Services: Health care services or items.

Skilled Nursing Facility: A facility that provides inpatient skilled nursing care, rehabilitation services, or other related health services and is licensed by the state of California. The facility's primary business must be the provision of 24-hour-a-day licensed skilled nursing care. The term "Skilled Nursing Facility" does not include convalescent nursing homes, rest facilities, or facilities for the aged, if those facilities furnish primarily custodial care, including training in routines of daily living. A "Skilled Nursing Facility" may also be a unit or section within another facility (for example, a hospital) as long as it continues to meet this definition.

Spouse: Your legal husband or wife. For the purposes of this *Evidence of Coverage*, the term "Spouse" includes your registered domestic partner who meets all of the requirements of Section 297 of the California Family Code, or your domestic partner in accord with your Group's requirements, if any.

Subscriber: A Member who is eligible for membership on his or her own behalf and not by virtue of Dependent status and who meets the eligibility requirements as a Subscriber (for Subscriber eligibility requirements, see "Who Is Eligible" in the "Premiums, Eligibility, and Enrollment" section).

Urgent Care: Medically Necessary Services for a condition that requires prompt medical attention but is not an Emergency Medical Condition.

Premiums, Eligibility, and Enrollment

Premiums

Your Group is responsible for paying Premiums, except that you are responsible for paying Premiums as described in the "Continuation of Membership" section if you have Cal-COBRA coverage under this *Evidence of Coverage*. If you are responsible for any contribution to the Premiums that your Group pays, your Group will tell you the amount and how to pay your Group (through payroll deduction, for example).

Who Is Eligible

To enroll and to continue enrollment, you must meet all of the eligibility requirements described in this "Who Is Eligible" section.

Group eligibility requirements

You must meet your Group's eligibility requirements that we have approved. Your Group is required to inform Subscribers of its eligibility requirements, such as the minimum number of hours that employees must work. Please note that your Group might *not* allow enrollment to some persons who meet the requirements described under "Service Area eligibility requirements" and "Additional eligibility requirements" below.

Service Area eligibility requirements

The "Definitions" section describes our Service Area and how it may change.

Subscribers must live or work inside our Service Area at the time they enroll. If after enrollment the Subscriber no longer lives or works inside our Service Area, the Subscriber can continue membership unless he or she lives inside or moves to the service area of another Region and does not work inside our Service Area.

Dependent children of the Subscriber or of the Subscriber's Spouse may live anywhere inside or outside our Service Area. Other Dependents may live anywhere, except that they are not eligible to enroll or to continue enrollment if they live in or move to the service area of another Region.

If you are not eligible to continue enrollment because you live in or move to the service area of another Region, please contact your Group to learn about your Group health care options:

- **Regions outside California.** You may be able to enroll in the service area of another Region if there is an agreement between your Group and that Region, but the plan, including coverage, premiums, and eligibility requirements, might not be the same. For the purposes of this eligibility rule, the Regions outside California may change on January 1 of each year and are currently the District of Columbia and parts of Colorado, Georgia, Hawaii, Idaho, Maryland, Ohio, Oregon, Virginia, and Washington
- **Southern California Region's service area.** Your Group may have an arrangement with us that permits membership in the Southern California Region, but the plan, including coverage, premiums, and eligibility requirements, might not be the same as under this *Evidence of Coverage*. All terms and conditions in your application for enrollment in the Northern California Region, including the Arbitration Agreement, will continue to apply if the Subscriber does not submit a new enrollment form
- Other unmarried dependent persons (but not including foster children) who meet all of the following requirements:
 - ♦ they are under age 19, or under age 25 if a student as defined by your Group
 - ♦ they receive all of their support and maintenance from you or your Spouse
 - ♦ they permanently reside with the Subscriber
 - ♦ you or your Spouse is the court-appointed guardian (or was when the person reached age 18) or the person's parent is an enrolled Dependent under your family coverage
- Dependents who meet the Dependent eligibility requirements, except for the age limit, may be eligible as a disabled dependent if they meet all the following requirements:
 - ♦ they are incapable of self-sustaining employment because of a physically- or mentally-disabling injury, illness, or condition that occurred prior to reaching the age limit for Dependents
 - ♦ they receive 50 percent or more of their support and maintenance from you or your Spouse
 - ♦ you give us proof of their incapacity and dependency within 60 days after we request it (see "Disabled dependent certification" below in this "Additional eligibility requirements" section)

For more information about the service areas of the other Regions, please call our Member Service Call Center.

Additional eligibility requirements

You may be eligible to enroll and continue enrollment as a Subscriber if you are:

- An employee of your Group
- A proprietor or partner of your Group
- Otherwise entitled to coverage under a trust agreement, retirement benefit program, or employment contract (unless the Internal Revenue Service considers you self-employed)

If you are a Subscriber and if your Group allows enrollment of Dependents, the following persons may be eligible to enroll as your Dependents (Dependent children are eligible through the end of the year in which they reach the age limit for Dependents):

- Your Spouse. For the purposes of this *Evidence of Coverage*, the term "Spouse" includes your registered domestic partner who meets all the requirements of Section 297 of the California Family Code, or your domestic partner in accord with your Group's requirements, if any
- Your or your Spouse's unmarried children (including adopted children or children placed with you for adoption) who are under age 19, or under age 25 if a student as defined by your Group

Disabled dependent certification. A dependent who meets the Dependent eligibility requirements except for the age limit may be eligible as a disabled dependent as described above under "Additional eligibility requirements" in this "Premiums, Eligibility, and Enrollment" section. You must provide us documentation of your dependent's incapacity and dependency as follows:

- If your Dependent is a Member, we will send you a notice of his or her membership termination due to loss of eligibility at least 90 days before the date coverage will end due to reaching the age limit. Your Dependent's membership will terminate as described in our notice unless you provide us documentation of his or her incapacity and dependency within 60 days of receipt of our notice and we determine that he or she is eligible as a disabled dependent. If you provide us this documentation in the specified time period and we do not make a determination about eligibility before the termination date, coverage will continue until we make a determination. If we determine that your Dependent does not meet the eligibility requirements as a disabled dependent, we will notify you that he or she is not eligible and let you know the membership termination date. If we determine that your Dependent is eligible as a disabled dependent,

there will be no lapse in coverage. Also, two years after the date that your Dependent reached the age limit, you must provide us documentation of his or her incapacity and dependency annually within 60 days after we request it so that we can determine if he or she continues to be eligible as a disabled dependent

- If your dependent is not a Member and you are requesting enrollment, you must provide us documentation of his or her incapacity and dependency within 60 days after we request it so that we can determine if he or she is eligible to enroll as a disabled dependent. If we determine that your dependent is eligible as a disabled dependent, you must provide us documentation of his or her incapacity and dependency annually within 60 days after we request it so that we can determine if he or she continues to be eligible as a disabled dependent

Student eligibility. In order for a Dependent age 19 and over to be eligible for membership as a student, as described above under "Additional eligibility requirements" in this "Who Is Eligible" section, one of the following must occur:

- If your Group has an agreement with us for the Group to certify student eligibility, then the Subscriber must follow the Group's procedures for certifying student eligibility and the Group must then certify the student's eligibility (your Group can tell you whether it has an agreement with us to certify student eligibility and, if it does, what its procedures are)
- If your Group does not have an agreement with us to certify student eligibility, then the Subscriber must complete and send us our student certification form affirming that the Dependent is a student as defined by your Group. You can get a copy of the form by visiting our Web site at kp.org or by calling our Member Service Call Center

Breaks in the school calendar will not disqualify a Dependent from being classified as a student for eligibility purposes. Students taking a medically necessary leave of absence are classified as students for eligibility purposes for up to 12 months, though they will remain eligible for membership only if they continue to meet all other eligibility requirements. Dependent Members age 19 and over who are eligible for membership because they are students and who take a medically necessary leave of absence will remain covered until the earliest of the following dates:

- The date the leave ends
- The date that is 12 months after the leave began

- The date that coverage ends for a reason other than the Member's student status (for example, if the student reaches age 25)

Students who return to school after their leave ends may be eligible for membership if they meet all eligibility requirements. Documentation of the medical necessity for the leave must be submitted at least 30 days before the leave begins, if the absence and the medical reason for the absence are foreseeable. If the absence and the medical reason for the absence are not foreseeable, then documentation of the medical necessity for the leave must be submitted within 30 days after the leave begins.

Persons barred from enrolling

You cannot enroll if you have had your entitlement to receive Services through Health Plan terminated for cause.

Members with Medicare and retirees

This plan is not intended for most Medicare beneficiaries and some Groups do not offer coverage to retirees. If, during the term of this *Evidence of Coverage*, you are or become eligible for Medicare (please see "Medicare" in the "Definitions" section for the meaning of "eligible for" Medicare) or you retire, please ask your Group about your membership options as follows:

- If a Subscriber who is entitled to Medicare Part B retires and the Subscriber's Group has a Kaiser Permanente Senior Advantage plan for retirees, the Subscriber should enroll in the plan if eligible
- If the Subscriber retires and your Group does not offer coverage to retirees, you may be eligible to continue membership as described in the "Continuation of Membership" section
- If federal law requires that your Group's health care coverage be primary and Medicare coverage be secondary, your coverage under this *Evidence of Coverage* will be the same as it would be if you had not become eligible for Medicare. However, you may also be eligible to enroll in Kaiser Permanente Senior Advantage through your Group if you are entitled to Medicare Part B
- If you are or become eligible for Medicare and are in a class of beneficiaries for which your Group's health care coverage is secondary to Medicare, you should consider enrollment in Kaiser Permanente Senior Advantage through your Group if you are eligible
- If none of the above applies to you and you are eligible for Medicare or you retire, please ask your Group about your membership options

When Medicare is primary. Your Group's Premiums may increase if you are or become eligible for Medicare Part A or B as primary coverage, and you are not enrolled through your Group in Kaiser Permanente Senior Advantage for any reason (even if you are not eligible to enroll or the plan is not available to you).

If your Group fails to pay the entire Premiums required for your Family, your membership will be terminated in accord with "Partial payment of Premiums for a Family" under "Termination for Nonpayment" in the "Termination of Membership" section.

When Medicare is secondary. Medicare is the primary coverage except when federal law requires that your Group's health care coverage be primary and Medicare coverage be secondary. Members who are entitled to Medicare when Medicare is secondary by law are subject to the same Premiums and receive the same benefits as Members who are under age 65 and not entitled to Medicare. In addition, any such Member for whom Medicare is secondary by law and who meets the eligibility requirements for the Kaiser Permanente Senior Advantage plan applicable when Medicare is secondary may also enroll in that plan if it is available. These Members receive the benefits and coverage described in this *Evidence of Coverage* and the Kaiser Permanente Senior Advantage evidence of coverage applicable when Medicare is secondary.

Medicare late enrollment penalties. If you become eligible for Medicare Part B and do not enroll, Medicare may require you to pay a late enrollment penalty if you later enroll in Medicare Part B. However, if you delay enrollment in Part B because you or your husband or wife are still working and have coverage through an employer group health plan, you may not have to pay the penalty. Also, if you are or become eligible for Medicare and go without creditable prescription drug coverage (drug coverage that is at least as good as the standard Medicare Part D prescription drug coverage) for a continuous period of 63 days or more, you may have to pay a late enrollment penalty if you later sign up for Medicare prescription drug coverage. If you are or become eligible for Medicare, your Group is responsible for informing you about whether your drug coverage under this *Evidence of Coverage* is creditable prescription drug coverage at the times required by the Centers for Medicare & Medicaid Services and upon your request.

Capacity limit. You may be ineligible to enroll in Kaiser Permanente Senior Advantage if that plan has reached a capacity limit that the Centers for Medicare & Medicaid Services has approved. This limitation does not apply if you are currently a Health Plan Member in the Northern

California or Southern California Region who is eligible for Medicare (for example, when you turn age 65).

When You Can Enroll and When Coverage Begins

Your Group is required to inform you when you are eligible to enroll and what your effective date of coverage is. If you are eligible to enroll as described under "Who Is Eligible" in this "Premiums, Eligibility, and Enrollment" section, enrollment is permitted as described below and membership begins at the beginning (12:00 a.m.) of the effective date of coverage indicated below, except that your Group may have additional requirements that we have approved, which allow enrollment in other situations.

New employees

When your Group informs you that you are eligible to enroll as a Subscriber, you may enroll yourself and any eligible Dependents by submitting a Health Plan–approved enrollment application to your Group within 31 days.

Effective date of coverage. The effective date of coverage for new employees and their eligible family Dependents is the date of hire.

Adding new Dependents to an existing account

To enroll a Dependent who first becomes eligible to enroll after you became a Subscriber (such as a new Spouse, a newborn child, or a newly adopted child), you must submit a Health Plan–approved change of enrollment form to your Group within 31 days after the Dependent first becomes eligible.

Effective date of coverage. Other than a newborn or a newly adopted child (including a child placed with you for adoption), the effective date of coverage for newly acquired Dependents is the date of acquisition. For a newborn or a newly adopted child, the effective date of coverage is as follows:

- A newborn child is covered from the moment of birth if the Subscriber enrolls the child within 31 days after birth. Any Premiums required for the newborn will be effective the first of the month following birth
- If the newborn child is not enrolled within 31 days, the newborn is covered only for 31 days (including the date of birth)
- The membership of a newly adopted child (including a child placed with you for adoption) will begin on the date when the adopting parent gains the legal right

to control the child's health care if the Subscriber enrolls the child within 31 days of that date

Open enrollment

You may enroll as a Subscriber (along with any eligible Dependents), and existing Subscribers may add eligible Dependents, by submitting a Health Plan–approved enrollment application to your Group during your Group's open enrollment period. Your Group will let you know when the open enrollment period begins and ends and the effective date of coverage.

Special enrollment

If you do not enroll when you are first eligible and later want to enroll, you can enroll only during open enrollment unless one of the following is true:

- You become eligible as described in this "Special enrollment" section
- You did not enroll when you were first eligible and your Group does not give us a written statement that verifies you signed a document that explained restrictions about enrolling in the future. The effective date of an enrollment resulting from this provision is no later than the first day of the month following the date your Group receives a Health Plan–approved enrollment or change of enrollment application from the Subscriber

Special enrollment due to new Dependents. You may enroll as a Subscriber (along with eligible Dependents), and existing Subscribers may add eligible Dependents, within 30 days after marriage, establishment of domestic partnership, birth, adoption, or placement for adoption by submitting to your Group a Health Plan–approved enrollment application.

The effective date of an enrollment resulting from marriage or establishment of domestic partnership is no later than the first day of the month following the date your Group receives an enrollment application from the Subscriber. Enrollments due to birth, adoption, or placement for adoption are effective on the date of birth, adoption, or placement for adoption.

Special enrollment due to loss of other coverage. You may enroll as a Subscriber (along with any eligible Dependents), and existing Subscribers may add eligible Dependents, if all of the following are true:

- The Subscriber or at least one of the Dependents had other coverage when he or she previously declined Health Plan coverage
- The loss of the other coverage is due to one of the following:
 - ◆ exhaustion of COBRA coverage

- ◆ termination of employer contributions for non-COBRA coverage
- ◆ loss of eligibility for non-COBRA coverage, but not termination for cause or termination from an individual (nongroup) plan for nonpayment. For example, this loss of eligibility may be due legal separation or divorce, reaching the age limit for dependent children, or the subscriber's death, termination of employment, or reduction in hours of employment
- ◆ loss of eligibility for Medicaid coverage (known as Medi-Cal in California) or Child Health Insurance Program coverage (known as the Healthy Families Program in California), but not termination for cause
- ◆ reaching a lifetime maximum on all benefits

Note: If you are enrolling yourself as a Subscriber along with at least one eligible Dependent, only one of you must meet the requirements stated above.

To request enrollment, the Subscriber must submit a Health Plan–approved enrollment or change of enrollment application to your Group within 30 days after loss of other coverage, except that the timeframe for submitting the application is 60 days if you are requesting enrollment due to loss of eligibility for Medicaid or Child Health Insurance Program coverage. The effective date of an enrollment resulting from loss of other coverage is no later than the first day of the month following the date your Group receives an enrollment or change of enrollment application from the Subscriber.

Special enrollment due to court or administrative order. Within 31 days after the date of a court or administrative order requiring a Subscriber to provide health care coverage for a Spouse or child who meets the eligibility requirements as a Dependent, the Subscriber may add the Spouse or child as a Dependent by submitting to your Group a Health Plan–approved enrollment or change of enrollment application.

Your Group will determine the effective date of an enrollment resulting from a court or administrative order, except that the effective date cannot be earlier than the date of the order and cannot be later than the first day of the month following the date of the order.

Special enrollment due to reemployment after military service. If you terminated your health care coverage because you were called to active duty in the military service, you may be able to reenroll in your Group's health plan if required by state or federal law. Please ask your Group for more information.

How to Obtain Services

As a Member, you are selecting our medical care program to provide your health care. You must receive all covered care from Plan Providers inside our Service Area, except as described in the sections listed below for the following Services:

- Authorized referrals as described under "Getting a Referral" in this "How to Obtain Services" section
- Emergency ambulance Services as described under "Ambulance Services" in the "Benefits and Cost Sharing" section
- Emergency Care, Post-Stabilization Care, and Out-of-Area Urgent Care as described in the "Emergency, Post-Stabilization, and Out-of-Area Urgent Care from Non-Plan Providers" section
- Hospice care as described under "Hospice Care" in the "Benefits and Cost Sharing" section

Our medical care program gives you access to all of the covered Services you may need, such as routine care with your own personal Plan Physician, hospital care, laboratory and pharmacy Services, Emergency Care, Urgent Care, and other benefits described in the "Benefits and Cost Sharing" section.

Routine Care

If you need to make a routine care appointment, please refer to *Your Guidebook to Kaiser Permanente Services (Your Guidebook)* for appointment telephone numbers, or go to our Web site at kp.org to request an appointment online. Routine appointments are for medical needs that aren't urgent (such as routine preventive care and school physicals). Try to make your routine care appointments as far in advance as possible.

Urgent Care

When you are sick or injured, you may have an Urgent Care need. An Urgent Care need is one that requires prompt medical attention but is not an Emergency Medical Condition. If you think you may need Urgent Care, call the appropriate appointment or advice nurse telephone number at a Plan Facility. Please refer to *Your Guidebook* for advice nurse and Plan Facility telephone numbers.

For information about Out-of-Area Urgent Care, please refer to the "Emergency, Post-Stabilization, and Out-of-Area Urgent Care from Non-Plan Providers" section.

Our Advice Nurses

We know that sometimes it's difficult to know what type of care you need. That's why we have telephone advice nurses available to assist you. Our advice nurses are registered nurses specially trained to help assess medical symptoms and provide advice over the phone, when medically appropriate. Whether you are calling for advice or to make an appointment, you can speak to an advice nurse. They can often answer questions about a minor concern, tell you what to do if a Plan Medical Office is closed, or advise you about what to do next, including making a same-day Urgent Care appointment for you if it's medically appropriate. To reach an advice nurse, please refer to *Your Guidebook* for the telephone numbers.

Your Personal Plan Physician

Personal Plan Physicians provide primary care and play an important role in coordinating care, including hospital stays and referrals to specialists.

We encourage you to choose a personal Plan Physician. You may choose any available personal Plan Physician. Most personal Plan Physicians are Primary Care Physicians (generalists in internal medicine, pediatrics, or family practice, or specialists in obstetrics/gynecology whom the Medical Group designates as Primary Care Physicians). Some specialists who are not designated as Primary Care Physicians but who also provide primary care may be available as personal Plan Physicians. For example, some specialists in internal medicine and obstetrics/gynecology who are not designated as Primary Care Physicians may be available as personal Plan Physicians.

To learn how to select a personal Plan Physician, please refer to *Your Guidebook* or call our Member Service Call Center. You can find a directory of our Plan Physicians on our Web site at kp.org. For the current list of physicians that are available as Primary Care Physicians, please call the personal physician selection department at the phone number listed in *Your Guidebook*. You can change your personal Plan Physician for any reason.

Getting a Referral

Referrals to Plan Providers

A Plan Physician must refer you before you can receive care from specialists, such as specialists in surgery, orthopedics, cardiology, oncology, urology, and dermatology. However, you do not need a referral to receive care from any of the following:

- Your personal Plan Physician
- Generalists in internal medicine, pediatrics, and family practice
- Specialists in optometry, psychiatry, chemical dependency, and obstetrics/gynecology

Medical Group authorization procedure for certain referrals

The following Services require prior authorization by the Medical Group for the Services to be covered (prior authorization means that the Medical Group must approve the Services in advance for the Services to be covered):

- **Durable medical equipment.** If your Plan Physician prescribes durable medical equipment, he or she will submit a written referral to the Plan Hospital's durable medical equipment coordinator, who will authorize the durable medical equipment if he or she determines that your durable medical equipment coverage includes the item and that the item is listed on our formulary for your condition. If the item doesn't appear to meet our durable medical equipment formulary guidelines, then the durable medical equipment coordinator will contact the Plan Physician for additional information. If the durable medical equipment request still doesn't appear to meet our durable medical equipment formulary guidelines, it will be submitted to the Medical Group's designee Plan Physician, who will authorize the item if he or she determines that it is Medically Necessary. For more information about our durable medical equipment formulary, please refer to "Durable Medical Equipment for Home Use" in the "Benefits and Cost Sharing" section
- **Ostomy and urological supplies.** If your Plan Physician prescribes ostomy or urological supplies, he or she will submit a written referral to the Plan Hospital's designated coordinator, who will authorize the item if he or she determines that it is covered and the item is listed on our soft goods formulary for your condition. If the item doesn't appear to meet our soft goods formulary guidelines, then the coordinator will contact the Plan Physician for additional information. If the request still doesn't appear to meet our soft goods formulary guidelines, it will be submitted to the Medical Group's designee Plan Physician, who will authorize the item if he or she determines that it is Medically Necessary. For more information about our soft goods formulary, please refer to "Ostomy and Urological Supplies" in the "Benefits and Cost Sharing" section
- **Services not available from Plan Providers.** If your Plan Physician decides that you require covered Services not available from Plan Providers, he or she

will recommend to the Medical Group that you be referred to a Non-Plan Provider inside or outside our Service Area. The appropriate Medical Group designee will authorize the Services if he or she determines that they are Medically Necessary and are not available from a Plan Provider. Referrals to Non-Plan Physicians will be for a specific treatment plan, which may include a standing referral if ongoing care is prescribed. Please ask your Plan Physician what Services have been authorized

- **Transplants.** If your Plan Physician makes a written referral for a transplant, the Medical Group's regional transplant advisory committee or board (if one exists) will authorize the Services if it determines that they are Medically Necessary. In cases where no transplant committee or board exists, the Medical Group will refer you to physician(s) at a transplant center, and the Medical Group will authorize the Services if the transplant center's physician(s) determine that they are Medically Necessary. Note: A Plan Physician may provide or authorize a corneal transplant without using this Medical Group transplant authorization procedure

Decisions regarding requests for authorization will be made only by licensed physicians or other appropriately licensed medical professionals.

Medical Group's decision time frames. The applicable Medical Group designee will make the authorization decision within the time frame appropriate for your condition, but no later than five business days after receiving all the information (including additional examination and test results) reasonably necessary to make the decision, except that decisions about urgent Services will be made no later than 72 hours after receipt of the information reasonably necessary to make the decision. If the Medical Group needs more time to make the decision because it doesn't have information reasonably necessary to make the decision, or because it has requested consultation by a particular specialist, you and your treating physician will be informed about the additional information, testing, or specialist that is needed, and the date that the Medical Group expects to make a decision.

Your treating physician will be informed of the decision within 24 hours after the decision is made. If the Services are authorized, your physician will be informed of the scope of the authorized Services. If the Medical Group does not authorize all of the Services, you will be sent a written decision and explanation within two business days after the decision is made. The letter will include information about your appeal rights, which are described in the "Dispute Resolution" section. Any

written criteria that the Medical Group uses to make the decision to authorize, modify, delay, or deny the request for authorization will be made available to you upon request.

Cost Sharing. The Cost Sharing for these referral Services is the Cost Sharing required for Services provided by a Plan Provider as described in the "Benefits and Cost Sharing" section.

More information. This description is only a brief summary of the authorization procedure. The policies and procedures (including a description of the authorization procedure or information about the authorization procedure applicable to some Plan Providers other than Kaiser Foundation Hospitals and the Medical Group) are available upon request from our Member Service Call Center. Please refer to "Post-Stabilization Care" in the "Emergency, Post-Stabilization, and Out-of-Area Urgent Care from Non-Plan Providers" section for authorization requirements that apply to Post-Stabilization Care from Non-Plan Providers.

Completion of Services from Non-Plan Providers

New Member. If you are currently receiving Services from a Non-Plan Provider in one of the cases listed below under "Eligibility" and your prior plan's coverage of the provider's Services has ended or will end when your coverage with us becomes effective, you may be eligible for limited coverage of that Non-Plan Provider's Services.

Terminated provider. If you are currently receiving covered Services in one of the cases listed below under "Eligibility" from a Plan Hospital or a Plan Physician (or certain other providers) when our contract with the provider ends (for reasons other than medical disciplinary cause or criminal activity), you may be eligible for limited coverage of that terminated provider's Services.

Eligibility. The cases that are subject to this completion of Services provision are:

- Acute conditions, which are medical conditions that involve a sudden onset of symptoms due to an illness, injury, or other medical problem that requires prompt medical attention and has a limited duration. We may cover these Services until the acute condition ends
- We may cover Services for serious chronic conditions until the earlier of (1) 12 months from your effective date of coverage if you are a new Member, (2) 12 months from the termination date of the terminated provider, or (3) the first day after a course of

treatment is complete when it would be safe to transfer your care to a Plan Provider, as determined by Kaiser Permanente after consultation with the Member and Non-Plan Provider and consistent with good professional practice. Serious chronic conditions are illnesses or other medical conditions that are serious, if one of the following is true about the condition:

- ♦ it persists without full cure
- ♦ it worsens over an extended period of time
- ♦ it requires ongoing treatment to maintain remission or prevent deterioration
- Pregnancy and immediate postpartum care. We may cover these Services for the duration of the pregnancy and immediate postpartum care
- Terminal illnesses, which are incurable or irreversible illnesses that have a high probability of causing death within a year or less. We may cover completion of these Services for the duration of the illness
- Care for children under age 3. We may cover completion of these Services until the earlier of (1) 12 months from the child's effective date of coverage if the child is a new Member, (2) 12 months from the termination date of the terminated provider, or (3) the child's third birthday
- Surgery or another procedure that is documented as part of a course of treatment and has been recommended and documented by the provider to occur within 180 days of your effective date of coverage if you are a new Member or within 180 days of the termination date of the terminated provider

To qualify for this completion of Services coverage, all of the following requirements must be met:

- Your Health Plan coverage is in effect on the date you receive the Service
- For new Members, your prior plan's coverage of the provider's Services has ended or will end when your coverage with us becomes effective
- You are receiving Services in one of the cases listed above from a Non-Plan Provider on your effective date of coverage if you are a new Member, or from the terminated Plan Provider on the provider's termination date
- For new Members, when you enrolled in Health Plan, you did not have the option to continue with your previous health plan or to choose another plan (including an out-of-network option) that would cover the Services of your current Non-Plan Provider
- The provider agrees to our standard contractual terms and conditions, such as conditions pertaining to

payment and to providing Services inside our Service Area

- The Services to be provided to you would be covered Services under this *Evidence of Coverage* if provided by a Plan Provider
- You request completion of Services within 30 days (or as soon as reasonably possible) from your effective date of coverage if you are a new Member or from the termination date of the Plan Provider

Cost Sharing. The Cost Sharing for completion of Services is the Cost Sharing required for Services provided by a Plan Provider as described in the "Benefits and Cost Sharing" section.

More information. For more information about this provision, or to request the Services or a copy of our "Completion of Covered Services" policy, please call our Member Service Call Center.

Second Opinions

If you request a second opinion, it will be provided to you when Medically Necessary by an appropriately qualified medical professional. This is a physician who is acting within his or her scope of practice and who possesses a clinical background related to the illness or condition associated with the request for a second medical opinion. Here are some examples of when a second opinion is Medically Necessary:

- Your Plan Physician has recommended a procedure and you are unsure about whether the procedure is reasonable or necessary
- You question a diagnosis or plan of care for a condition that threatens substantial impairment or loss of life, limb, or bodily functions
- The clinical indications are not clear or are complex and confusing
- A diagnosis is in doubt due to conflicting test results
- The Plan Physician is unable to diagnose the condition
- The treatment plan in progress is not improving your medical condition within an appropriate period of time, given the diagnosis and plan of care
- You have concerns about the diagnosis or plan of care

You can either ask your Plan Physician to help you arrange for a second medical opinion, or you can make an appointment with another Plan Physician. If the Medical Group determines that there isn't a Plan Physician who is an appropriately qualified medical professional for your condition, the Medical Group will

authorize a referral to a Non-Plan Physician for a Medically Necessary second opinion.

Cost Sharing. The Cost Sharing for these referral Services is the Cost Sharing required for Services provided by a Plan Provider as described in the "Benefits and Cost Sharing" section.

Contracts with Plan Providers

How Plan Providers are paid

Health Plan and Plan Providers are independent contractors. Plan Providers are paid in a number of ways, such as salary, capitation, per diem rates, case rates, fee for service, and incentive payments. To learn more about how Plan Physicians are paid to provide or arrange medical and hospital care for Members, please ask your Plan Physician or call our Member Service Call Center.

Financial liability

Our contracts with Plan Providers provide that you are not liable for any amounts we owe. However, you may be liable for the full price of noncovered Services you obtain from Plan Providers or Non-Plan Providers.

Termination of a Plan Provider's contract

If our contract with any Plan Provider terminates while you are under the care of that provider, we will retain financial responsibility for covered care you receive from that provider until we make arrangements for the Services to be provided by another Plan Provider and notify you of the arrangements. You may be eligible to receive Services from a terminated provider; please refer to "Completion of Services from Non-Plan Providers" under "Getting a Referral" in this "How to Obtain Services" section.

Provider groups and hospitals. If you are assigned to a provider group or hospital whose contract with us terminates, or if you live within 15 miles of a hospital whose contract with us terminates, we will give you written notice at least 60 days before the termination (or as soon as reasonably possible).

Visiting Other Regions

If you visit the service area of another Region temporarily (not more than 90 days), you can receive visiting member care from designated providers in that area. Visiting member care is described in our visiting member brochure. Visiting member care and your out-of-pocket costs may differ from the covered Services and Cost Sharing described in this *Evidence of Coverage*.

The 90-day limit on visiting member care does not apply to a Dependent child who attends an accredited college or accredited vocational school. The service areas and facilities where you may obtain visiting member care may change at any time without notice.

Please call our Member Service Call Center for more information about visiting member care, including facility locations in the service area of another Region, and to request a copy of the visiting member brochure.

Your ID Card

Each Member's Kaiser Permanente ID card has a medical record number on it, which you will need when you call for advice, make an appointment, or go to a provider for covered care. When you get care, please bring your Kaiser Permanente ID card and a photo ID. Your medical record number is used to identify your medical records and membership information. Your medical record number should never change. Please call our Member Service Call Center if we ever inadvertently issue you more than one medical record number or if you need to replace your Kaiser Permanente ID card.

Your ID card is for identification only. To receive covered Services, you must be a current Member. Anyone who is not a Member will be billed as a non-Member for any Services he or she receives. If you let someone else use your ID card, we may keep your ID card and terminate your membership as described under "Termination for Cause" in the "Termination of Membership" section.

Getting Assistance

We want you to be satisfied with the health care you receive from Kaiser Permanente. If you have any questions or concerns, please discuss them with your personal Plan Physician or with other Plan Providers who are treating you. They are committed to your satisfaction and want to help you with your questions.

Member Services

Most Plan Facilities have an office staffed with representatives who can provide assistance if you need help obtaining Services. At different locations, these offices may be called Member Services, Patient Assistance, or Customer Service. In addition, our Member Service Call Center representatives are available to assist you weekdays from 7 a.m. to 7 p.m. and weekends from 7 a.m. to 3 p.m. (except holidays) toll free at 1-800-464-4000 or 1-800-777-1370 (TTY for the deaf, hard of hearing, or speech impaired). For your

convenience, you can also contact us through our Web site at kp.org.

Member Services representatives at our Plan Facilities and Member Service Call Center can answer any questions you have about your benefits, available Services, and the facilities where you can receive care. For example, they can explain your Health Plan benefits, how to make your first medical appointment, what to do if you move, what to do if you need care while you are traveling, and how to replace your ID card. These representatives can also help you if you need to file a claim as described in the "Emergency, Post-Stabilization, and Out-of-Area Urgent Care from Non-Plan Providers" section or with any issues as described in the "Dispute Resolution" section.

Note: State law requires evidence of coverage documents to include the following notice: "Some hospitals and other providers do not provide one or more of the following services that may be covered under your plan contract and that you or your family member might need: family planning; contraceptive services, including emergency contraception; sterilization, including tubal ligation at the time of labor and delivery; infertility treatments; or abortion. You should obtain more information before you enroll. Call your prospective doctor, medical group, independent practice association, or clinic, or call the Kaiser Permanente Member Service Call Center, to ensure that you can obtain the health care services that you need."

Please be aware that if a Service is covered but not available at a particular Plan Facility, we will make it available to you at another facility.

Your Guidebook to Kaiser Permanente Services (Your Guidebook)

Plan Medical Offices and Plan Hospitals for your area are listed in greater detail in *Your Guidebook to Kaiser Permanente Services (Your Guidebook)*. *Your Guidebook* describes the types of covered Services that are available from each Plan Facility in your area, because some facilities provide only specific types of covered Services. It includes additional facilities that are not listed in this "Plan Facilities" section. Also, it explains how to use our Services and make appointments, lists hours of operation, and includes a detailed telephone directory for appointments and advice. *Your Guidebook* provides other important information, such as preventive care guidelines and your Member rights and responsibilities. *Your Guidebook* is subject to change and is periodically updated. You can get a copy by visiting our Web site at kp.org or by calling our Member Service Call Center.

Emergency, Post-Stabilization, and Out-of-Area Urgent Care from Non-Plan Providers

This "Emergency, Post-Stabilization, and Out-of-Area Urgent Care from Non-Plan Providers" section explains how to obtain covered Emergency Care, Post-Stabilization Care, and Out-of-Area Urgent Care from Non-Plan Providers. We do not cover the Non-Plan Provider care discussed in this section unless it meets both of the following requirements:

- This "Emergency, Post-Stabilization, and Out-of-Area Urgent Care from Non-Plan Providers" section says that we cover the care
- The care would be covered under the "Benefits and Cost Sharing" section (subject to the "Exclusions, Limitations, Coordination of Benefits, and Reductions" section) if you received the care from a Plan Provider

For example, we will not cover non-Plan Skilled Nursing Facility care as part of authorized Post-Stabilization Care unless both of the following are true:

- This "Emergency, Post-Stabilization, and Out-of-Area Urgent Care from Non-Plan Providers" section says that we cover the care (we authorize the care and the care meets the definition of "Post-Stabilization Care")
- The care would be covered under "Skilled Nursing Facility Care" in the "Benefits and Cost Sharing" section (subject to the "Exclusions, Limitations, Coordination of Benefits, and Reductions" section) if you received the care from a Plan Skilled Nursing Facility inside our Service Area

Prior Authorization

You do not need to get prior authorization from us to get Emergency Care or Out-of-Area Urgent Care from Non-Plan Providers. However, you must get prior authorization from us for Post-Stabilization Care from Non-Plan Providers (prior authorization means that we must approve the Services in advance for the Services to be covered).

Emergency Care

If you have an Emergency Medical Condition, call 911 or go to the nearest hospital. When you have an Emergency Medical Condition, we cover Emergency Care anywhere in the world.

An Emergency Medical Condition is: (1) a medical or psychiatric condition that manifests itself by acute symptoms of sufficient severity (including severe pain) such that you could reasonably expect the absence of immediate medical attention to result in serious jeopardy to your health or body functions or organs, or (2) active labor when there isn't enough time for safe transfer to a Plan Hospital (or designated hospital) before delivery or if transfer poses a threat to your (or your unborn child's) health and safety.

For ease and continuity of care, we encourage you to go to a Plan Hospital Emergency Department listed in *Your Guidebook* if you are inside our Service Area, but only if it is reasonable to do so, considering your condition or symptoms.

Post-Stabilization Care

Post-Stabilization Care is Medically Necessary Services related to your Emergency Medical Condition that you receive after your treating physician determines that this condition is Clinically Stable. We cover Post-Stabilization Care from a Non-Plan Provider, including inpatient care at a Non-Plan Hospital, only if we provide prior authorization for the care.

To request authorization to receive Post-Stabilization Care from a Non-Plan Provider, you must call us toll free at **1-800-225-8883** (TTY users call 711) or the notification telephone number on your Kaiser Permanente ID card *before* you receive the care if it is reasonably possible to do so (otherwise, call us as soon as reasonably possible). After we are notified, we will discuss your condition with the Non-Plan Provider. If we decide that you require Post-Stabilization Care and that this care would be covered if you received it from a Plan Provider, we will authorize your care from the Non-Plan Provider or arrange to have a Plan Provider (or other designated provider) provide the care. If we decide to have a Plan Hospital, Plan Skilled Nursing Facility, or designated Non-Plan Provider provide your care, we may authorize special transportation services that are medically required to get you to the provider. This may include transportation that is otherwise not covered.

Be sure to ask the Non-Plan Provider to tell you what care (including any transportation) we have authorized because we will not cover unauthorized Post-Stabilization Care or related transportation provided by Non-Plan Providers.

We understand that extraordinary circumstances can delay your ability to call us to request authorization for Post-Stabilization Care from a Non-Plan Provider, for

example, if a young child is without a parent or guardian present, or you are unconscious. In these cases, you must call us as soon as reasonably possible. Please keep in mind that anyone can call us for you. We do not cover any care you receive from Non-Plan Providers after you're Clinically Stable unless we authorize it, so if you don't call as soon as reasonably possible, you increase the risk that you will have to pay for this care.

Out-of-Area Urgent Care

If you have an Urgent Care need due to an unforeseen illness, unforeseen injury, or unforeseen complication of an existing condition (including pregnancy), we cover Medically Necessary Services to prevent serious deterioration of your (or your unborn child's) health from a Non-Plan Provider if all of the following are true:

- You receive the Services from Non-Plan Providers while you are temporarily outside our Service Area
- You reasonably believed that your (or your unborn child's) health would seriously deteriorate if you delayed treatment until you returned to our Service Area

Services Not Covered Under this "Emergency, Post-Stabilization, and Out-of-Area Urgent Care from Non-Plan Providers" Section

The following Services are not covered under this "Emergency, Post-Stabilization, and Out-of-Area Urgent Care from Non-Plan Providers" section (instead, refer to the "Benefits and Cost Sharing" section):

- Services that are not Emergency Care, Post-Stabilization Care, or Out-of-Area Urgent Care, even if those services are related to your Emergency Medical Condition
- Emergency Care, Post-Stabilization Care, and Urgent Care from Plan Providers

Payment and Reimbursement

If you receive Emergency Care, Post-Stabilization Care, or Out-of-Area Urgent Care from a Non-Plan Provider, you must pay the provider and file a claim for reimbursement unless the provider agrees to bill us. Also, you may be required to pay and file a claim for any Services prescribed by a Non-Plan Provider as part of covered Emergency Care, Post-Stabilization Care, and Out-of-Area Urgent Care even if you receive the Services from a Plan Provider, such as a Plan Pharmacy.

How to file a claim

To file a claim for payment or reimbursement, this is what you need to do:

- As soon as possible, send us a completed claim form. You can get a claim form by visiting our Web site at **kp.org** or by calling our Member Service Call Center toll free at 1-800-464-4000 or 1-800-390-3510 (TTY users call 1-800-777-1370). One of our representatives will be happy to assist you if you need help completing our claim form
- If you have paid for Services, you must include any bills and receipts from the Non-Plan Provider with your claim form
- To request that we pay a Non-Plan Provider for Services, you must include any bills from the Non-Plan Provider with your claim form. If the Non-Plan Provider states that they will submit the claim, you are still responsible for making sure that we receive everything we need to process the request for payment. If you later receive any bills from the Non-Plan Provider for covered Services (other than bills for your Cost Sharing amount), please call our Member Service Call Center toll free at 1-800-390-3510 for assistance
- The completed claim form and any bills or receipts must be mailed to the following address as soon as possible after receiving the care:
Kaiser Foundation Health Plan, Inc.
Claims Department
P.O. Box 12923
Oakland, CA 94604-2923

If we ask you to provide information or complete a document in connection with your claim, you must send it to our Claims Department at the address above. For example, we might request that you provide completed claim forms, consents for the release of medical records, assignments, claims for any other benefits to which you may be entitled, or original travel tickets to validate your claim.

We will respond to your claim as follows:

- If your Group must comply with Employee Retirement Income Security Act (ERISA), we will send our written decision within 30 calendar days after we receive the claim unless we request additional information from you or the Non-Plan Provider. If we request additional information, we will send our written decision no later than 15 calendar days after the date we receive the additional information. If we do not receive the necessary information within the timeframe specified in the

letter, we will make our decision based on the information we have

- If your Group is not subject to ERISA, we will send our written decision within 45 business days after we receive the claim unless we request additional information from you or the Non-Plan Provider. If we request additional information, we will send our written decision no later than 45 business days after the date we receive the additional information. If we do not receive the necessary information within the timeframe specified in the letter, we will make our decision based on the information we have

If our decision is not fully in your favor, we will tell you the reasons and how to file a grievance as described under "Grievances" in the "Dispute Resolution" section.

Cost Sharing

The Cost Sharing for Emergency Care, Post-Stabilization Care, and Out-of-Area Urgent Care from a Non-Plan Provider is the Cost Sharing required for Services provided by a Plan Provider as described in the "Benefits and Cost Sharing" section. We will reduce any payment we make to you or the Non-Plan Provider by applicable Cost Sharing.

Benefits and Cost Sharing

We cover the Services described in this "Benefits and Cost Sharing" section, subject to all provisions in the "Exclusions, Limitations, Coordination of Benefits, and Reductions" section, only if all of the following conditions are satisfied:

- You are a Member on the date that you receive the Services
- The Services are Medically Necessary
- The Services are provided, prescribed, authorized, or directed by a Plan Physician except where specifically noted to the contrary in the sections listed below for the following Services:
 - ◆ emergency ambulance Services as described under "Ambulance Services" in this "Benefits and Cost Sharing" section
 - ◆ Emergency Care, Post-Stabilization Care, and Out-of-Area Urgent Care as described in the "Emergency, Post-Stabilization, and Out-of-Area Urgent Care from Non-Plan Providers" section

- You receive the Services from Plan Providers inside our Service Area, except where specifically noted to the contrary in the sections listed below for the following Services:
 - ◆ authorized referrals as described under "Getting a Referral" in the "How to Obtain Services" section
 - ◆ emergency ambulance Services as described under "Ambulance Services" in this "Benefits and Cost Sharing" section
 - ◆ Emergency Care, Post-Stabilization Care, and Out-of-Area Urgent Care as described in the "Emergency, Post-Stabilization, and Out-of-Area Urgent Care from Non-Plan Providers" section
 - ◆ hospice care as described under "Hospice Care" in this "Benefits and Cost Sharing" section

The only Services we cover under this *Evidence of Coverage* are those that this "Benefits and Cost Sharing" section says that we cover, subject to exclusions and limitations described in this "Benefits and Cost Sharing" section and to all provisions in the "Exclusions, Limitations, Coordination of Benefits, and Reductions" section. The "Exclusions, Limitations, Coordination of Benefits, and Reductions" section describes exclusions, limitations, reductions, and coordination of benefits provisions that apply to all Services that would otherwise be covered. When an exclusion or limitation applies only to a particular benefit, it is listed in the description of that benefit in this "Benefits and Cost Sharing" section. Also, please refer to:

- The "Emergency, Post-Stabilization, and Out-of-Area Urgent Care from Non-Plan Providers" section for information about how to obtain covered Emergency Care, Post-Stabilization Care, and Out-of-Area Urgent Care from Non-Plan Providers
- *Your Guidebook* for the types of covered Services that are available from each Plan Facility in your area, because some facilities provide only specific types of covered Services

Cost Sharing

At the time you receive covered Services, you must pay the Cost Sharing in effect on that date, except as follows:

- If you are receiving covered inpatient hospital or Skilled Nursing Facility Services on the effective date of this *Evidence of Coverage*, you pay the Cost Sharing in effect on your admission date until you are discharged if the Services were covered under your prior Health Plan evidence of coverage and there has been no break in coverage. However, if the Services were not covered under your prior Health Plan evidence of coverage, or if there has been a break in

coverage, you pay the Cost Sharing in effect on the date you receive the Services

- For items ordered in advance, you pay the Cost Sharing in effect on the order date (although we will not cover the item unless you still have coverage for it on the date you receive it) and you may be required to pay the Cost Sharing when the item is ordered. For outpatient prescription drugs, the order date is the date that the pharmacy processes the order after receiving all the information they need to fill the prescription
- Before starting or continuing a course of infertility Services, you may be required to pay initial and subsequent deposits toward your Cost Sharing for some or all of the entire course of Services, along with any past-due infertility-related Cost Sharing. Any unused portion of your deposit will be returned to you. When a deposit is not required, before you can schedule an infertility procedure, you must pay the Cost Sharing for the procedure, along with any past-due infertility-related Cost Sharing
- If you receive more than one Service from a provider, or Services from more than one provider, you may be required to pay separate Cost Sharing amounts for each Service and each provider. For example, if you receive Services from two specialists in one visit, you may have to pay the Cost Sharing for two specialist visits. Similarly, if your physician performs a procedure immediately after a consultation, you may have to pay separate Cost Sharing amounts for the consultation visit and for the procedure. If you have questions about Cost Sharing, please contact our Member Service Call Center
- In some cases, we may agree to bill you for your Cost Sharing amounts

If you receive Services that are not covered under this *Evidence of Coverage*, you may be liable for the full price of those Services.

Deductibles

In any calendar year, you must pay Charges for certain Services until you meet one of the following Deductible amounts:

- **\$500** per calendar year for self-only enrollment (a Family of one Member)
- **\$500** per calendar year for any one Member in a Family of two or more Members
- **\$1,000** per calendar year for an entire Family of two or more Members

If you are a Member in a Family of two or more Members, you reach the Deductible either when you

meet the amount for any one Member, or when your entire Family reaches the Family amount. For example, suppose you have reached the **\$500** Deductible. For Services subject to the Deductible, you will not pay Charges during rest of the calendar year, but every other Member in your Family must continue to pay Charges during the calendar year until the entire Family reaches the **\$1,000** Deductible.

After you meet the Deductible and for the remainder of the calendar year, you pay the applicable Copayment or Coinsurance subject to the limits described under "Annual out-of-pocket maximum" in this "Benefits and Cost Sharing" section.

Services that are subject to the Deductible. All covered Services are subject to the Deductible, except for those covered under "Outpatient Prescription Drugs, Supplies, and Supplements" in this "Benefits and Cost Sharing" section and those that are listed as not subject to the Deductible in this "Benefits and Cost Sharing" section.

When Services are subject to a Deductible and you have not met the Deductible, you must pay Charges for the Services you are scheduled to receive when you check in for an appointment or procedure. Note: When we cover Services at "no charge" subject to the Deductible and you have not met your Deductible, you must pay Charges for the Services.

If you would like an estimate of the Charges for a Service before you schedule an appointment or procedure, please go to our Web site at kp.org or call our Deductible Products Service Team toll free at 1-800-390-3507. Note: If you pay a Deductible amount for a Service that has a visit limit, the Services count towards reaching the limit.

After you receive the Services, we will compare the Charges for the Services subject to the Deductible that you actually received against what you paid when you checked in for an appointment or procedure. If you overpaid, we will send you a refund promptly. If you underpaid, we will bill you.

Keeping track of the Deductible. When you pay an amount toward your Deductible, we will give you a receipt and we will send you a statement. The statement will include the total amount you have paid toward your Deductible. You can also obtain a copy of this statement from our Deductible Products Service Team toll free at 1-800-390-3507. Any overpayments will be refunded to you promptly.

Copayments and Coinsurance

The Copayment or Coinsurance you must pay for each covered Service (after you meet any applicable Deductible) is described in this "Benefits and Cost Sharing" section.

Annual out-of-pocket maximum

There is a limit to the total amount of Cost Sharing you must pay under this *Evidence of Coverage* in a calendar year for all of the covered Services listed below that you receive in the same calendar year. The limit is one of the following amounts:

- **\$3,000** per calendar year for self-only enrollment (a Family of one Member)
- **\$3,000** per calendar year for any one Member in a Family of two or more Members
- **\$6,000** per calendar year for an entire Family of two or more Members

If you are a Member in a Family of two or more Members, you reach the annual out-of-pocket maximum either when you meet the maximum for any one Member, or when your Family reaches the Family maximum. For example, suppose you have reached the **\$3,000** maximum. For Services subject to the maximum, you will not pay any more Cost Sharing during the rest of the calendar year, but every other Member in your Family must continue to pay Cost Sharing during the calendar year until your Family reaches the **\$6,000** maximum.

Payments that count toward the maximum. Any amounts you pay for covered Services subject to the Deductible, as described under "Deductibles," apply toward the annual out-of-pocket maximum. Also, the Copayments and Coinsurance you pay for the following Services apply toward the annual out-of-pocket maximum:

- Administered drugs
- Ambulance Services
- Amino acid–modified products used to treat congenital errors of amino acid metabolism (such as phenylketonuria)
- Diabetic testing supplies and equipment and insulin-administration devices
- Emergency Department visits
- Home health care
- Hospice care
- Hospital care
- Imaging, laboratory, and special procedures

- Intensive psychiatric treatment programs
- Office visits (including professional Services such as dialysis treatment, health education, and physical, occupational, and speech therapy)
- Outpatient surgery
- Prosthetic and orthotic devices
- Transitional residential recovery Services for chemical dependency

Keeping track of the maximum. When you pay Cost Sharing that applies toward the annual out-of-pocket maximum, we will give you a receipt. We will also send you a statement summarizing the amounts you have paid toward your annual out-of-pocket maximum. You can also obtain a copy of this statement from our Deductible Products Service Team toll free at 1-800-390-3507.

Preventive Care Services

We cover a variety of preventive care Services, which are Services to help keep you healthy or to prevent illness. These preventive care Services remain subject to all coverage requirements described in this "Benefits and Cost Sharing" section and all provisions in the "Exclusions, Limitations, Coordination of Benefits, and Reductions" section.

The preventive care Services listed below are not subject to the Deductible, unless the Services are intended to diagnose or treat an existing illness, injury, or condition that has already been diagnosed or for which you have symptoms. **Any other Services you receive during a preventive care exam will be subject to the Deductible.**

About our durable medical equipment formulary

A multidisciplinary Durable Medical Equipment Formulary Executive Committee is responsible for reviewing and revising the durable medical equipment formulary. Our durable medical equipment formulary is periodically updated to keep pace with changes in medical technology and clinical practice. To find out whether a particular item is included in our durable medical equipment formulary, please call our Member Service Call Center.

Our formulary guidelines allow you to obtain nonformulary durable medical equipment (equipment not listed on our durable medical equipment formulary for your condition) if the equipment would otherwise be covered and the Medical Group determines that it is Medically Necessary as described in "Medical Group authorization procedure for certain referrals" under "Getting a Referral" in the "How to Obtain Services" section.

About our drug formulary

Our drug formulary includes the list of drugs that have been approved by our Pharmacy and Therapeutics Committee for our Members. Our Pharmacy and Therapeutics Committee, which is primarily composed of Plan Physicians, selects drugs for the drug formulary based on a number of factors, including safety and effectiveness as determined from a review of medical literature. The Pharmacy and Therapeutics Committee meets quarterly to consider additions and deletions based on new information or drugs that become available. If you would like to request a copy of our drug formulary, please call our Member Service Call Center. Note: The presence of a drug on our drug formulary does not necessarily mean that your Plan Physician will prescribe it for a particular medical condition.

Our drug formulary guidelines allow you to obtain nonformulary prescription drugs (those not listed on our drug formulary for your condition) if they would otherwise be covered and a Plan Physician determines that they are Medically Necessary. If you disagree with your Plan Physician's determination that a nonformulary prescription drug is not Medically Necessary, you may file a grievance as described in the "Dispute Resolution" section. Also, our formulary guidelines may require you to participate in a behavioral intervention program approved by the Medical Group for specific conditions and you may be required to pay for the program.

Limitations

We will do our best to provide or arrange for our Members' health care needs in the event of unusual circumstances that delay or render impractical the provision of Services under this *Evidence of Coverage*, such as major disaster, epidemic, war, riot, civil insurrection, disability of a large share of personnel at a Plan Facility, complete or partial destruction of facilities, and labor disputes. Under these extreme circumstances, if you have an Emergency Medical Condition, go to the nearest hospital as described under "Emergency Care" in the "Emergency, Post-Stabilization, and Out-of-Area Urgent Care from Non-Plan Providers" section, and we will provide coverage and reimbursement as described in that section.

Additional limitations that apply only to a particular benefit are listed in the description of that benefit in the "Benefits and Cost Sharing" section.

Coordination of Benefits

The Services covered under this *Evidence of Coverage* are subject to coordination of benefits rules. If you have medical or dental coverage with another health plan or insurance company, we will coordinate benefits with the other coverage under the coordination of benefits rules of the California Department of Managed Health Care. Those rules are incorporated into this *Evidence of Coverage*.

If both the other coverage and we cover the same Service, the other coverage and we will see that up to 100 percent of your covered medical expenses are paid for that Service. The coordination of benefits rules determine which coverage pays first, or is "primary," and which coverage pays second, or is "secondary." The secondary coverage may reduce its payment to take into account payment by the primary coverage. You must give us any information we request to help us coordinate benefits.

If your coverage under this *Evidence of Coverage* is secondary, we may be able to establish a Benefit Reserve Account for you. You may draw on the Benefit Reserve Account during a calendar year to pay for your out-of-pocket expenses for Services that are partially covered by either your other coverage or us during that calendar year. If you are entitled to a Benefit Reserve Account, we will provide you with detailed information about this account.

If you have any questions about coordination of benefits, please call our Member Service Call Center.

Reductions

Employer responsibility

For any Services that the law requires an employer to provide, we will not pay the employer, and when we cover any such Services we may recover the value of the Services from the employer.

Government agency responsibility

For any Services that the law requires be provided only by or received only from a government agency, we will not pay the government agency, and when we cover any such Services we may recover the value of the Services from the government agency.

Injuries or illnesses alleged to be caused by third parties

If you obtain a judgment or settlement from or on behalf of a third party who allegedly caused an injury or illness for which you received covered Services, you must pay us Charges for those Services, except that the amount you must pay will not exceed the maximum amount allowed under California Civil Code Section 3040. Note: This "Injuries or illnesses alleged to be caused by third parties" section does not affect your obligation to pay Cost Sharing for these Services, but we will credit any such payments toward the amount you must pay us under this paragraph.

To the extent permitted or required by law, we have the option of becoming subrogated to all claims, causes of action, and other rights you may have against a third party or an insurer, government program, or other source of coverage for monetary damages, compensation, or indemnification on account of the injury or illness allegedly caused by the third party. We will be so subrogated as of the time we mail or deliver a written notice of our exercise of this option to you or your attorney, but we will be subrogated only to the extent of the total of Charges for the relevant Services.

To secure our rights, we will have a lien on the proceeds of any judgment or settlement you or we obtain against a third party. The proceeds of any judgment or settlement that you or we obtain shall first be applied to satisfy our lien, regardless of whether the total amount of the proceeds is less than the actual losses and damages you incurred.

Within 30 days after submitting or filing a claim or legal action against a third party, you must send written notice of the claim or legal action to:

Northern California Third Party Liability Supervisor
Kaiser Foundation Health Plan, Inc.
Special Recovery Unit
Parsons East, Second Floor
393 E. Walnut St.
Pasadena, CA 91188

In order for us to determine the existence of any rights we may have and to satisfy those rights, you must complete and send us all consents, releases, authorizations, assignments, and other documents, including lien forms directing your attorney, the third party, and the third party's liability insurer to pay us directly. You may not agree to waive, release, or reduce our rights under this provision without our prior, written consent.

If your estate, parent, guardian, or conservator asserts a claim against a third party based on your injury or illness, your estate, parent, guardian, or conservator and any settlement or judgment recovered by the estate, parent, guardian, or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim against the third party. We may assign our rights to enforce our liens and other rights.

If you are entitled to Medicare, Medicare law may apply with respect to Services covered by Medicare.

Some providers have contracted with Kaiser Permanente to provide certain Services to Members at rates that are typically less than the fees that the providers ordinarily charge to the general public ("General Fees"). However, these contracts may allow the providers to recover all or a portion of the difference between the fees paid by Kaiser Permanente and their General Fees by means of a lien claim under California Civil Code Sections 3045.1–3045.6 against a judgment or settlement that you receive from or on behalf of a third party. For Services the provider furnished, our recovery and the provider's recovery together will not exceed the provider's General Fees.

Medicare benefits

Your benefits are reduced by any benefits to which you are entitled under Medicare except for Members whose Medicare benefits are secondary by law.

Surrogacy arrangements

If you enter into a surrogacy arrangement, you must pay us Charges for covered Services you receive related to conception, pregnancy, or delivery in connection with that arrangement ("Surrogacy Health Services"), except that the amount you must pay will not exceed the compensation you are entitled to receive under the surrogacy arrangement. A surrogacy arrangement is one in which a woman agrees to become pregnant and to surrender the baby to another person or persons who intend to raise the child. Note: This "Surrogacy arrangements" section does not affect your obligation to pay Cost Sharing for these Services, but we will credit any such payments toward the amount you must pay us under this paragraph.

By accepting Surrogacy Health Services, you automatically assign to us your right to receive payments that are payable to you or your chosen payee under the surrogacy arrangement, regardless of whether those payments are characterized as being for medical expenses. To secure our rights, we will also have a lien on those payments. Those payments shall first be applied to satisfy our lien. The assignment and our lien will not

exceed the total amount of your obligation to us under the preceding paragraph.

Within 30 days after entering into a surrogacy arrangement, you must send written notice of the arrangement, including the names and addresses of the other parties to the arrangement, and a copy of any contracts or other documents explaining the arrangement, to:

Surrogacy Third Party Liability Supervisor
Kaiser Foundation Health Plan, Inc.
Special Recovery Unit
Parsons East, Second Floor
393 E. Walnut St.
Pasadena, CA 91188

You must complete and send us all consents, releases, authorizations, lien forms, and other documents that are reasonably necessary for us to determine the existence of any rights we may have under this "Surrogacy arrangements" section and to satisfy those rights. You may not agree to waive, release, or reduce our rights under this provision without our prior, written consent.

If your estate, parent, guardian, or conservator asserts a claim against a third party based on the surrogacy arrangement, your estate, parent, guardian, or conservator and any settlement or judgment recovered by the estate, parent, guardian, or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim against the third party. We may assign our rights to enforce our liens and other rights.

U.S. Department of Veterans Affairs

For any Services for conditions arising from military service that the law requires the Department of Veterans Affairs to provide, we will not pay the Department of Veterans Affairs, and when we cover any such Services we may recover the value of the Services from the Department of Veterans Affairs.

Workers' compensation or employer's liability benefits

You may be eligible for payments or other benefits, including amounts received as a settlement (collectively referred to as "Financial Benefit"), under workers' compensation or employer's liability law. We will provide covered Services even if it is unclear whether you are entitled to a Financial Benefit, but we may recover the value of any covered Services from the following sources:

- From any source providing a Financial Benefit or from whom a Financial Benefit is due

- From you, to the extent that a Financial Benefit is provided or payable or would have been required to be provided or payable if you had diligently sought to establish your rights to the Financial Benefit under any workers' compensation or employer's liability law

Department of Managed Health Care Complaints

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan toll free at **1-800-464-4000** (TTY users call **1-800-777-1370**) and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments

that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number **(1-888-HMO-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The department's Internet Web site **<http://www.hmoHELP.ca.gov>** has complaint forms, IMR application forms and instructions online.

Independent Medical Review (IMR)

If you qualify, you or your authorized representative may have your issue reviewed through the Independent Medical Review (IMR) process managed by the California Department of Managed Health Care. The Department of Managed Health Care determines which cases qualify for IMR. This review is at no cost to you. If you decide not to request an IMR, you may give up the right to pursue some legal actions against us.

You may qualify for IMR if all of the following are true:

- One of these situations applies to you:
 - ◆ you have a recommendation from a provider requesting Medically Necessary Services
 - ◆ you have received Emergency Care or Urgent Care from a provider who determined the Services to be Medically Necessary
 - ◆ you have been seen by a Plan Provider for the diagnosis or treatment of your medical condition
- Your request for payment or Services has been denied, modified, or delayed based in whole or in part on a decision that the Services are not Medically Necessary
- You have filed a grievance and we have denied it or we haven't made a decision about your grievance within 30 days (or three days for expedited grievances). The Department of Managed Health Care may waive the requirement that you first file a grievance with us in extraordinary and compelling cases, such as severe pain or potential loss of life, limb, or major bodily function

You may also qualify for IMR if the Service you requested has been denied on the basis that it is experimental or investigational as described under "Experimental or investigational denials."

If the Department of Managed Health Care determines that your case is eligible for IMR, it will ask us to send your case to the Department of Managed Health Care's Independent Medical Review organization. The Department of Managed Health Care will promptly notify you of its decision after it receives the

Independent Medical Review organization's determination. If the decision is in your favor, we will contact you to arrange for the Service or payment.

Experimental or investigational denials

If we deny a Service because it is experimental or investigational, we will send you our written explanation within five days of making our decision. We will explain why we denied the Service and provide additional dispute resolution options. Also, we will provide information about your right to request Independent Medical Review if we had the following information when we made our decision:

- Your treating physician provided us a written statement that you have a life-threatening or seriously debilitating condition and that standard therapies have not been effective in improving your condition, or that standard therapies would not be appropriate, or that there is no more beneficial standard therapy we cover than the therapy being requested. "Life-threatening" means diseases or conditions where the likelihood of death is high unless the course of the disease is interrupted, or diseases or conditions with potentially fatal outcomes where the end point of clinical intervention is survival. "Seriously debilitating" means diseases or conditions that cause major irreversible morbidity
- If your treating physician is a Plan Physician, he or she recommended a treatment, drug, device, procedure, or other therapy and certified that the requested therapy is likely to be more beneficial to you than any available standard therapies and included a statement of the evidence relied upon by the Plan Physician in certifying his or her recommendation
- You (or your Non-Plan Physician who is a licensed, and either a board-certified or board-eligible, physician qualified in the area of practice appropriate to treat your condition) requested a therapy that, based on two documents from the medical and scientific evidence, as defined in California Health and Safety Code Section 1370.4(d), is likely to be more beneficial for you than any available standard therapy. The physician's certification included a statement of the evidence relied upon by the physician in certifying his or her recommendation. We do not cover the Services of the Non-Plan Provider

Note: You can request IMR for experimental or investigational denials at any time without first filing a grievance with us.

Binding Arbitration

For all claims subject to this "Binding Arbitration" section, both Claimants and Respondents give up the right to a jury or court trial and accept the use of binding arbitration. Insofar as this "Binding Arbitration" section applies to claims asserted by Kaiser Permanente Parties, it shall apply retroactively to all unresolved claims that accrued before the effective date of this *Evidence of Coverage*. Such retroactive application shall be binding only on the Kaiser Permanente Parties.

Scope of arbitration

Any dispute shall be submitted to binding arbitration if all of the following requirements are met:

- The claim arises from or is related to an alleged violation of any duty incident to or arising out of or relating to this *Evidence of Coverage* or a Member Party's relationship to Kaiser Foundation Health Plan, Inc. (Health Plan), including any claim for medical or hospital malpractice (a claim that medical services were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered), for premises liability, or relating to the coverage for, or delivery of, Services, irrespective of the legal theories upon which the claim is asserted
- The claim is asserted by one or more Member Parties against one or more Kaiser Permanente Parties or by one or more Kaiser Permanente Parties against one or more Member Parties
- The claim is *not* within the jurisdiction of the Small Claims Court
- If your Group must comply with the Employee Retirement Income Security Act (ERISA) requirements, the claim is *not* a benefit-related request that constitutes a "benefit claim" in Section 502(a)(1)(B) of ERISA. Note: Benefit claims under this section of ERISA are excluded from this binding arbitration requirement only until such time as the United States Department of Labor regulation prohibiting mandatory binding arbitration of this category of claim (29 CFR 2560.503-1(c)(4)) is modified, amended, repealed, superseded, or otherwise found to be invalid. If this occurs, these claims will automatically become subject to mandatory binding arbitration without further notice

As referred to in this "Binding Arbitration" section, "Member Parties" include:

- A Member
- A Member's heir, relative, or personal representative

- Any person claiming that a duty to him or her arises from a Member's relationship to one or more Kaiser Permanente Parties

"Kaiser Permanente Parties" include:

- Kaiser Foundation Health Plan, Inc.
- Kaiser Foundation Hospitals
- KP Cal, LLC
- The Permanente Medical Group, Inc.
- Southern California Permanente Medical Group
- The Permanente Federation, LLC
- The Permanente Company, LLC
- Any Kaiser Foundation Hospitals, The Permanente Medical Group, Inc., or Southern California Permanente Medical Group physician
- Any individual or organization whose contract with any of the organizations identified above requires arbitration of claims brought by one or more Member Parties
- Any employee or agent of any of the foregoing

"Claimant" refers to a Member Party or a Kaiser Permanente Party who asserts a claim as described above. "Respondent" refers to a Member Party or a Kaiser Permanente Party against whom a claim is asserted.

Initiating arbitration

Claimants shall initiate arbitration by serving a Demand for Arbitration. The Demand for Arbitration shall include the basis of the claim against the Respondents; the amount of damages the Claimants seek in the arbitration; the names, addresses, and telephone numbers of the Claimants and their attorney, if any; and the names of all Respondents. Claimants shall include all claims against Respondents that are based on the same incident, transaction, or related circumstances in the Demand for Arbitration.

Serving Demand for Arbitration

Health Plan, Kaiser Foundation Hospitals, KP Cal, LLC, The Permanente Medical Group, Inc., Southern California Permanente Medical Group, The Permanente Federation, LLC, and The Permanente Company, LLC, shall be served with a Demand for Arbitration by mailing the Demand for Arbitration addressed to that Respondent in care of:

Kaiser Foundation Health Plan, Inc.
Legal Department
1950 Franklin St., 17th Floor
Oakland, CA 94612

Service on that Respondent shall be deemed completed when received. All other Respondents, including individuals, must be served as required by the California Code of Civil Procedure for a civil action.

Filing fee

The Claimants shall pay a single, nonrefundable filing fee of \$150 per arbitration payable to "Arbitration Account" regardless of the number of claims asserted in the Demand for Arbitration or the number of Claimants or Respondents named in the Demand for Arbitration.

Any Claimant who claims extreme hardship may request that the Office of the Independent Administrator waive the filing fee and the neutral arbitrator's fees and expenses. A Claimant who seeks such waivers shall complete the Fee Waiver Form and submit it to the Office of the Independent Administrator and simultaneously serve it upon the Respondents. The Fee Waiver Form sets forth the criteria for waiving fees and is available by calling our Member Service Call Center.

Number of arbitrators

The number of arbitrators may affect the Claimant's responsibility for paying the neutral arbitrator's fees and expenses.

If the Demand for Arbitration seeks total damages of \$200,000 or less, the dispute shall be heard and determined by one neutral arbitrator, unless the parties otherwise agree in writing that the arbitration shall be heard by two party arbitrators and one neutral arbitrator. The neutral arbitrator shall not have authority to award monetary damages that are greater than \$200,000.

If the Demand for Arbitration seeks total damages of more than \$200,000, the dispute shall be heard and determined by one neutral arbitrator and two party arbitrators, one jointly appointed by all Claimants and one jointly appointed by all Respondents. Parties who are entitled to select a party arbitrator may agree to waive this right. If all parties agree, these arbitrations will be heard by a single neutral arbitrator.

Payment of arbitrators' fees and expenses

Health Plan will pay the fees and expenses of the neutral arbitrator under certain conditions as set forth in the *Rules for Kaiser Permanente Member Arbitrations Overseen by the Office of the Independent Administrator* ("Rules of Procedure"). In all other arbitrations, the fees and expenses of the neutral arbitrator shall be paid one-half by the Claimants and one-half by the Respondents.

If the parties select party arbitrators, Claimants shall be responsible for paying the fees and expenses of their

party arbitrator and Respondents shall be responsible for paying the fees and expenses of their party arbitrator.

Costs

Except for the aforementioned fees and expenses of the neutral arbitrator, and except as otherwise mandated by laws that apply to arbitrations under this "Binding Arbitration" section, each party shall bear the party's own attorneys' fees, witness fees, and other expenses incurred in prosecuting or defending against a claim regardless of the nature of the claim or outcome of the arbitration.

Rules of Procedure

Arbitrations shall be conducted according to the Rules of Procedure developed by the Office of the Independent Administrator in consultation with Kaiser Permanente and the Arbitration Oversight Board. Copies of the Rules of Procedure may be obtained from our Member Service Call Center.

General provisions

A claim shall be waived and forever barred if (1) on the date the Demand for Arbitration of the claim is served, the claim, if asserted in a civil action, would be barred as to the Respondents served by the applicable statute of limitations, (2) Claimants fail to pursue the arbitration claim in accord with the Rules of Procedure with reasonable diligence, or (3) the arbitration hearing is not commenced within five years after the earlier of (a) the date the Demand for Arbitration was served in accord with the procedures prescribed herein, or (b) the date of filing of a civil action based upon the same incident, transaction, or related circumstances involved in the claim. A claim may be dismissed on other grounds by the neutral arbitrator based on a showing of a good cause. If a party fails to attend the arbitration hearing after being given due notice thereof, the neutral arbitrator may proceed to determine the controversy in the party's absence.

The California Medical Injury Compensation Reform Act of 1975 (including any amendments thereto), including sections establishing the right to introduce evidence of any insurance or disability benefit payment to the patient, the limitation on recovery for noneconomic losses, and the right to have an award for future damages conformed to periodic payments, shall apply to any claims for professional negligence or any other claims as permitted or required by law.

Arbitrations shall be governed by this "Binding Arbitration" section, Section 2 of the Federal Arbitration Act, and the California Code of Civil Procedure provisions relating to arbitration that are in effect at the time the statute is applied, together with the Rules of

Procedure, to the extent not inconsistent with this "Binding Arbitration" section.

Termination of Membership

Your Group is required to inform the Subscriber of the date your membership terminates. Your membership termination date is the first day you are not covered (for example, if your termination date is January 1, 2010, your last minute of coverage was at 11:59 p.m. on December 31, 2009). When a Subscriber's membership ends, the memberships of any Dependents end at the same time. You will be billed as a non-Member for any Services you receive after your membership terminates. Health Plan and Plan Providers have no further liability or responsibility under this *Evidence of Coverage* after your membership terminates, except as provided under "Payments after Termination" in this "Termination of Membership" section.

Termination Due to Loss of Eligibility

If you no longer meet the eligibility requirements described under "Who Is Eligible" in the "Premiums, Eligibility, and Enrollment" section, please ask your Group when your membership will end. Your membership termination date is the first day you are not covered (for example, if your termination date is January 1, 2010, your last minute of coverage was at 11:59 p.m. on December 31, 2009).

Termination of Agreement

If your Group's *Agreement* with us terminates for any reason, your membership ends on the same date. Your Group is required to notify Subscribers in writing if its *Agreement* with us terminates.

Termination for Cause

If you commit one of the following acts, we may terminate your membership immediately by sending written notice to the Subscriber; termination will be effective on the date we send the notice:

- Your behavior threatens the safety of Plan personnel or of any person or property at a Plan Facility
- You commit theft from Health Plan, from a Plan Provider, or at a Plan Facility

- You intentionally commit fraud in connection with membership, Health Plan, or a Plan Provider. Some examples of fraud include:
 - ♦ misrepresenting eligibility information about you or a Dependent
 - ♦ presenting an invalid prescription or physician order
 - ♦ misusing a Kaiser Permanente ID card (or letting someone else use it)
 - ♦ giving us incorrect or incomplete material information
 - ♦ failing to notify us of changes in family status or Medicare coverage that may affect your eligibility or benefits

If we terminate your membership for cause, you will not be allowed to enroll in Health Plan in the future. We may also report criminal fraud and other illegal acts to the authorities for prosecution.

Termination for Nonpayment

Nonpayment of Premiums

If your Group fails to pay Premiums for your Family (or if your Family fails to pay Premiums for Cal-COBRA coverage for your Family), we may terminate the memberships of everyone in your Family. For information about termination for nonpayment of Cal-COBRA Premiums, please refer to "Termination for nonpayment of Cal-COBRA Premiums" in the "Continuation of Membership" section.

Partial payment of Premiums for a Family. If your Group makes a partial Premiums payment specifically for your Family and does not pay us the entire Premiums required for your Family, we will terminate the memberships of everyone in the Family at 11:59 p.m. on the last day of the month in which our determination is made. We will send written notice of the termination to the Subscriber at least 15 days before the termination date. Also, if we terminate your membership, we will reinstate your membership without a lapse in coverage if we receive full payment from your Group on or before your Group's next scheduled payment due date.

For Members who are eligible for Medicare as primary coverage, Premiums are based on the assumption that Health Plan or its designee will receive Medicare payments for Medicare-covered Services provided to Members eligible for benefits under Medicare Part A or B. If you are or become eligible for Medicare as primary coverage, you must comply with the following requirements:

- Enroll in all Parts of Medicare for which you are eligible and continue that enrollment while a Member
- Be enrolled through your Group in Kaiser Permanente Senior Advantage
- Complete and submit all documents necessary for Health Plan, or any provider from whom you receive Services covered by Health Plan, to obtain Medicare payments for Medicare-covered Services provided to you

If you do not comply with all of these requirements for any reason (even if you are unable to enroll in Kaiser Permanente Senior Advantage because you do not meet the plan's eligibility requirements, the plan is not available through your Group, or Senior Advantage is closed to enrollment), we will increase your Group's Premiums to compensate for the lack of Medicare payment and transfer your membership to our non-Medicare plan if you are not already so enrolled. However, if your Group does not pay us the entire Premiums required for your Family, we will terminate the memberships of everyone in the Family in accord with this "Termination for Nonpayment" section.

Note: Medicare is the primary coverage except when federal law requires that your group health care coverage be primary and Medicare coverage be secondary.

Termination of a Product or all Products

We may terminate a particular product or all products offered in a small or large group market as permitted or required by law. If we discontinue offering a particular product in a market, we will terminate just the particular product by sending you written notice at least 90 days before the product terminates. If we discontinue offering all products to groups in a small or large group market, as applicable, we may terminate your Group's *Agreement* by sending you written notice at least 180 days before the *Agreement* terminates.

HIPAA Certificates of Creditable Coverage

The Health Insurance Portability and Accountability Act (HIPAA) requires employers or health plans to issue a "Certificate of Creditable Coverage" to Members whose coverage terminates. The certificate documents health care coverage and you can use it to prove prior creditable health care coverage if you seek new coverage after your membership terminates. When your membership terminates, or at any time upon request, we will mail the certificate to the Subscriber unless your Group has an

agreement with us to mail the certificates. If you have any questions, please contact your Group.

Payments after Termination

If we terminate your membership for cause or for nonpayment, we will:

- Refund any amounts we owe your Group for Premiums paid after the termination date
- Pay you any amounts we have determined that we owe you for claims during your membership in accord with the "Emergency, Post-Stabilization, and Out-of-Area Urgent Care from Non-Plan Providers" and "Dispute Resolution" sections. We will deduct any amounts you owe Health Plan or Plan Providers from any payment we make to you

State Review of Membership Termination

If you believe that we terminated your membership because of your ill health or your need for care, you may request a review of the termination by the California Department of Managed Health Care (please see "Department of Managed Health Care Complaints" in the "Dispute Resolution" section).

Continuation of Membership

If your membership under this *Evidence of Coverage* ends, you may be eligible to maintain Health Plan membership without a break in coverage under this *Evidence of Coverage* (Group coverage) or you may be eligible to convert to an individual (nongroup) plan.

Continuation of Group Coverage

If at any time you become entitled to continuation of Group coverage such as Cal-COBRA, please examine your coverage options carefully before declining this coverage. You should be aware that companies selling individual health insurance typically require a review of your medical history that could result in a higher premium or you could be denied coverage entirely. Note: Medical history does not impact premiums or eligibility for our Individual–Conversion Plan and HIPAA Individual Plan described under "Conversion from Group Membership to an Individual Plan" in this "Continuation of Membership" section. However, the individual plan premiums and coverage will be different from the premiums and coverage under your Group plan.

COBRA

You may be able to continue your coverage under this *Evidence of Coverage* for a limited time after you would otherwise lose eligibility, if required by the federal COBRA law (the Consolidated Omnibus Budget Reconciliation Act). COBRA applies to most employees (and most of their covered family Dependents) of most employers with 20 or more employees.

If your Group is subject to COBRA and you are eligible for COBRA coverage, in order to enroll you must submit a COBRA election form to your Group within the COBRA election period. Please ask your Group for details about COBRA coverage, such as how to elect coverage, how much you must pay for coverage, when coverage and Premiums may change, and where to send your Premium payments.

As described in "Conversion from Group Membership to an Individual Plan" in this "Continuation of Membership" section, you may be able to convert to an individual (nongroup) plan if you don't apply for COBRA coverage, or if you enroll in COBRA and your COBRA coverage ends. Also, if you enroll in COBRA and exhaust the time limit for COBRA coverage, you may be able to continue Group coverage under state law as described under "Cal-COBRA" in this "Continuation of Group Coverage" section.

Cal-COBRA

If you are eligible for Cal-COBRA, you can continue coverage as described in this "Cal-COBRA" section if you apply for coverage in compliance with Cal-COBRA law and pay applicable Premiums.

Eligibility and effective date of coverage for Cal-COBRA after COBRA. If your group is subject to COBRA and your COBRA coverage ends, you may be able to continue Group coverage effective the date your COBRA coverage ends if all of the following are true:

- Your effective date of COBRA coverage was on or after January 1, 2003
- You have exhausted the time limit for COBRA coverage and that time limit was 18 or 29 months
- You are not entitled to Medicare

You must request an enrollment application by calling our Member Service Call Center within 60 days of the date of when your COBRA coverage ends.

As described in "Conversion from Group Membership to an Individual Plan" in this "Continuation of Membership" section, you may be able to convert to an individual (nongroup) plan if you don't apply for Cal-

COBRA coverage, or if you enroll in Cal-COBRA and your Cal-COBRA coverage ends.

Cal-COBRA enrollment and Premiums. Within 10 days of your request for an enrollment application, we will send you our application, which will include Premium and billing information. You must return your completed application within 63 days of the date of our termination letter or of your membership termination date (whichever date is later).

If we approve your enrollment application, we will send you billing information within 30 days after we receive your application. You must pay the bill within 45 days after the date we issue the bill. The first Premium payment will include coverage from your Cal-COBRA effective date through our current billing cycle. You must send us the Premium payment by the due date on the bill to be enrolled in Cal-COBRA.

After that first payment, monthly Premium payments are due on or before the last day of the month preceding the month of coverage. The Premiums will not exceed 110 percent of the applicable Premiums charged to a similarly situated individual under the Group benefit plan except that Premiums for disabled individuals after 18 months of COBRA coverage will not exceed 150 percent instead of 110 percent.

Changes to Cal-COBRA coverage and Premiums.

Your Cal-COBRA coverage is the same as for any similarly situated individual under your Group's *Agreement*, and your Cal-COBRA coverage and Premiums will change at the same time that coverage or Premiums change in your Group's *Agreement*. Your Group's coverage and Premiums will change on the renewal date of its *Agreement* (January 1), and may also change at other times if your Group's *Agreement* is amended. Your monthly invoice will reflect the current Premiums that are due for Cal-COBRA coverage, including any changes. For example, if your Group makes a change that affects Premiums retroactively, the amount we bill you will be adjusted to reflect the retroactive adjustment in Premiums. Your Group can tell you whether this *Evidence of Coverage* is still in effect and give you a current one if this *Evidence of Coverage* has expired or been amended. You can also request one from our Member Service Call Center.

Cal-COBRA open enrollment or termination of another health plan. If you previously elected Cal-COBRA coverage through another health plan available through your Group, you may be eligible to enroll in Kaiser Permanente during your Group's annual open enrollment period, or if your Group terminates its agreement with the health plan you are enrolled in. You

will be entitled to Cal-COBRA coverage only for the remainder, if any, of the coverage period prescribed by Cal-COBRA. Please ask your Group for information about health plans available to you either at open enrollment or if your Group terminates a health plan's agreement.

In order for you to switch from another health plan and continue your Cal-COBRA coverage with us, we must receive your enrollment application during your Group's open enrollment period, or within 63 days of receiving the Group's termination notice described under "Group responsibilities." To request an application, please call our Member Service Call Center. We will send you our enrollment application and you must return your completed application before open enrollment ends or within 63 days of receiving the termination notice described under "Group responsibilities." If we approve your enrollment application, we will send you billing information within 30 days after we receive your application. You must pay the bill within 45 days after the date we issue the bill. You must send us the Premium payment by the due date on the bill to be enrolled in Cal-COBRA.

Termination for nonpayment of Cal-COBRA

Premiums. If we do not receive the full amount of your Family's Premium payment on or before the last day of the month preceding the month of coverage, we will terminate the membership of everyone in your Family effective on the last day of the month for which we received a full Premium payment. This retroactive period will not exceed 60 days before the date we mail you a notice confirming termination of membership. If we do not receive Premium payment on or before the last day of the month preceding the month of coverage, we will send a Notice of Termination (notice of nonreceipt of payment) to the Subscriber in accord with "Notices" in the "Miscellaneous Provisions" section. We will mail this notice at least 15 days before any termination of coverage and it will include the following information:

- A statement that we have not received full Premium payment and that we will terminate the memberships of everyone in your Family for nonpayment if we do not receive the required Premiums within 15 days after the date we mailed the notice confirming termination of membership
- The date and time when the memberships of everyone in your Family will end if we do not receive the Premiums

We will terminate your Family's memberships if we do not receive payment within 15 days of the date we mailed the Notice of Termination (notice of nonreceipt of payment). We will mail a notice confirming

termination of membership, which will inform you of the following:

- That we have terminated the memberships of everyone in your Family for nonpayment of Premiums
- The date and time when the memberships of everyone in your Family ended
- Information explaining whether or not you can reinstate your memberships

Reinstatement of your membership after termination for nonpayment of Premiums.

If we terminate your membership for nonpayment of Premiums, we will permit reinstatement of your membership twice during any 12-month period if we receive the amounts owed within 15 days of the date the notice confirming termination of membership was mailed to you. We will not reinstate your membership if you do not obtain reinstatement of your terminated membership within the required 15 days, or if we terminate your membership for nonpayment of Premiums more than twice in a 12-month period.

Termination of Cal-COBRA coverage. Cal-COBRA coverage continues only upon payment of applicable monthly Premiums to us at the time we specify, and terminates on the earliest of:

- The date your Group's *Agreement* with us terminates (you may still be eligible for Cal-COBRA through another Group health plan)
- The date you become entitled to Medicare
- The date your coverage begins under any other group health plan that does not contain any exclusion or limitation with respect to any pre-existing condition you may have (or that does contain such an exclusion or limitation, but it has been satisfied)
- The date that is 36 months after your original COBRA effective date (under this or any other plan)
- The date your membership is terminated for nonpayment of Premiums as described under "Termination for nonpayment of Cal-COBRA Premiums" in this "Continuation of Membership" section

Note: If the Social Security Administration determined that you were disabled at any time during the first 60 days of COBRA coverage, you must notify your Group within 60 days of receiving the determination from Social Security. Also, if Social Security issues a final determination that you are no longer disabled in the 35th or 36th month of Group continuation coverage, your Cal-COBRA coverage will end the later of: (1) expiration of 36 months after your original COBRA effective date, or

(2) the first day of the first month following 31 days after Social Security issued its final determination. You must notify us within 30 days after you receive Social Security's final determination that you are no longer disabled.

Group responsibilities. If your Group's agreement with a health plan is terminated, your Group is required to provide written notice at least 30 days before the termination date to the persons whose Cal-COBRA coverage is terminating. This notice must inform Cal-COBRA beneficiaries that they can continue Cal-COBRA coverage by enrolling in any health benefit plan offered by your Group. It must also include information about benefits, premiums, payment instructions, and enrollment forms (including instructions on how to continue Cal-COBRA coverage under the new health plan). Your Group is required to send this information to the person's last known address, as provided by the prior health plan. Health Plan is not obligated to provide this information to qualified beneficiaries if your Group fails to provide the notice. These persons will be entitled to Cal-COBRA coverage only for the remainder, if any, of the coverage period prescribed by Cal-COBRA.

Uniformed Services Employment and Reemployment Rights Act (USERRA)

If you are called to active duty in the uniformed services, you may be able to continue your coverage under this *Evidence of Coverage* for a limited time after you would otherwise lose eligibility, if required by the federal USERRA law. You must submit a USERRA election form to your Group within 60 days after your call to active duty. Please contact your Group to find out how to elect USERRA coverage and how much you must pay your Group.

Coverage for a disabling condition

If you became totally disabled after December 31, 1977, while you were a Member under your Group's *Agreement* with us and while the Subscriber was employed by your Group, and your Group's *Agreement* with us terminates, coverage for your disabling condition will continue until any one of the following events occurs:

- 12 months have elapsed
- You are no longer disabled
- Your Group's *Agreement* with us is replaced by another group health plan without limitation as to the disabling condition

Your coverage will be subject to the terms of this *Evidence of Coverage*, including Cost Sharing.

For Subscribers and adult Dependents, "totally disabled" means that, in the judgment of a Medical Group physician, an illness or injury is expected to result in death or has lasted or is expected to last for a continuous period of at least 12 months, and makes the person unable to engage in any employment or occupation, even with training, education, and experience.

For Dependent children, "totally disabled" means that, in the judgment of a Medical Group physician, an illness or injury is expected to result in death or has lasted or is expected to last for a continuous period of at least 12 months and the illness or injury makes the child unable to substantially engage in any of the normal activities of children in good health of like age.

To request continuation of coverage for your disabling condition, you must call our Member Service Call Center within 30 days of the date your Group's *Agreement* with us terminates.

Conversion from Group Membership to an Individual Plan

After your Group notifies us to terminate your membership, we will send a termination letter to the Subscriber's address of record. The letter will include information about options that may be available to you to remain a Health Plan member.

Kaiser Permanente Conversion Plan

If you want to remain a Health Plan member, one option that may be available is an individual plan called "Kaiser Permanente Individual–Conversion Plan." You may be eligible to enroll in our Individual–Conversion Plan if you no longer meet the eligibility requirements described under "Who Is Eligible" in the "Premiums, Eligibility, and Enrollment" section. Also, if you enroll in Group continuation coverage through COBRA, Cal-COBRA, or USERRA, you may be eligible to enroll in our Individual–Conversion Plan when your Group continuation coverage ends. The premiums and coverage under our Individual–Conversion Plan are different from those under this *Evidence of Coverage*.

To be eligible for our Individual–Conversion Plan, there must be no lapse in your coverage and we must receive your enrollment application within 63 days of the date of our termination letter or of your membership termination date (whichever date is later). To request an application, please call our Member Service Call Center.

If we approve your enrollment application, we will send you billing information within 30 days after we receive

your application. You must pay the bill within 45 days after the date we issue the bill. Because your coverage under our Individual–Conversion Plan begins when your Group coverage ends (including Group continuation coverage), your first payment to us will include coverage from when your Group coverage ended through our current billing cycle. You must send us the premium payment by the due date on the bill to be enrolled in our Individual–Conversion Plan.

You may not convert to our Individual–Conversion Plan if any of the following is true:

- You continue to be eligible for coverage through your Group (but not counting COBRA, Cal-COBRA, or USERRA coverage)
- Your membership ends because your Group's *Agreement* with us terminates and it is replaced by another plan within 15 days of the termination date
- We terminated your membership under "Termination for Cause" in the "Termination of Membership" section
- You live in the service area of a Region outside California, except that the Subscriber's or the Subscriber's Spouse's otherwise-eligible children may be eligible to be covered Dependents even if they live in (or move to) the service area of a Region outside California (please refer to "Who Is Eligible" in the "Premiums, Eligibility, and Enrollment" section for more information)

HIPAA and other individual plans

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) protects health care coverage for workers and their families when they change or lose their jobs. If you lose group health care coverage and meet certain criteria, you are entitled to purchase individual (nongroup) health care coverage from any health plan that sells individual health care coverage.

Every health plan that sells individual health care coverage must offer individual coverage to an eligible person under HIPAA. The health plan cannot reject your application if you are an eligible person under HIPAA, you agree to pay the required premiums, and you live or work inside the plan's service area. To be considered an eligible person under HIPAA, you must meet the following requirements:

- You have 18 or more months of creditable coverage without a break of 63 days or more between any of the periods of creditable coverage or since the most recent coverage was terminated

- Your most recent creditable coverage was under a group, government, or church plan (COBRA and Cal-COBRA are considered group coverage)
- You were not terminated from your most recent creditable coverage due to nonpayment of premiums or fraud
- You are not eligible for coverage under a group health plan, Medicare, or Medicaid (Medi-Cal)
- You have no other health care coverage
- You have elected and exhausted any continuation coverage you were offered under COBRA or Cal-COBRA

For more information (including premiums and complete eligibility requirements), please refer to the Kaiser Permanente HIPAA Individual Plan evidence of coverage. To request a copy of the HIPAA Individual Plan evidence of coverage or for information about other individual plans, such as Kaiser Permanente for Individuals and Families plans, please call our Member Service Call Center.

Miscellaneous Provisions

Administration of Agreement

We may adopt reasonable policies, procedures, and interpretations to promote orderly and efficient administration of your Group's *Agreement*, including this *Evidence of Coverage*.

Advance directives

The California Health Care Decision Law offers several ways for you to control the kind of health care you will receive if you become very ill or unconscious, including the following:

- A *Power of Attorney for Health Care* lets you name someone to make health care decisions for you when you cannot speak for yourself. It also lets you write down your own views on life support and other treatments
- *Individual health care instructions* let you express your wishes about receiving life support and other treatment. You can express these wishes to your doctor and have them documented in your medical chart, or you can put them in writing and have that included in your medical chart

To learn more about advance directives, including how to obtain forms and instructions, contact your local Member Services Department at a Plan Facility. You can

also refer to *Your Guidebook* for more information about advance directives.

Claims review authority

We are responsible for determining whether you are entitled to benefits under this *Evidence of Coverage* and we have the discretionary authority to review and evaluate claims that arise under this *Evidence of Coverage*. We conduct this evaluation independently by interpreting the provisions of this *Evidence of Coverage*. If this *Evidence of Coverage* is part of a health benefit plan that is subject to the Employee Retirement Income Security Act (ERISA), then we are a "named fiduciary" to review claims under this *Evidence of Coverage*.

ERISA notices

Coverage for Services described in these notices is subject to all provisions of this *Evidence of Coverage*.

Newborns' and Mother's Health Protection Act.

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any

hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Women's Health and Cancer Rights Act. If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act. For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for all stages of reconstruction of the breast on which the mastectomy was performed, surgery and reconstruction of the other breast to produce a symmetrical appearance, prostheses, and treatment of physical complications of the mastectomy, including lymphedemas. These benefits will be provided subject to the same Cost Sharing applicable to other medical and surgical benefits provided under this plan.

Governing law

Except as preempted by federal law, this *Evidence of Coverage* will be governed in accord with California law and any provision that is required to be in this *Evidence of Coverage* by state or federal law shall bind Members and Health Plan whether or not set forth in this *Evidence of Coverage*.
