

# Vision

The Citigroup Vision Benefit Plan (the “Vision Plan”) offers a variety of routine vision care services and supplies.

## When you can enroll in and/or make changes to Vision Coverage

You may enroll in the Vision Plan as a new hire or during annual enrollment. Your election is generally in effect from your eligibility date through the end of the calendar year. You can change your election during the year if you have a qualified change in status, as described in the “Eligibility and Participation” section.

When you enroll in the Vision Plan, you will receive two ID cards in the mail.

The Vision Plan offers both network and out-of-network benefits. For example, you can obtain an annual eye exam from a network provider while purchasing frames and lenses out of network. However, before taking a prescription from one vendor to be filled at another vendor, you should confirm that the prescription will be honored by contacting Aetna Vision.

The Vision Plan is fully insured and is underwritten by Aetna Life Insurance Company. Certain claims administration services are provided by First American Administrators, Inc., and certain network administration services are provided through EyeMed Vision Care, LLC.

For more information on the vision coverage available, see the Aetna Vision Plan fact sheet.

## In-Network Services

To receive the greatest value for your dollar, you should receive vision care services from an Aetna Vision network provider. However, you can use out-of-network providers and still receive a benefit.

In-network providers are licensed physicians in your area who have contracted to provide vision care services at a discount. You and your covered family members can select a different Aetna Vision network provider each time you receive vision care services.

Your physician may apply to join the Aetna provider network by calling EyeMed at **1 (800) 521-3605**. Membership in the network is not guaranteed.

## Using In-Network Providers

To find an in-network provider in your area and schedule an appointment, follow these instructions:

- > Visit Aetna Navigator at **www.aetna.com** or visit **www.aetnavision.com** and enter the employee's member ID number.
- > You may also call the Vision Plan at **1 (877) 787-5354**. An automated voice response unit (available 24/7) or a Member Services representative (available from 7:30 a.m. to 11 p.m. ET, Monday through Saturday, and 11 a.m. to 8 p.m. on Sunday) will assist you.

Once you have obtained the name of a provider in the Aetna network, call him or her to schedule an appointment and provide the Citi member ID number. If you are calling for services for a covered dependent, you will need to provide your dependent's date of birth.

**Note:** Claim forms are not required when obtaining services from in-network providers. However, you must submit a claim if you are receiving services out of network. Visit "Out-of-Network Benefits" on page 231 for more information on submitting a claim.

The U.S. Laser Network is comprised of more than 500 provider locations, including *LasikPlus* Vision Centers nationwide, and offers a broad choice of the latest technologies in the industry.

The list of physicians and facilities performing laser vision correction is different from the routine vision provider listing. For more information about laser vision correction, call the Vision Plan at **1 (877) 787-5354** or visit [www.eyemedlasik.com](http://www.eyemedlasik.com).

Below is a partial list of exclusions and limitations. For additional details about exclusions and limitations, call the Vision Plan at **1 (877) 787-5354** or visit **[www.aetnavision.com](http://www.aetnavision.com)**.

- > Special vision procedures, such as orthoptics, vision therapy, or vision training;

- > An eye exam that is required by an employer as a condition of employment, that an employer is required to provide under a labor agreement, or that is required by any law of a government;
- > The cost of prescription sunglasses in excess of the amount that would be covered for non-tinted lenses;
- > Replacement of lost, stolen, or broken prescription lenses or frames; and
- > Any exams given during your stay in a hospital or another facility for medical care.

Other exclusions and limitations may apply.

## Complaints

---

If you are dissatisfied with the service you receive from the Vision Plan or want to complain about a provider, you may write to Aetna Customer Service within 30 calendar days of the incident.

Aetna Inc.  
151 Farmington Avenue  
Hartford, CT 06156

You must include a detailed description of the matter and include copies of any records or documents that you think are relevant to the matter.

Aetna will review the information and provide a written response within 30 calendar days of receipt of the complaint, unless additional information is needed and the information cannot be obtained within this period. The notice of the decision will tell you what to do to seek an additional review.

## Claims and Appeals

---

Aetna will make an appeal decision within 30 days with one 15-day extension available if notice of the need for an extension is given within 30 days. Aetna must also give notice that more information is needed within 30 days after the claim is filed. You will then have 45 days to submit any additional information needed to process the claim.

See "Out-of-Network Benefits" on page 231 for more information on submitting a claim.

## Appeals Process

If Aetna notifies you of an adverse benefit determination — that is, a denial, reduction, termination of, or failure to provide or make payment (in whole or in part) for a service, supply or benefit — you may submit an appeal.

An adverse benefit determination may be based on:

- > Your eligibility for coverage;
- > The results of any utilization review activities;
- > A determination that the service or supply is experimental or investigational;
- > A determination that the service or supply is not medically necessary; or
- > Contractual issues.

The Vision Plan provides two levels of appeal. It will also provide an option to request an External Review of the adverse benefit determination.

You have 180 calendar days following receipt of notice of an adverse benefit determination to request your first-level appeal. Your appeal may be submitted in writing and should include:

- > Your name;
- > Your employer's name;
- > A copy of Aetna's notice of an adverse benefit determination;
- > Your reasons for making the appeal; and
- > Any other information you would like to have considered.

You may file your appeal in writing or by telephone:

- > In writing: Send your appeal to Customer Service at the address on your Aetna Vision Plan ID card; or
- > By telephone: Call the Aetna Vision Plan at **1 (877) 787-5354**.

You may also choose to have another person (an authorized representative) make the appeal on your behalf by providing written consent to Aetna.

### *First-Level Appeal*

A first-level appeal of an adverse benefit determination shall be made by Aetna personnel who were not involved in making the adverse benefit determination.

Aetna shall issue a decision within 30 calendar days of receipt of the request for an appeal.

### *Second-Level Appeal*

If Aetna upholds an adverse benefit determination at the first-level of appeal, you or your authorized representative has the right to file a second-level appeal. The appeal must be submitted within 60 calendar days following receipt of notice of a first-level appeal.

A second-level appeal of an adverse benefit determination of an urgent care claim, a preservice claim, or a post-service claim shall be made by Aetna personnel who were not involved in making the adverse benefit determination.

Aetna shall issue a decision within 30 calendar days of receipt of the request for a second-level appeal.

## *Exhaustion of Process*

You must exhaust the applicable first-level and second-level processes of the Aetna appeal procedure before you do any of the following regarding an alleged breach of the policy terms by Aetna Life Insurance Company or any matter within the scope of the appeals procedure:

- > Contact your state's Department of Insurance to request an investigation of a complaint or appeal;
- > File a complaint or appeal with your state's Department of Insurance; or
- > Establish any litigation, arbitration, or administrative hearing.

## External Review

Aetna may deny a claim because it determines that the care is not appropriate or a service or treatment is experimental or investigational in nature. In either of these situations, you may request an External Review if you or your provider disagrees with Aetna's decision. An External Review is a review by an independent physician, selected by an External Review Organization, who has expertise in the problem or question involved.

To request an external review, all following requirements must be met:

- > You have received notice of Aetna's denial of a claim;
  - > Your claim was denied because Aetna determined that the care was not medically necessary or was experimental or investigational;
  - > The cost of the service or treatment in question for which you are responsible exceeds \$500; and
  - > You have exhausted the applicable internal appeals processes.
- > Aetna's claim denial letter will describe the process to follow if you wish to pursue an external review, including a copy of the Request for External Review Form.

You must submit the Request for External Review Form to Aetna within 60 calendar days of the date you received the final claim-denial letter. You must also include a copy of the final claim-denial letter and all other pertinent information that supports your request.

Aetna will contact the Independent Review Organization that will conduct the review of your claim. The Independent Review Organization will select a physician reviewer with appropriate expertise to perform the review. In making a decision, the External Reviewer may consider any appropriate credible information that you send along with the Request for External Review Form and will follow Aetna's contractual documents and plan criteria governing the benefits.

You will be notified of the decision of the Independent Review Organization usually within 30 calendar days of Aetna's receipt of your request form and all necessary information. A quicker review is possible if your physician certifies (by telephone or on a separate Request for External Review Form) that a delay in receiving the requested service or supply would endanger your health. Expedited reviews are decided within three to five calendar days after Aetna receives the request.

Aetna will abide by the decision of the independent reviewer, except where Aetna can show conflict of interest, bias, or fraud.

You are responsible for the cost of compiling and sending to Aetna the information that you wish to be reviewed by the Independent Review Organization. Aetna is responsible for the cost of sending this information to the Independent Review Organization and for the cost of the external review.

For more information about Aetna's External Review program, call the Vision Plan at **1 (877) 787-5354**.
