# The Live Well at Citi Program

The Live Well at Citi Program is designed to help you and your family to improve your health. The program provides tools and resources to help you manage your health care and help you achieve your health goals.

As an incentive to participate in the program, you can also earn valuable Live Well Rewards, either in the form of reductions to your medical premiums or gift cards, or both — depending on whether you are enrolled in a Citi medical plan (details below).

Earn Live Well Rewards all year long by completing healthy activities. The benefits of the Live Well at Citi Program vary by location; however, here are the components of the Live Well at Citi Program open to all U.S. employees:

## Get Excited About Living Well!

## Health Advocate

Health Advocate is a free program available to you *and* your family — your spouse/partner, children, parents and parents-in-law — regardless of your health coverage. You and your family members do not need to be enrolled or eligible to participate in a medical plan offered by Citi to use Health Advocate.

Health Advocate helps you take control of your health care issues. You and your family can call Health Advocate to speak with a staff of medical professionals and health-related specialists to help you:

- Resolve insurance claims and billing issues;
- Identify and make appointments with a hard-to-reach specialist;
- Obtain additional information about a medical condition;
- Address medical issues and the health care needs of your family members; and
- Understand issues related to prescription drugs, such as comparisons between generic and brand-name medications.

### Health Advocate's Health Cost Estimator+™ (HCE+) Tool

Health Advocate's Health Cost Estimator+ (HCE+) tool is a phone-based resource that helps you compare costs of medical services and procedures.

Many people do not realize that the cost of a medical procedure can vary by over 100%, even within the same geographic area. With consumers picking up more of the cost of their health care, they need clear, actionable, preservice information to help project their out-of-pocket costs.

Health Advocate's HCE+ pricing transparency tool compares the costs of hundreds of common health care services and procedures by ZIP code. This valuable resource is designed to help you in the decision-making process so you can maximize the value of your health care dollars and reduce health care costs.

#### Easy Access

Available free to all Citi employees (regardless of whether you are enrolled in a medical plan), the HCE+ tool can be accessed by calling a Personal Health Advocate at 1 (866) 449-9933, who will perform the research and provide personalized results.

## Live Well Health Assessment

The Live Well Health Assessment is a brief online questionnaire that provides a snapshot of your current health status. After completing the Health Assessment, you will receive recommendations about ways to improve your health.

The Live Well Health Assessment is available to benefits eligible employees. You do not need to be enrolled in a medical plan offered by Citi to participate. Spouses/partners may also complete the Live Well Health Assessment, but only if they are enrolled in a medical plan offered by Citi.

## Wellness Benefits

Once you register with Virgin Pulse, you can take the Health Assessment right from your phone. Or, access the Health Assessment by visiting Your Benefits Resources™ (YBR™), available through My Total Compensation and Benefits. The Live Well Health Assessment is a simple, secure online questionnaire that takes about 15 minutes to complete. It immediately generates a personalized report summarizing your health. You can use the report to discuss concerns with your doctor, as a checklist of questions to ask or to update your doctor on your health status; for example, if any signs or symptoms are worsening.

## Live Well Healthy Activities

The Live Well at Citi Program offers a number of resources to help you develop and maintain healthy habits. Live Well Healthy Activities, offered through Virgin Pulse, include supportive online programs and tools that can help you achieve your wellness goals.

Virgin Pulse provides access to great programs like:

- Phone coaching
- My Care Checklist
- Health Assessment
- Journeys® Digital Coaching
- Healthy Habit and Activity Tracking – you can sync a device or app for automatic tracking
- Tobacco cessation.

You'll also get programs, challenges and features that give you the choice, support and flexibility you need to reach your wellness goals like:

- **Incentive Opportunities:** Access the many new activities offered by Virgin Pulse to earn rewards daily, weekly, and even monthly for things you do every day, like walking, working out, tracking calories and even sleeping!
- **Daily Cards:** Complete your cards every day and get quick tips that are personalized to your specific goals.
- **Challenges:** Participate in Personal Healthy Habit Challenges, Personal Step Challenges and Team Challenges. Set up challenges for yourself or gather a small group of team members or friends, and start your own group challenge whenever you want!
- **Rewards Options:** Redeem your wellness rewards through an expanded list of gift card options or donate your earned dollars to charities.

Use the Virgin Pulse best-in-class app to customize your wellness activities to meet your individual interests and health goals. Sync your phone or tracking device and receive daily alerts and tips to help you complete your activities and earn incentives when and wherever it works for you.

Visit the Live Well at Citi page for more details on how to register, download the app and earn rewards through healthy activities.

### *Live Well Tobacco Cessation Program*

The Live Well Tobacco Cessation Program is available to active, benefits eligible employees and their benefits eligible spouses/partners (regardless of whether they are enrolled in a Citi medical plan).

If you choose the Health Coaching option, your coach will work with you to identify the challenges you face when quitting and set goals to overcome them. You and your spouse/partner may be eligible for free nicotine replacement therapy (NRT). If you have stopped using tobacco products recently, a health coach can help you keep your commitment to being tobacco-free.

Program representatives may reach out to those who have indicated on their Live Well Health Assessment that they use tobacco products or have stopped using tobacco products within the past 12 months, but you do not need to wait to be invited. To get started, log on to the Virgin Pulse platform or call Virgin Pulse at **1 (855) 814-5595**.

You can also complete a Journey<sup>®</sup> digital coaching focused on quitting tobacco use. (See below.)

#### **Tobacco Free Attestation**

If you and your spouse/partner are enrolled in Citi medical coverage for 2022, during Annual Enrollment you will have the opportunity to complete the Tobacco Free Attestation on Your Benefits Resources™. If during that time you indicate that you use tobacco products (including vapor products and all forms of smokeless tobacco products) or if you fail to complete the Tobacco Free Attestation before your enrollment deadline, you and your covered spouse/partner will each pay a \$600 annual penalty on your health care coverage.

If you participate in the Live Well Tobacco Cessation Program in 2022 and you're paying the tobacco penalty, you'll stop once you complete the Live Well Tobacco Cessation Program through Virgin Pulse (within one to two pay cycles of program completion). You will also receive a refund of the tobacco penalty payments that were made before you completed the Tobacco Cessation Program.

**Note:** If you are age 18 or over and are enrolled in the Citi medical coverage, you may be eligible to receive generic over-the-counter and generic prescription drugs, or Chantix smoking cessation products at no cost to you.

**IMPORTANT:** Even if you plan to continue with your current Citi medical plan, you **must** complete the Tobacco Free Attestation before your Annual Enrollment deadline or you will default to "tobacco user" status and will pay the tobacco penalty in 2022.

### *Journeys<sup>®</sup> Digital Coaching*

Digital coaching tools are online wellness programs, tailored to your interests that can help you make progress on health topics of your choosing by taking small steps toward your goals. The digital coaching tools can be accessed over the web or via your mobile device.

Want to exercise more? Better manage a health issue? You can use our digital coaching tool, Journeys, to make simple changes to your health, one small step at a time. You will earn Pulse Points when you complete a journey step and finish a whole journey.

### *Connect a Fitness Tracker*

Sign up for a Virgin Pulse account online at <https://landing.virginpulse.com/LiveWell> or download the Virgin Pulse app to your Apple or Android smartphone. Connect your phone or a fitness tracker to get credit for your steps, active minutes and sleep. You can sync many devices and apps (Apple Watch, Fitbit, Apple Health, Google Health, etc.)

### *Health Coaching*

Virgin Pulse health coaches are certified experts, who will work with you by phone to help answer your health questions, provide support in overcoming obstacles and help set small goals to work on between sessions. Choose from topics including managing blood pressure, cholesterol, diabetes, stress and more.

## Wellness Benefits

### *Included Health: Expert Guidance. Expert Care.*

You don't have to be enrolled in Citi medical coverage to use this free service. Included Health provides you and your family members with expert medical opinions and support to help ensure you always receive the best care possible. Whether you need help finding the best physician in your area, information about a new diagnosis or treatment or support deciding if surgery is right for you, Included Health will assist you with such decisions. Included Health works with top doctors and specialists across the country and identifies the highest quality physicians for your unique needs.

Use Included Health any time, but especially if you need a second opinion on a new or long-term health issue or treatment plan. Sign up by visiting <https://includedhealth.com/livewell> Just follow the instructions for registering.

### *My Care Checklist*

Keeping up with preventive care means fewer sick days, feeling your best and stopping costly conditions before they start. My Care Checklist is an easy way to keep track of your personal information and healthcare history, and remind you when you are due for well visits, routine screenings and vaccinations.

### **Sleepio**

Sleepio is an online sleep improvement program proven to help you clear your mind, improve your sleep, and have better days. Sleepio takes your unique needs and builds you a personalized six-week program, with sessions that guide you step by step through evidence-based methods. In about 20 minutes per week, you can quiet your racing mind, reshape behaviors, and get better sleep.

Sleepio has been rigorously studied for safety and efficacy just like any sleep medication a doctor would prescribe. In 12 randomized controlled trials with over 13,000 people, Sleepio was proven to help participants fall asleep 54% faster, spend 62% less time awake at night, and have 45% better functioning the next day.

This service is free to all Citi employees, regardless of whether you are enrolled in a Citi medical plan. However, your spouses/partners must be enrolled in a Citi medical plan to utilize Sleepio's services. Learn more about Sleepio online at [www.sleepio.com/livewell](http://www.sleepio.com/livewell), or email your questions to Sleepio customer service at [hello@sleepio.com](mailto:hello@sleepio.com).

### *Transform Diabetes Care*

If you and your family are enrolled in a Citi medical plan and you or a family member has diabetes, you can participate in CVS's Transform Diabetes Care program. The program offers highly individualized support to help three key components:

- Blood glucose control through a connected blood glucose meter. A trained professional will follow-up with you if you have an out-of-range reading. Your results and a health summary report can be shared with your health care providers. ;
- Medication management including one-on-one counseling with a CVS pharmacist, notifications to your health care provider about gaps in your therapy and how to resolve the problem and medication management support tools; and
- Condition management including coaching with Certified Diabetes Educator, MinuteClinic diabetes preventive monitoring visits with results logged into your electronic health record, personalized educational tips and motivational messages integrated into your blood glucose meter and actionable health messaging delivered on your prescription bag label.

This approach encourages more frequent blood glucose checks, provides just-in-time outreach from Certified Diabetes Educators and automates the often-cumbersome task of ordering supplies and manually tracking blood glucose readings. Most importantly, participants receive personalized, real-time information that can enable more confident self-management and improved glycemic control.

### *Fertility Support*

WINFertility offers industry leading fertility management services to help Anthem members receive the highest quality care and personal support along their fertility journey. If you're enrolled in an Anthem medical plan, you or your Anthem-enrolled spouse/partner can register with WINFertility to earn Pulse Points (one reward per program year).

### *Download the Anthem Engage App*

The Anthem Engage app can help you take charge of your health and well-being. For example, you can check what is covered under your medical plan and how much services will cost to help you make more confident health care decisions. If you are enrolled in Citi's Anthem medical plan and registering your online account for the first time, be sure to register on the Engage app to earn Pulse Points.

### *Chronic Condition Management Programs*

The Live Well Chronic Condition Management Program can help you manage a chronic condition, such as heart disease or diabetes. If you are invited to participate, you will work with a nurse from your medical plan and also earn Pulse Points up to once a plan year (must be enrolled in Citi's Anthem or Aetna plan).

### *Maternity Care Management*

Having support during your pregnancy can help provide a healthy start for both you and your baby. If you're enrolled in an Aetna or Anthem medical plan, complete a risk survey (Aetna) or an initial risk assessment (Anthem) and earn Pulse Points.

### *Take Advantage of Telehealth*

Telehealth allows you to speak by phone or video with a board-certified doctor 24/7 for a diagnosis on minor, short-term issues, such as a fever or the flu. If you are enrolled in an Aetna or Anthem medical plan, visit the Teladoc website (Aetna) or LiveHealthOnline website (Anthem) to register for telehealth today. You'll earn Pulse Points when you register and when you complete a telehealth session (one session reward per program year).

## Live Well Chronic Condition Management Programs

The Aetna and Anthem BlueCross BlueShield medical plans offered by Citi include access to Live Well Chronic Condition Management Programs for certain members. If you or a covered dependent meets program condition criteria, a nurse from your medical plan may invite you to participate. These programs can help you navigate different care options and manage your treatment plan for many common conditions. Sample management programs include:

- Disease and chronic condition assistance (e.g., breast cancer, COPD, diabetes);
- Pregnancy care;
- NurseLine;
- And more.

Specific program details will vary based on your medical plan. Call the number on the back of your medical ID card for details about the Live Well Chronic Condition Management Programs that may be available to you.

## Wellness Benefits

<i>More Opportunities to Earn Rewards</i>	<ul style="list-style-type: none"> <li>Register for Included Health and get a second opinion</li> <li>Register for telehealth and complete one session</li> <li>Take advantage of LiveWell Chronic Managed Care Programs</li> <li>And more!</li> </ul>		Selected employees and spouses/partners enrolled in a Citi medical plan administered by Aetna or Anthem BlueCross BlueShield

\* "Spouse/partner" includes legal spouse (regardless of gender, gender identity or expression), domestic partner and civil union partner.

After you take the Health Assessment, start completing Healthy Activities to earn Rewards.

All Citi employees, regardless of whether they are enrolled in a Citi medical plan and spouses/partners who are enrolled in a Citi medical plan can participate in healthy activities to accumulate Live Well Rewards points.

By completing healthy activities each quarter, you'll accumulate Virgin Pulse Points to unlock four levels of rewards—worth \$70 each quarter—up to \$280 a year! Plus, look out for instant opportunities to earn and improve your health when you participate in Global Community Day Reimagined, complete a health screening and more!

Look for “How to Earn” under the Home tab on web or click Rewards and ‘Learn how to Earn More Points’ on mobile for a complete list.

Each quarter, you can earn:

	Level 1	Level 2	Level 3	Level 4	
<i>Pulse Points</i>	1,000 points	5,000 points	12,000 points	20,000 points	<b>Total Reward for the quarter (“Q”):</b>
<i>Live Well Reward</i>	\$10	\$15	\$20	\$25	<b>\$70</b>

Maximum Live Well Rewards earned by unlocking levels per year can be \$280 (\$70 X 4 quarters) plus any instant awards available throughout the year.

**Example:**

- If you reach Level 3 (12,000 points) in Q1, you will earn \$45 in rewards (Level 1 = \$10 + Level 2 = \$15 + Level 3 = \$20).
- At the end of Q1, your points will reset and you will begin Q2 with 0 points.
- If you reach Level 4 (20,000 points) in Q2 you will earn \$70 in rewards (Level 1 = \$10 + Level 2 = \$15 + Level 3 = \$20 + Level 4 = \$25) on top of the \$45 you earned in Q1.

Remember you can earn up to \$70 in rewards each quarter – that’s a maximum of \$280 in rewards each year for unlocking levels.

For more details about each incentive visit <https://www.citibenefits.com/Well-Being/Live-Well-at-Citi-Program#Overview>.

**Important Things to Note**

- You can receive health plan premium discounts for completing your Live Well Health Assessment and attesting to being tobacco-free. If you are not enrolled in a Citi medical plan, you can earn \$100 in gift cards by completing the Live Well Health Assessment.
- You can also earn gift card Rewards throughout the year for completing activities and earning points Choose from a wide selection of gift cards to many popular retailers as well as the option to donate your Live Well Rewards to a number of different charities. Gift cards are considered taxable income. To compensate for the tax, Citi will “gross up” or issue payments approximating any tax you’ll pay.
- You are eligible for the Health Assessment Reward if you were transferred from a Citi International Business or newly hired before October 1, 2022. You will see the Reward displayed on YBR™ within 48 hours.
- Participants must comply with these deadlines to receive Rewards or avoid the tobacco penalty. (If you are enrolling your spouse/partner in Citi Benefits for the first time in 2023, your spouse/partner can earn a Live Well Reward of \$100 by completing the Health Assessment by November 15, 2022.)
- If you use tobacco products, you will stop paying the penalty once you complete the Live Well Tobacco Cessation Program through Virgin Pulse, either with a tobacco-cessation health coach or online through one of the tobacco-cessation-focused Journeys. The penalty will be removed as soon as administratively possible. You will receive a full refund of all penalty payments once the program is completed. In order to have your 2023 tobacco penalty payments stopped and receive your \$600 refund, you must complete the Tobacco Cessation Program either by working with a health coach or by completing a tobacco-cessation-focused Journey by September 30, 2023.

## Wellness Benefits

- Immunizations or a test for tuberculosis before starting a college program or community service program.

## Citi On-Site Fitness Centers

---

All Citi Fitness Centers (CFCs) are staffed by degreed fitness professionals who work closely with employees to create customized exercise programs and work together to plan and achieve individual fitness goals. Employees in locations with on-site CFCs who desire membership must complete a health and entry screening process that includes two short appointments during which medical history, program policy, safety, goals and equipment operations are reviewed.

Members are then provided with information and recommendations about frequency, duration, mode and intensity of an individualized exercise program. Fitness center staff members are available and ready to assist with program updates and changes throughout your visits to Citi facilities.

All Citi fitness facilities feature strength and cardiovascular equipment, and most offer a variety of group exercise classes at no additional charge.

CFCs frequently offer motivational or incentive programs; screenings, such as cholesterol, blood pressure and skin cancer; and site-wide events to educate and motivate employees toward healthy lifestyle changes and maintenance.

Most of the CFCs offer towel service at no additional charge, and some offer other services, such as massage therapy, nutrition programming and/or personal training for a fee.

The CFCs have a fee structure that is very competitive with the surrounding geographic area and that typically is well below market rates for similar operations and facilities. For membership fee rates or other information about the CFC, such as hours of operation, group exercise class schedules, equipment offered and upcoming events or news, visit your local CFC or the Live Well at Citi Collaborate site and link to your CFC of interest. Follow Live Well at Citi on Collaborate.

Citi operates On-Site Fitness Centers in the following US locations:

New York (388 Greenwich St.), NY; Florence, KY; Irving and San Antonio, TX; Jacksonville and Tampa, FL.
