

Form G.24303-C

CLAIMS

Notice of Disability

Notify us of your Disability as soon as you are able.

To notify us you may call us directly. You may obtain this phone number from your Employer. You will be instructed on how to give proof of Disability. You will be required to answer all questions concerning your Disability.

If you do not receive statements or instructions within 15 days after you have notified us, you may submit your statement in a letter.

Proof of Disability

Provide proof of Disability within 3 months after the end of your Elimination Period.

No benefits are payable for claims submitted more than one year after the date of Disability. However, you can request that benefits be paid for late claims if you can show that:

1. it was not reasonably possible to give written proof of Disability during the one year period; and
2. proof of Disability satisfactory to us was given to us as soon as was reasonably possible.

Documentation

At your expense, you must provide documented proof of your Disability. Proof includes, but is not limited to:

1. the date your Disability started;
2. the cause of your Disability; and
3. the prognosis of your Disability.

You will be required to provide signed authorization for us to obtain and release medical and financial information, and any other items we may reasonably require in support of your Disability.

These will include but are not limited to:

1. proof of continuing Disability;
2. proof you have applied, or are not eligible, for Other Income Benefits. If you do not provide proof you have applied for Other Income Benefits, we may reduce your Monthly Benefit. The reduction will be based on our estimate of what you would be eligible to receive through proper and timely pursuit;

3. proof that you applied for Social Security disability benefits until denied at the Administrative Law Judge level; and
4. proof you have applied for Workers' Compensation benefits or benefits under a similar law. If you do not provide proof that you have applied for these benefits, we may reduce your Monthly Benefit. The reduction will be based on our estimate of what you would be eligible to receive through proper and timely pursuit.

If you do not provide satisfactory documentation within 60 days after the date we ask for it, your claim may be denied.

Method of Payment

When we determine you are Disabled:

1. Monthly Benefits are paid one month after you qualify for them. Such benefits will be paid on a monthly basis thereafter.
2. Benefits will be paid to you. However, benefits unpaid at your death will be paid to:
 - a. your spouse, Domestic Partner or civil union partner, if living; otherwise
 - b. your children, if living, divided equally;
 - c. your estate. If benefits are payable to your estate, we may pay up to \$1,500 to someone related to you by blood, by marriage, or by recognized partnership whom we deem entitled to this amount. We will be discharged to the extent of any payment made in good faith.
3. Monthly Benefits due for a period of less than a month will be paid as a fraction of the Monthly Benefit payable, calculated as: 1 divided by the number of days in the month.

Right To Recover Overpayments

We have the right to recover from you any amount that we determine to be an Overpayment. You have the obligation to refund to us any such amount. Our rights and your obligations in this regard are also set forth in the reimbursement agreement you are required to sign when you become eligible for benefits under This Plan. This agreement: (i) confirms that you will repay all Overpayments; and (ii) authorizes us to obtain any information relating to Other Income Benefits.

An Overpayment occurs when we determine that the total amount paid by us on your claim is more than the total of the benefits due under This Plan. This includes any Overpayments resulting from:

1. retroactive awards received from sources shown in the List of Other Income Benefits;
2. fraud; or
3. any error we make in processing your claim.

The Overpayment equals the amount we paid in excess of the amount we should have paid under This Plan. In the case of a recovery from a source other than This Plan, our Overpayment recovery will not be more than the amount of the recovery.

You have the right to appeal any Overpayment recovery.

An Overpayment also occurs when payment is made by us that should have been made under another group plan. In that case, we may recover the payment from one or more of the following:

1. any other insurance company;
2. any other organization; or
3. any person to or for whom payment was made.

We may, at our option, recover the Overpayment by:

1. reducing or offsetting against any future benefits payable to you or your survivors;
2. stopping future benefit payments (including Minimum Benefits) which would otherwise be due under This Plan. Payments may continue when the Overpayment has been recovered; or
3. demanding an immediate refund of the Overpayment from you.

Legal Actions

No legal action of any kind may be filed against us:

1. within the 60 days after proof of Disability has been given; or
2. more than three years after proof of Disability must be filed. This will not apply if the law in the area where you live allows a longer period of time to file proof of Disability.

Medical Examinations

We will have the right to have you examined at reasonable intervals by medical specialists of our choice. The examination will be at our expense. Failure to attend a medical examination or cooperate with the medical examiner may be cause for denial or suspension of your benefits.

Incontestability of Coverage

This Plan cannot be declared invalid after it has been in force for 2 years. It can be declared invalid due to non-payment of premium.

No statement of health used by any person to get coverage can be used to declare coverage invalid if the person has been covered under This Plan for 2 years. In order to use a statement of health to deny coverage before the end of 2 years, it must have been signed by the person. A copy of the signed statement must be given to the person or the person's beneficiary.

Assignment

You may not assign your benefits. This means that you may not give or transfer your benefits to anyone else.

Workers' Compensation

This Plan is not in lieu of, and does not affect, any requirement for coverage by Workers' Compensation Insurance or any government mandated temporary disability income benefits law.

THIS IS THE END OF THE CERTIFICATE. THE FOLLOWING IS ADDITIONAL INFORMATION.

SPECIAL SERVICES

SOCIAL SECURITY ASSISTANCE PROGRAM

If you become Disabled MetLife provides you with assistance in applying for Social Security disability benefits. Before outlining the details of this assistance, you should understand why applying for Social Security disability benefits is important.

Why You Should Apply For Social Security Disability Benefits

Both you and your Employer contribute payroll taxes to Social Security. A portion of those tax dollars are used to finance Social Security's program of disability protection. Since your tax dollars help fund this program, it is in your best interest to apply for any benefits to which you may be entitled. Your spouse and children may also be eligible to receive Social Security disability benefits due to your Disability.

There are several reasons why it may be to your financial advantage to receive Social Security disability benefits. Some of them are:

1. Avoids reduced retirement benefits

Should you become disabled and approved for Social Security disability benefits, Social Security will freeze your earnings record as of the date Social Security determines that your disability has begun. This means that the months/years that you are unable to work because of your disability will not be counted against you in figuring your average earnings for retirement and survivors benefit.

2. Medicare Protection

Once you have received 24 months of Social Security disability benefits, you will have Medicare protection for hospital expenses. You will also be eligible to apply for the medical insurance portion of Medicare.

3. Trial Work Period

Social Security provides a trial work period for the rehabilitation efforts of disabled workers who return to work while still disabled. Full benefit checks can continue for up to 9 months during the trial work period.

4. Cost of Living Increases Awarded by Social Security Will Not Reduce Your Disability Benefits

MetLife will not decrease your Disability benefit by the periodic cost of living increases awarded by Social Security. This is also true for any cost of living increases awarded by Social Security to your spouse and children.

This is called a Social Security "freeze." It means that only the Social Security benefit awarded to you and your dependents will be used by MetLife to reduce your Disability benefit; with the following exceptions:

- a. an error by Social Security in computing the initial amount;
- b. a change in dependent status; or
- c. your Employer submitting updated earnings records to Social Security for earnings received prior to your Disability.

Over a period of years, the net effect of these cost of living increases can be substantial.

How MetLife Assists You in the Social Security Approval Process

As soon as you are approved for Disability benefits, MetLife begins assisting you with the Social Security approval process.

1. Contact Prior to Application For Social Security Disability Benefits

Before you even apply for Social Security disability benefits, we will help you determine the best time to apply for Social Security disability benefits. A MetLife Case Management Specialist begins assisting you with the application process at that time. The Specialist personally contacts you by phone to explain, in detail, how to apply for Social Security disability benefits and the advantages of doing this. We provide you with a list of items needed by Social Security in order to complete your claim.

2. Assistance Throughout the Application Process

MetLife has a dedicated team of Social Security Specialists. These Specialists, many of whom have worked for the Social Security Administration, are also located within our Claim Department. They provide expert assistance upfront and help guide you through the application process.

3. Guidance Through Appeal Process by Social Security Specialists

Social Security disability benefits may be initially denied, but are often approved following an appeal. If your benefits are denied, our dedicated team of Social Security Specialists provide expert assistance on an appeal if your situation warrants continuing the appeal process. They guide you through each stage of the appeal process. These stages may include:

- a. Reconsideration by the Social Security Administration
- b. Hearing before an Administrative Law Judge
- c. Review by an Appeals Council established within the Social Security Administration in Washington, D.C.
- d. A civil suit in Federal Court

4. Social Security Attorneys and Vendors

Depending on your individual needs, MetLife may provide a referral to an attorney or vendor who specializes in Social Security law. The cost for these attorneys is deducted from the amount you must repay to us if the retroactive Social Security disability benefits you later receive result in MetLife having paid more Disability benefits than we should have paid.

EARLY INTERVENTION PROGRAM

The MetLife Early Intervention Program is offered to all covered Employees, and your participation is voluntary. The program helps identify early those Employees who might benefit from vocational analyses and rehabilitation services before they are eligible for Long Term Disability Benefits. Early rehabilitation efforts are more likely to reduce the length of your disability and help you return to work sooner than expected.

If you cannot work, or can only work part-time due to a disability, your Employer will notify MetLife. Our Rehabilitation Coordinators may be able to assist you by:

1. Reviewing and evaluating your disabling condition, even before a claim for Long Term Disability Benefits is submitted (with your consent);
2. Designing individualized return to work plans that focus on your *abilities*, with the goal of return to work;
3. Identifying local community resources;
4. Coordinating services with other benefit providers, including: medical carrier, short term disability carrier*, workers' compensation carrier, and state disability plans;
5. Monitoring return to work plans in progress and modifying them as recommended by the attending physician (with your consent).

Our assistance is offered at no cost to either you or your Employer.

- * If you also have MetLife Short Term Disability coverage or Salary Continuance Plan Management, these services are provided automatically. Notification by your Employer is not necessary.

RETURN TO WORK PROGRAM

Goal of Rehabilitation

The goal of MetLife is to focus on Employees' **abilities**, instead of disabilities. This "abilities" philosophy is the foundation of our Return to Work Program. By focusing on what Employees **can do** versus what they can't, we can assist you in returning to work sooner than expected.

Incentives For Returning To Work

Your disability plan is designed to provide clear advantages and financial incentives for returning to work either full-time or part-time, while still receiving a Disability benefit. In addition to financial incentives, there may be personal benefits resulting from returning to work. Many Employees experience higher self-esteem and the personal satisfaction of being self-sufficient and productive once again. If it is determined that you are capable but you do not participate in the Return to Work Program, your Disability benefits may cease.

Vocational Rehabilitation Services

As a covered Employee you are automatically eligible to participate in our Return to Work Program. The Program focus is vocational rehabilitation, which means identifying the necessary training and therapy that can help you return to work. In many cases, this means helping you return to your former occupation, although rehabilitation can also lead to a new occupation which is better suited to your condition and makes the most of your abilities.

There is no additional cost to you for the services we provide, and they are tailored to meet your individual needs. These services include, but are not limited to, the following:

1. Vocational Analyses

Assessment and counseling to help determine how your skills and abilities can be applied to a new or a modified job with your Employer.

2. Labor Market Surveys

Studies to find jobs available in your locale that would utilize your abilities and skills.

3. Retraining Programs

Programs to facilitate return to your previous job, or to train you for a new job.

4. On-Site Job Analyses

Analyses to determine what modifications may be made to maximize your employment opportunities.

5. Job Modifications/Accommodations

Changes in your job or accommodations to help you perform the previous job or a similar vocation, as required of your Employer under the Americans With Disabilities Act (ADA).

6. Training in Job Seeking Skills

Special training to identify abilities, set goals, develop resumes, polish interviewing techniques, and provide other career search assistance.

Rehabilitation Staff

The Case Management Specialist handling your claim will begin the rehabilitation process. You may be referred to our professional Rehabilitation staff that includes Registered Nurses and vocational rehabilitation coordinators. Registered Nurses might address how your medical condition impacts your ability to return to work. Vocational rehabilitation coordinators will focus on identifying how your abilities can be best applied to either your previous job or a new job.

These rehabilitation specialists will contact you personally. They will coordinate their activities with your medical carrier and/or attending physician for a broad understanding of your diagnosis, prognosis, and expected return to work date.

Rehabilitation Vendor Specialists

In many situations, the services of independent vocational rehabilitation specialists may be utilized. Services are obtained at no additional cost to you; MetLife pays for all vendor services. Selecting a rehabilitation vendor is based on:

1. Attending physician's evaluation and recommendations;
2. Your individual vocational needs; and
3. Vendor's credentials, specialty, reputation, and experience.

When working with vendors, you and your Doctor still maintain control and direction of the case.
