

Spending accounts

Spending accounts allow you to pay for certain health care, dependent day care, and transportation and parking expenses with before-tax contributions from your pay:

- > **Health Care Spending Account (HCSA):** Use the HCSA to pay for certain health care expenses for you and your qualified dependents that are not paid by any medical, dental, or vision plan. You are eligible to enroll in the HCSA if you are not enrolled in the High Deductible Health Plan (HDHP). If you enroll in the HDHP, you cannot enroll in the HCSA. If you elect the HDHP due to a qualified change in status and you were previously enrolled in the HCSA, you are allowed to retain the HCSA; however, you cannot continue to make contributions. The establishment of the HCSA precludes you from being eligible to establish a Health Savings Account (HSA) for the remainder of the plan year.
- > **Limited Purpose Health Care Spending Account (LPSA):** Use the LPSA if you are enrolled in the HDHP to pay for dental, vision, and/or preventive care medical expenses for you and your qualified dependents that are not paid by any medical, dental, or vision plan or your HSA.
- > **Dependent Day Care Spending Account (DCSA):** Use the DCSA to pay for certain dependent day care expenses so that you (and your spouse, if applicable) can work or look for work. **Note:** This account cannot be used to pay for health care expenses for your dependents.
- > **Transportation Reimbursement Incentive Program (TRIP):** Use TRIP to pay for the cost of public transportation and parking so you can commute to and from work. **Note:** TRIP is not part of annual enrollment. You can enroll at any time.

Note: For information about the HSA paired with the HDHP, see the “Health Savings Account” in the *Medical* section.

CYC website

The ConnectYourCare (CYC) website available through TotalComp@Citi at **www.totalcomponline.com** makes it easy for you to manage your spending accounts. You can file claims, confirm which expenses are eligible, check your account balance, and more.

How the spending accounts work

Enrolling in the spending accounts

To have continued coverage in the Health Care Spending Account (HCSA), Limited Purpose Health Care Spending Account (LPSA), and/or Dependent Day Care Spending Account (DCSA), you *must* enroll each year. *Your election does not roll over from year to year.*

For the Transportation Reimbursement Incentive Program (TRIP), you can enroll at any time. Before-tax and, if needed, after-tax payroll contributions will be deducted from your pay as soon as administratively possible to pay for your transit and/or parking pass, which must be purchased online.

Once enrolled, you can obtain information about your account on the ConnectYourCare (CYC) website through TotalComp@Citi at www.totalcomponline.com, available from the Citi intranet and the Internet. Contributions to the spending accounts from your pay will be available as follows.

If you enroll during the annual enrollment period or as a newly hired employee:

- > **HCSA and LPSA:** The entire amount of the 2016 contributions you elect will be posted to your account January 1. You can be reimbursed up to the entire amount of your annual contribution at any time during the plan year for incurred expenses, even if the entire 2016 contribution amount has not yet been deducted from your pay.
- > **DCSA:** Contributions will be posted to your account each pay period. You can be reimbursed up to the amount available in your account. The balance of any claim will be paid as additional contributions are deposited into your account.
- > **TRIP:** Contributions will be deducted each pay period to purchase transit and/or parking passes you have selected online.

Changing your contribution amounts

You may change your contributions for the HCSA, LPSA, and DCSA only during annual enrollment or as a result of a qualified change in status.

If you elect to change your goal amount as a result of a qualified change in status, there are some things you need to know:

- > If you *increase* your spending account goal amount, you *cannot* use the additional money to reimburse yourself for your health care expenses incurred *prior* to the date of this qualified change in status. The additional funds will only be available to reimburse those claims with dates of service incurred *after* the effective date of your qualified change in status.
- > If you *decrease* your spending account goal amount, it *will not* result in a refund of deductions withheld by payroll prior to the effective date of the qualified change in status.
- > You are not permitted to decrease your goal amount if you have used all of the available funds in your spending account.

Legal requirement: save your receipts from CYC payment card use

Participants in the HCSA and LPSA will receive a CYC payment card. You have the option of using your CYC payment card to pay for eligible health care expenses or you may pay for health care expenses out-of-pocket and be reimbursed by submitting claims forms (via mail or fax) or submitting your claims online.

If applicable, each time you "swipe" the CYC payment card (described in "Health Care Spending Account (HCSA)" on page 247), be sure to save your receipt in case you are required at a later date to substantiate that your expense was eligible for reimbursement under the Plan. *Per IRS rules, unsubstantiated expenses will be considered taxable income.* If a receipt is needed, you will be notified by email within 30 days of your payment card swipe (with a follow-up reminder mailed to your home address). If there is not a valid email address on file for you, all notification will be sent to your mailing address. You can also review online if your claim requires receipts by visiting the CYC website, available through TotalComp@Citi at **www.totalcomponline.com** and selecting "Payment Card Transactions" from the home page.

You have until June 30, 2017, to resolve any 2016 transactions that require receipts. Resolution of a transaction includes providing any pertinent documentation to establish that a claim is eligible for reimbursement, which may include providing documentation that a service provided in connection with a claim was medically necessary. If you fail to resolve these transactions with ConnectYourCare by the June 30th deadline, the amount of the transaction in dispute that was paid by using your CYC payment card, will be considered an "overpayment," and will be added to the amount of your 2017 earnings. Applicable taxes will be withheld and reported on a Form W-2 at the time year-end tax forms are distributed.

Reimbursements

If you don't use your CYC payment card and submit claim forms (via mail or fax) or submit your claims online for reimbursements, your reimbursements for eligible HCSA/LPSA and DCSA expenses will be deposited directly to your bank account or, if no direct deposit account is on file, sent via check to your address of record. To add direct deposit account information, visit the CYC website, available through TotalComp@Citi at **www.totalcomponline.com**.

If your HCSA or LPSA claim is denied, see "Claims and appeals for the Health Care Spending Account (HCSA)/Limited Purpose Health Care Spending Account (LPSA)" on page 265.

Overpayments

In the event an expense reimbursed by any of the spending accounts is not eligible for reimbursement, you agree to reimburse Citi within 60 days of the original card swipe for any amount owed. In the event that amounts are owed under the HCSA/LPSA, your payment card will be suspended until acceptable documentation (showing that the expense is eligible) or repayment is received. Upon receipt of documentation or repayment, the card will be reactivated within 48 hours. If repayment or acceptable documentation is never received, the funds paid for an ineligible expense may be written off as taxable income and the suspension on the payment card will be lifted.

Tax exemptions

Spending accounts are exempt from all federal income and employment taxes and most state and local taxes. If you live in a state that does not exempt spending contributions from state or local tax, you will be taxed on the benefit. The amount reported as "state wages" on your Form W-2 Wage and Tax Statement for the year of the contribution will be higher than the amount reported for federal wages.

Health Savings Account (HSA) Information

For information about the HSA paired with the HDHP, see the "Health Savings Account" in the *Medical* section.

Health Care Spending Account (HCSA)

You can contribute between \$120 and \$2,550 a year on a before-tax basis to reimburse yourself for eligible out-of-pocket health care expenses. Contributions are taken each pay period before federal and, in most locations, state and local taxes are withheld.

The \$2,550 limit applies to each employee electing to participate in the HCSA. If you and your spouse/partner are both Citi employees, you can each contribute up to \$2,550 to your own HCSA.

You must actively elect to participate in the HCSA during each annual enrollment or within 31 days of a qualified change in status. You may enroll in the HCSA if you are *not* enrolled in the High Deductible Health Plan (HDHP).

If you enroll in the HDHP, you cannot enroll in the HCSA. However, if you enrolled in the HCSA prior to a qualified change in status, then you are permitted to retain the HCSA, even if you elect an HDHP due to a qualified change in status. However, having enrolled in the HCSA precludes you from being eligible to establish or contribute to a HSA for the remainder of the plan year.

You can be reimbursed for expenses incurred only during the time you are enrolled. Generally, you can enroll as a new employee, during the annual enrollment period, or within 31 days of a qualified change in status. However, you cannot enroll in December for the current calendar year.

HCSA claims, including any pertinent supporting documentation to establish that a claim is eligible to be reimbursed, must be filed and resolved by June 30 of the calendar year following the calendar year in which the expense was incurred. Generally, you may change or stop your contributions as a result of a qualified change in status.

The amount of your payroll contributions will appear on your Form W-2 Wage and Tax Statement for the year in which you were enrolled.

In accordance with IRS guidelines, the Plan Administrator may reduce the rate of contribution by certain participants to ensure that the HCSA is not deemed to discriminate in favor of highly compensated employees.

If you are a reservist called to active military duty for more than 179 days, you are entitled to receive a taxable distribution of your HCSA balance (contributions less the amount reimbursed) if you request a distribution by the last day of the calendar year in which you made the contributions.

Rules and features

General rules about expenses

Most health care expenses that the IRS considers deductible on your federal income tax return are eligible for reimbursement from the HCSA, provided the expenses are not reimbursed from any other source.

You can be reimbursed for your expenses or those incurred by anyone you can claim as a dependent on your federal tax return, regardless of whether you or your dependent is covered under any Citi medical, dental, or vision plan.

Estimate expenses conservatively. You cannot receive a refund for contributions intended to reimburse yourself for a surgery or procedure that is later canceled.

Examples of eligible health care expenses

- > Your share of expenses that are not paid by your medical, dental, and/or vision plan, such as deductibles, coinsurance, and copayments;
- > Other charges that exceed what your medical, dental, and/or vision plan will pay, such as charges above maximum allowed amounts or other plan limits;
- > Vision care expenses, such as exams, prescription eyeglasses and sunglasses, prescription contact lenses, and laser surgery, that are not covered by your medical or vision plan;
- > Hearing care expenses, such as exams, hearing aids, and hearing aid batteries that are not covered by your medical plan;
- > Certain equipment and training for disabled individuals;
- > Childbirth classes, such as Lamaze, for up to two people;
- > Chiropractic care that is not covered by your medical plan;
- > Physical therapy, psychiatric therapy, and counseling that are not covered by your medical plan;
- > Cholesterol tests, vaccines, and immunizations that are not covered by your medical plan;
- > Prescription contraceptives and infertility treatments that are not covered by your medical plan;
- > Smoking cessation programs;
- > Certain over-the-counter (OTC) drugs, medicines, and biologicals for which you have a receipt and a prescription (see eligibility requirements below);
- > Medicines prescribed by a physician that your medical plan or prescription drug program does not cover; and
- > Transportation necessary to obtain certain health care services.

OTC drugs, medicines, and biologicals

You may only be reimbursed for over-the-counter medicines and biologicals through your HCSA in instances when a doctor has prescribed the medicine or biologicals or if the medicine is insulin.

Note: You cannot use the CYC payment card to pay for these items. You will need to pay out of pocket and then submit a paper claim along with your receipt and prescription.

Examples of ineligible health care expenses

- > Expenses for which you have been reimbursed from another source, such as Citi's or another employer's medical, dental, and/or vision plan, Medicare, or Medicaid;
- > Elective cosmetic surgery or cosmetic dental work;
- > Vitamins or minerals taken for general health purposes, including those recommended by your physician;
- > Maternity clothes or diaper services;
- > Nursing services to care for a healthy newborn;
- > Household help or custodial care at home or in an institution, even if recommended by your physician;
- > Health club fees, exercise classes, or weight-loss programs for general health purposes, even if recommended by your physician;

- > Cosmetics, toiletries, or toothpaste;
- > Amounts you pay for medical and dental insurance premiums;
- > Over-the-counter items and biologicals for which you do not have a physician's prescription; and
- > Long-term care services including insurance premiums for long-term care insurance.

Special rule for orthodontia claims

Generally, a health care service must be provided during the plan year in order for a claim to be incurred and subject to reimbursement. Orthodontic work usually involves a course of treatment that occurs over a number of plan years. In connection with payments made for orthodontic work, IRS guidance provides that if the actual payment is made in advance of a course of orthodontic treatment, the claim is deemed to be incurred at the time of the advance payment and subject to reimbursement at the time the payment is made without regard to when the actual treatment is provided. If the actual payment is not made in advance, the claim is incurred when the services are provided.

For more information

For more information about eligible expenses, see *IRS Publication 502: Medical and Dental Expenses* at www.irs.gov or contact your tax adviser. You can also call the IRS at **1-800-829-1040**.

Note: The IRS publication is a guideline for use in preparing tax returns; it is not a description of the Citi Plan.

Your ConnectYourCare (CYC) payment card

If you participate in the HCSA or LPSA, you will automatically receive a CYC payment card after you enroll. Your CYC payment card offers the following advantages:

- > If you have both an HSA (due to enrollment in the HDHP) and an LPSA, you'll have one CYC payment card to pay for all eligible health care expenses and funds will be automatically deducted from the right account.
- > With your CYC payment card, you can pay for eligible health care expenses and reduce the need to pay out of pocket.
- > You can call the CYC toll-free number 24 hours a day, to receive help, if you need assistance.

Health Plan claims with CYC

Each time a claim is submitted to your health plan from a health care provider, CYC receives the claim electronically from the plan. (Note: electronic submission is not provided from the HMOs.) If there is no CYC payment card swipe with a matching dollar amount on record, CYC will load the claim into your account for payment so that you can be reimbursed for such claims.

When you don't use your payment card, you can take advantage of CYC's click-to-pay functionality. Simply log on to the CYC website through TotalComp@Citi at www.totalcomponline.com and select "click to pay" to reimburse yourself for an expense that you paid with out-of-pocket funds (rather than using your payment card). The amount of the claim will be passed to CYC from the insurance carrier. If a receipt is needed, you will be notified by email (or by letter sent to your mailing address if there is no email address on file for you) within 30 days.

Visit the CYC website through TotalComp@Citi at www.totalcomponline.com to review your claims information and process reimbursements.

Paying for your expenses out of pocket

For eligible health care expenses that are not submitted from a health care provider to the health plan, you may choose to pay out of pocket, instead of using the CYC payment card, and submit a claim online on the CYC website, or you can submit a paper claim to CYC using the CYC Manual Claim Form. The claim-filing instructions are on the CYC website and the Manual Claim Form. In order for your claim to be reimbursed, you must provide any pertinent documentation to establish that an expense is eligible to be reimbursed. If such information is not provided by the deadline noted below, the funds in your HSCA/LPSA that are in dispute are subject to forfeiture.

Reimbursements

At any time, up until June 30 of the following plan year, you may be reimbursed for eligible expenses up to the total amount you elected to contribute for the plan year. In order for a claim to be deemed an eligible expense to be reimbursed, you must provide any pertinent documentation to establish that a claim is eligible for reimbursement, which may include providing documentation that a service provided in connection with a claim was medically necessary.

Regardless of whether a claim is paid or reimbursed, if you increase your contributions during the plan year because of a qualified change in status, you may pay for claims or be reimbursed for claims from the increased amount only for expenses incurred *after* the date of the qualified change in status.

Submitting 2015 Claims

Keep in mind, that claims for expenses incurred in 2015 must be submitted by June 30, 2016 to Your Benefits Resources™ (YBR™). Your 2015 claims can be submitted online via the YSA™ website, available through a link on Your Benefits Resources™ at TotalComp@Citi at www.totalcomponline.com.

Using HCSA during an unpaid leave or after your termination of employment

You can continue your HCSA coverage under COBRA through the end of the calendar year in which you take an unpaid leave of absence or your employment is terminated. If you do not continue coverage under COBRA, you cannot use the account for expenses incurred beyond the start date of your leave or your termination date, respectively. However, you will have until the following June 30 to submit your claims, including any pertinent supporting documentation to establish that a claim is eligible to be reimbursed, for services incurred before the start date of your leave or your termination date.

To continue your HCSA coverage under COBRA, contact the Citi Benefits Center through ConnectOne at **1-800-881-3938**. See the *For More Information* section for detailed instructions, including TDD and international assistance.

Effect on other benefits

Even though you reduce your taxable income by using the spending account(s), you are not reducing your pay for determining any Citi pay-related benefits, such as disability or life insurance. Benefits under these Plans are based on your benefits-eligible pay *before* your spending account contributions are deducted.

Effect on taxes

You receive a tax advantage by paying for eligible health care expenses through the HCSA or by claiming a federal income tax deduction for eligible expenses that exceed 10% of your adjusted gross income (7.5% of adjusted gross income is applicable to taxpayers who are age 65 for the 2013 through the 2016 tax year; thereafter, the threshold increases to 10% as well). However, you cannot claim a deduction for an expense on your federal tax return if you have been reimbursed for the same expense through the HCSA.

Social Security

Your spending account contributions will reduce the amount of your Social Security taxes. If your taxable pay is below the Social Security taxable wage base, your future Social Security benefits may also be reduced.

Filing a claim

See “How to file a claim” in the “Eligibility and participation” section.

Generally, you will have until June 30 following the year in which you incur the eligible expense to file a claim for reimbursement. If you are required to substantiate a claim, either in connection with the CYC payment card or a submitted claim (paper or online), in order for a claim to be deemed an eligible expense to be reimbursed, you must provide any pertinent documentation to establish that a claim is eligible for reimbursement, which may include providing documentation that a service provided in connection with a claim was medically necessary. **All such documentation must be submitted and resolved by the June 30 deadline to avoid the amount being subject to forfeiture or included in taxable income in connection with the CYC payment card.** For example, you will have until June 30, 2017, to file claims for reimbursement of expenses incurred in 2016.

For the fastest results, use your CYC payment card to directly pay for services at eligible health care locations. You can also submit claims as follows:

> Online

- Log on to the CYC website through TotalComp@Citi at www.totalcomponline.com.
- To request reimbursement for an out-of-pocket expense, under “Payments and Reimbursements”, select “Create a New Reimbursement:”
- To request that payment is made directly to your provider, under “Payments and Reimbursements”, select “Create a New Payment:”

> Paper Claim Submission

- If you didn't use your CYC payment card and are unable to access the Internet, complete the Manual Claim Form.
- Fax the Manual Claim Form with itemized receipts or other documentation to **1-866-892-8063**. Remember to keep the original claim form and supporting documents for your records.
- If you choose to mail your claim form and documentation instead of faxing, the address is:
- ConnectYourCare Claims Department
P.O. Box 622317
Orlando, FL 32862-2317

If your HCSA claim is denied, see “Claims and appeals for the Health Care Spending Account (HCSA)/Limited Purpose Health Care Spending Account (LPSA)” on page 265.

Limited Purpose Health Care Spending Account (LPSA)

You must be enrolled in the Citi High Deductible Health Plan (HDHP) to enroll in the LPSA. You can enroll as a new employee, during the annual enrollment period or within 31 days of a qualified change in status. However, you cannot enroll in the LPSA in December for the current calendar year. You may change or stop your contributions as a result of a qualified change in status.

Rules and features

You can contribute between \$120 and \$2,550 a year on a before-tax basis to reimburse yourself for eligible out-of-pocket dental, vision, and preventive care medical expenses. Contributions are taken each pay period before federal and, in most locations, state and local taxes are withheld.

The \$2,550 limit applies to each employee electing to participate in the LPSA. If you and your spouse/partner are both Citi employees, you can each contribute up to \$2,550 to your LPSA.

Because the LPSA is intended to be used in conjunction with a HDHP/Health Savings Account (HSA), eligible expenses are limited to dental, vision, and preventive care medical expenses that are not already covered. Other medical care expenses should be paid from your Health Savings Account (HSA).

OTC drugs, medicines and biologicals

You may be reimbursed for over-the-counter medicines and biologicals through your LPSA only in instances when a physician has prescribed the medicine or biologicals or if the medicine is insulin.

Examples of eligible health care expenses

- > Your share of expenses that are not paid by your dental and/or vision plan, such as deductibles, coinsurance, and copayments and charges that exceed maximum allowed amounts or other plan limits;
- > Vision care expenses, such as exams, prescription eyeglasses and sunglasses, prescription contact lenses, and laser surgery, which are not covered by your medical or vision plan;
- > Preventive care medical expenses not already covered by the Plan; and
- > Screening services including routine cancer, heart disease, and infectious disease screening.

Because network preventive care is covered at 100% in the HDHP, you will not need this account to reimburse yourself for network preventive medical care expenses. However, if you obtain preventive care from an out-of-network doctor, the HDHP will cover 100% of maximum allowed amount only. As a result, not all preventive care charges may be covered.

Examples of ineligible health care expenses

- > Expenses for which you have been reimbursed from another source, such as Citi's or another employer's medical, dental, and/or vision plan, Medicare, Medicaid, or your HSA;
- > Non-preventive care medical expenses;
- > Elective cosmetic surgery or cosmetic dental work;
- > Vitamins or minerals taken for general health purposes, including those recommended by your physician;
- > Maternity clothes or diaper services;
- > Nursing services to care for a healthy newborn;
- > Household help or custodial care at home or in an institution, even if recommended by your physician;
- > Health club fees, exercise classes, or weight-loss programs for general health purposes, even if recommended by your physician;
- > Cosmetics, toiletries, or toothpaste;
- > Amounts you pay for medical and dental insurance premiums; and
- > Long-term care services including insurance premiums for long-term care insurance.

For more information

For more information about eligible expenses, see *IRS Publication 502: Medical and Dental Expenses* at www.irs.gov or contact your tax adviser. You also can call the IRS at **1-800-829-1040**.

Note: The IRS publication is a guideline for use in preparing tax returns; it is not a description of the Citi Plan.

Is the LPSA for you?

The LPSA is for employees who enroll in the HDHP.

Generally, employees who enroll in the HDHP and establish an HSA can also enroll in an LPSA to pay for eligible health care expenses with before-tax dollars. ("Establish" an account means you apply for an account, which is approved because you meet certain credit and customer identity validation requirements. If your account is not established, you cannot receive the employer contribution.) However, you may enroll in an LPSA even if you are not enrolled in an HSA (as long as you are enrolled in the HDHP).

Note: Employees who enroll in the High Deductible Health Plan generally are *not* eligible to enroll in an HCSA.

Plan your LPSA contributions accordingly

Because network preventive care is covered at 100% in the HDHP, you will not need this account to reimburse yourself for network preventive medical care expenses. However, if you obtain preventive care from an out-of-network physician, the HDHP will cover 100% of maximum allowed amount only. As a result, not all preventive care charges may be covered.

To participate in the LPSA each plan year, you must actively enroll. Your enrollment does not carry over from year to year.

You can be reimbursed for expenses incurred only during the time you are enrolled. The amount of your payroll contributions will appear on your Form W-2 Wage and Tax Statement for the year in which you were enrolled.

In accordance with IRS guidelines, the Plan Administrator, in its discretion, may reduce the rate of contribution by certain participants to ensure that the LPSA is not deemed to discriminate in favor of highly compensated employees.

Paying for your expenses out of pocket

You can submit claims for certain expenses under the following plans:

- > HDHP (preventive care only);
- > Dental; and
- > Vision.

You can use the CYC payment card to pay for eligible expenses. Or, you may pay for eligible expenses out of pocket and submit qualified expenses for reimbursement using the HCSA/LPSA Claim Form. You can submit a claim online on the CYC website, available through TotalComp@Citi at **www.totalcomponline.com**, or you can submit a paper claim to CYC using the CYC Manual Claim Form. The claim-filing instructions are on the CYC website and the Manual Claim Form.

Keep in mind that claims for expenses incurred in 2015 must be submitted by June 30, 2016, to Your Benefits Resources™ (YBR™). Your 2015 claims can be submitted online via the YSA™ website, available through a link on Your Benefits Resources™ at TotalComp@Citi at **www.totalcomponline.com**.

Reimbursements

At any time, up until June 30 of the following plan year, you may be reimbursed for eligible expenses up to the total amount you elected to contribute for the plan year. In order for a claim to be deemed an eligible expense to be reimbursed, you must provide any pertinent documentation to establish that a claim is eligible for reimbursement, which may include providing documentation that a service provided in connection with a claim was medically necessary.

If you increase your contributions during the year because of a qualified change in status, you may be reimbursed from the increased amount only for expenses incurred *after* the date of the qualified change in status.

Using LPSA after your termination of employment

You can continue your LPSA coverage under COBRA through the end of the calendar year in which you take an unpaid leave of absence or your employment is terminated. If you do not continue coverage under COBRA, you cannot use the account for expenses incurred beyond the start date of your leave or your termination date, respectively. However, you will have until the following June 30 to submit and resolve your claims, including pertinent supporting documentation, for services incurred before the start date of your leave or your termination date.

Effect on other benefits

Even though you reduce your taxable income by using the spending account(s), you are not reducing your pay for determining any Citi pay-related benefits, such as disability or life insurance. Benefits under these plans are based on your benefits-eligible pay *before* your spending account contributions are deducted.

Effect on taxes

You receive a tax advantage by paying for eligible health care expenses through your LPSA or by claiming a federal income tax deduction for eligible expenses that exceed 10% of your adjusted gross income (7.5% of adjusted gross income is applicable to taxpayers who are age 65 for the 2013 through the 2016 tax year; thereafter, the threshold increases to 10% as well). However, you cannot claim a deduction for an expense on your federal tax return if you have been reimbursed for the same expense through the LPSA.

Social Security

Your spending account contributions will reduce the amount of your Social Security taxes. If your taxable pay is below the Social Security taxable wage base, your future Social Security benefits may also be reduced.

Filing a claim

See “How to file a claim” in the “Eligibility and participation” section.

Generally, you will have until June 30 following the year in which you incur the eligible expense to file and resolve a claim for reimbursement. In order for a claim to be deemed an eligible expense to be reimbursed, you must provide any pertinent documentation to establish that a claim is eligible for reimbursement, which may include providing documentation that a service provided in connection with a claim was medically necessary. **All such documentation must be submitted and resolved by the June 30 deadline to avoid the amount being subject to forfeiture or included in taxable income in connection with the CYC payment card.** For example, you will have until June 30, 2017, to file claims for reimbursement of expenses incurred in 2016.

For the fastest results, use your CYC payment card to directly pay for eligible health care expenses. You can also submit claims as follows:

> Online

- Log on to the CYC website through TotalComp@Citi at www.totalcomponline.com.
- To request reimbursement for an out-of-pocket expense, under “Payments and Reimbursements”, select “Create a New Reimbursement.”
- To request that payment is made directly to your provider, under “Payments and Reimbursements”, select “Create a New Payment.”

Note to LPSA participants: The system will guide you through uploading the appropriate information about your visit and documentation to complete the reimbursement. The system will automatically pull

funds first from your LPSA if it is an eligible dental or vision expense, and from your HSA if it is for an eligible medical or prescription drug expense.

> **Paper Claim Submission**

- To submit a paper claim, complete the Manual Claim Form.
- Fax the Manual Claim Form with itemized receipts or other documentation to **1-866-892-8063**. Remember to keep the original claim form and supporting documents for your records.
- If you choose to mail your claim form and required documentation for reimbursement (instead of faxing), the address is:

ConnectYourCare Claims Department
P.O. Box 622317
Orlando, FL 32862-2317

If your LPSA claim is denied, see “Claims and appeals for the Health Care Spending Account (HCSA)/Limited Purpose Health Care Spending Account (LPSA)” on page 265.

Dependent Day Care Spending Account (DCSA)

You can contribute between \$120 and \$5,000 a year on a before-tax basis to reimburse yourself for day care expenses for qualified dependents so that you (and your spouse, if you are married) can work or look for work. See “Qualifying individuals” on page 258.

You can be reimbursed for expenses incurred through the end of the plan year in which you are enrolled. You can enroll as a new employee, during the annual enrollment period or within 31 days of a qualified change in status. However, you cannot enroll in December for the current calendar year.

The amount of your payroll contributions will appear on your Form W-2 Wage and Tax Statement for the year in which you were enrolled.

In accordance with IRS guidelines:

- > The Plan Administrator, in its discretion, may reduce the rate of contribution by certain participants during the year to ensure that the DCSA is not deemed to discriminate in favor of highly compensated employees.
- > Eligible expenses submitted via paper claim with future dates of service will not be reimbursed prior to the last day of the billing period.

Quick tip: You cannot use the DCSA to reimburse yourself for your dependent childrens' health care expenses; use the HCSA or LPSA for that purpose.

Rules and features

Examples of eligible dependent day care expenses

- > Care at a licensed nursery school, day camp (including specialty camps), or day care center; the facility must comply with state and local regulations, serve more than six individuals, and receive fees for services;
- > Services from individuals who provide dependent day care inside or outside your home, unless the provider is your spouse, your own child under age 19, or any other dependent (these individuals must provide their Social Security numbers to you);
- > After-school care for children under age 13;
- > Household services related to the care of an elderly or disabled adult who lives with you;
- > A care provider's expenses for the transportation between your house and the place that provides day care services;
- > Your portion of FICA and other taxes that you pay for a care provider; and
- > Any other services that qualify as dependent day care under IRS rules.

Examples of ineligible dependent day care expenses

- > Expenses for food, clothing, or education;
- > Your expenses for transportation between your house and the place that provides day care services;
- > Expenses for dependent day care when either you or your spouse is not working;
- > Charges for convalescent or nursing home care for a parent or disabled spouse;
- > Overnight camp expenses;
- > Expenses for dependent day care that enables you or your spouse to do volunteer work;
- > Payments made to your spouse, your own child under age 19, or any other dependent; and
- > Expenses for which you take the federal child care tax credit.

For more information

For more information about eligible dependents and expenses, see *IRS Publication 503: Child and Dependent Care Expenses* at www.irs.gov or contact your tax adviser. You also can call the IRS at **1-800-829-1040**.

Note: The IRS publication is a guideline for use in preparing tax returns; it is not a description of the Citi Plan.

Qualifying individuals

According to IRS rules, you may be reimbursed only for expenses incurred in caring for a qualifying individual. Generally, a qualifying individual includes:

- > Your child under age 13 who must share your residence for more than half the year and who must not provide more than half of his or her own support;
- > Your spouse who is physically or mentally unable to care for himself or herself and resides with you for more than half the year; and
- > A dependent who is mentally or physically unable to care for himself or herself and resides with you for more than half the year.

Marital status and your DCSA contribution

If you file a joint tax return: You and your spouse together may contribute up to \$5,000 a year before taxes to the DCSAs. For example, if your spouse contributes \$2,000 to his or her employer's DCSA, you can contribute up to \$3,000 to your DCSA. If either you or your spouse earns less than \$5,000 annually, the combined amount you and your spouse contribute cannot exceed the lower salary.

If you file separate tax returns: You and your spouse each may contribute up to \$2,500 a year before taxes to your respective DCSA.

If your spouse does not work: In general, you cannot use the DCSA if your spouse does not work, unless he or she is a full-time student for at least five months during the calendar year, is looking for work, or is disabled. In such a case, for purposes of determining the maximum contribution, your spouse is considered to earn \$250 a month if you have one qualified dependent or \$500 a month if you have two or more qualified dependents. For Plan purposes, count only the months that your spouse is either in school or disabled.

These limits are subject to change.

Paying for your expenses out of pocket

You can submit a claim for eligible expenses online on the CYC website, available through TotalComp@Citi at www.totalcomponline.com, available from the Citi intranet and the Internet, or you can submit a paper claim to CYC using the Dependent Day Care Account Claim and Provider Documentation Form. The claim-filing instructions are on the CYC website and the Dependent Day Care Account Claim and Provider Documentation Form.

Keep in mind, that claims for expenses incurred in 2015 must be submitted by June 30, 2016 to Your Benefits Resources™ (YBR™). Your 2015 claims can be submitted online via the YSA™ website, available through a link on Your Benefits Resources™ at TotalComp@Citi at www.totalcomponline.com.

Reimbursements

You cannot be reimbursed for expenses that exceed the amount of your contributions.

If your claim exceeds your current account balance, you will be reimbursed up to your account balance. Any outstanding amount of your claim will be paid to you automatically after the next pay period when new contributions are added to your account until the total amount is paid or the money in your account is depleted.

The maximum you can receive tax-free from your DCSA is reduced by the value of any employer-provided day care you use, whether provided through Citi or your spouse's employer.

For example, if you receive a DCSA subsidy of \$1,000, then you can receive up to \$4,000 tax-free from your DCSA. If you contribute more than \$4,000, any amount reimbursed above \$4,000 will be included as taxable income on your Form W-2 Wage and Tax Statement for that year.

Effect on other Citi benefits

Even though you reduce your taxable income by using the spending account(s), you are not reducing your pay for determining any Citi pay-related benefits, such as disability or life insurance. Benefits under these plans are based on your benefits-eligible pay before your spending account contributions are deducted.

Effect of DCSA participation on Social Security

Your spending account contributions will reduce the amount of your Social Security taxes. If your taxable pay is below the Social Security taxable wage base, your future Social Security benefits may also be reduced.

Using DCSA after your termination of employment

You may submit claims for eligible expenses incurred after your termination date but incurred within the 2016 plan year. You must submit any eligible 2016 claims, including any pertinent supporting documentation to establish that the claim is eligible to be reimbursed, no later than June 30, 2017.

DCSA subsidy

If you are eligible *and* you elect the DCSA subsidy during enrollment (either as a new hire or during annual enrollment), Citi will pay up to 30% of your DCSA contribution. The percentage will depend on the amount of your benefits-eligible pay and whether you work part-time or full-time.

Note: To obtain the DCSA subsidy you must elect it; it is not automatic.

- > **If you are a sole financial provider:** Your benefits-eligible pay *and* your total annual household income together do not exceed \$90,000; or
- > **If you are in a dual-income household:** Your benefits-eligible pay does not exceed \$45,000 *and* your total annual household income does not exceed \$90,000.

You must enroll for the subsidy during your annual enrollment period (or if you are enrolling as a new hire or newly eligible for benefits). You cannot receive the subsidy through any other process. You must elect the full amount that you want to use to reimburse yourself for eligible expenses. The deductions from your pay will be the amount of the election minus the amount of the subsidy.

The amount of your subsidy will not change during the plan year even if you change your DCSA contribution amount as a result of a qualified change in status. Your subsidy will be credited to you during the first quarter if you enroll during annual enrollment or within 31 days if you enroll as a new hire or are newly eligible for benefits.

You cannot become eligible for the DCSA subsidy midyear as a result of a qualified change in status, such as a divorce or death of your spouse.

If your benefits-eligible pay is ¹ :	Your DCSA subsidy will be:	
	For full-time employees	For part-time employees
Up to \$25,000	30% of your DCSA contribution; maximum subsidy is \$1,500	22-1/2% of your DCSA contribution; maximum subsidy is \$1,125
\$25,001-\$35,000	20% of your DCSA contribution	15% of your DCSA contribution
\$35,001-\$45,000	15% of your DCSA contribution	11-1/4% of your DCSA contribution
\$45,001-\$90,000 if you are the sole financial provider of your dependents	15% of your DCSA contribution	11-1/4% of your DCSA contribution

¹ Your total household income and benefits eligible pay cannot exceed \$90,000 at the time you enroll.

If you are rehired

If you terminate employment with Citi and are rehired in the same plan year, you must re-enroll to have DCSA coverage. If you re-enroll in the DCSA, you are not eligible for the subsidy, because your subsidy was credited during your employment earlier in the same plan year. (Subsidies are credited during the first quarter if you enroll during annual enrollment or within 31 days if you enroll as a new hire or are newly eligible for benefits.)

Filing a claim

Generally, you will have until June 30 following the year in which you incur an eligible expense to file and resolve a claim for reimbursement. In order for a claim to be deemed an eligible expense to be reimbursed, you must provide any pertinent documentation to establish that a claim is eligible for reimbursement. **All such documentation must be submitted and the claim must be resolved by the June 30 deadline to avoid forfeiture of the funds in your DCSA.** For example, you will have until June 30, 2017, to file claims for reimbursement of expenses incurred in 2016.

Transportation Reimbursement Incentive Program (TRIP)

TRIP allows you to purchase transit and parking passes online so you can commute to and from work. TRIP is not for business travel (for example, to use public transportation to attend a business meeting).

The first \$255 of your transit and/or parking pass will be deducted from your pay before taxes are withheld. Any amount of your transit pass or parking pass that exceeds \$255 will be deducted from your pay after taxes are withheld. By enrolling in TRIP and paying transit and parking pass expenses with before-tax dollars, you lower your taxable income and, as a result, pay less in federal and FICA taxes and, in most locations, state and local taxes.

You can set up or change your online purchase at any time. Your enrollment or change will be effective as soon as administratively possible.

Are you eligible to enroll in TRIP?

You are eligible to enroll in TRIP if:

- > You commute to work by public transportation (bus, subway, train, ferry, or van pool) or you commute to work by car and have out-of-pocket parking expenses; and
- > You do *not* participate in another Company-sponsored parking or mass transit program.

If you enroll in TRIP and later begin participating in another Company-sponsored parking or mass transportation program, you must cancel the purchase of your online transit or parking pass.

Quick tip

You do not need to wait until annual enrollment to enroll in TRIP. The deadline to enroll or change your TRIP participation is generally the 10th of every month for participation that begins the 1st of the following month. If you miss the deadline, your enrollment/change will be effective the following month.

Note: For some transportation authorities, such as the Long Island Rail Road and Metro North Railroad, the deadline to enroll or change your TRIP participation is the 4th of every month (rather than the 10th of every month).

How the program works

TRIP is made up of two accounts:

- > *A Transit Account* to pay for eligible transit expenses. The Internal Revenue Code defines transit expenses as those for bus, subway, train, ferry, and Metro passes, as well as van pooling. A van must be a "licensed commuter highway vehicle" with seating capacity for six or more adults, excluding the driver.
- > *A Parking Account* to pay for parking on or near Citi's business premises or near a location from which you commute to work by mass transit, vanpool, or carpool.

You can enroll to purchase both a transit and a parking pass, two types of transit media (pass, token or ticket), or two types of parking media (parking permit or parking garage) online, depending on what is required for your commute to and from work. When enrolling, you can set up a recurring purchase or you can arrange to purchase your pass each month. The pass will be mailed to your address of record with the TRIP provider in time for use beginning the 1st of the following month.

Your card will be updated prior to the beginning of each month for monthly purchases and it will be valid for up to one year or as long as you continue to have a monthly order. If you do not change the order for a particular month, a new card will be mailed to your address of record following your next order.

The deadline to enroll or change your TRIP participation is the 10th of every month for participation the 1st of the following month. If you miss the deadline, your enrollment/change will be effective the following month.

Once enrolled, you can cancel or suspend your online purchase at any time. If you cancel or suspend your purchase by the 10th of any month (the monthly purchase deadline), a pass will not be purchased for you for the following month.

Note for rail commuters using the Long Island Rail Road (LIRR) and Metro North Railroad (MNR): An earlier deadline applies to you. Your orders and cancellations must be placed by the 4th of the month.

If you:	Order:	Receive:
Enroll to purchase a transit and/or parking pass on the CYC website, available as a link from TotalComp@Citi at www.totalcomponline.com	No later than the 10 th of any month; for LIRR and MNR commuters, no later than the 4 th of any month	Your pass will be purchased and mailed to your address of record so you have it before the 1 st of the following month

Cash reimbursement option

The cash reimbursement option for parking expenses is a solution intended to cover situations when you are unable to participate in the TRIP Parking Account using the parking voucher, the parking debit card, or the pay-the-provider-directly option. This may work for you if you pay for your parking on a quarterly basis or a year in advance. To be reimbursed in cash, you must submit a claim for eligible expenses online on the CYC website or you can submit a paper claim to CYC. Be sure to include your itemized receipts with the claim.

Generally, you will have until June 30 following the year in which you incur an eligible expense to file and resolve a claim for reimbursement. In order for a claim to be deemed an eligible expense to be reimbursed, you must provide any pertinent documentation to establish that a claim is eligible for reimbursement. **All such documentation must be submitted and the claim must be resolved by the June 30 deadline to avoid forfeiture of the funds for the cash reimbursement option.**

For more information about the cash reimbursement option, see the Transportation Reimbursement Incentive Program claim form or visit the CYC website through TotalComp@Citi at www.totalcomponline.com, available from the Citi intranet and the Internet.

Changing your TRIP pass election

Once enrolled, you can change your online purchase at any time; the change will be effective as soon as administratively possible. For example, you are enrolled to purchase a parking pass and a train pass, but you plan to relocate in June of the plan year so that you require a bus pass only. If, by May 10, you cancel the train and parking pass purchase and purchase a bus pass, your new bus pass will be mailed to your address of record for use as of June 1.

To enroll in TRIP or to change your election once enrolled, visit the CYC website through TotalComp@Citi at www.totalcomponline.com, available from the Citi intranet and the Internet.

If your employment is terminated/transferred

If your employment is terminated or if you transfer to an entity that is not eligible to participate in TRIP, your payroll deductions will stop and your account will be closed as of your termination or transfer date. You will forfeit the before-tax balance in your account.
