

2021 Annual Enrollment Guide

Get Started Today

Annual Enrollment is your opportunity to make decisions about your health and insurance coverage for next year. You can get started today by:

- Considering the options available to you, and taking advantage of the resources to help you decide which coverage is right for you and your family.
- Enrolling by the October 23 deadline.
- Participating in Healthy Choices Rewards. Take steps toward better health and earn money to help offset the cost of benefits.

Enrollment Period for 2021 Benefits Coverage:

October 5 – 23

Your benefits enrollment period is **October 5 – October 23, 2020**. Your enrollment deadline is 8 p.m. ET on October 23, if you enroll through a Citi Benefits Center representative, or 11:59 p.m. ET on October 23 if you enroll online. Your new coverage begins January 1, 2021. **If you are newly eligible for benefits, please see page 5 for more information.**

Changes for 2021

- In 2021, your contributions for medical and dental coverage will increase by 5%.^[1]
- Contributions for vision coverage will remain the same.

You Must Take Action

If you don't actively elect your benefits during Annual Enrollment, you'll automatically be enrolled in the same coverage at the same coverage level as you were during the 2020 plan year. You won't be able to change most of your benefits coverage until the Annual Enrollment period for the 2022 plan year, unless you have a qualified change in status. In addition, if you don't actively enroll, you won't earn Healthy Choices Rewards. Learn more about Healthy Choices Rewards on page 5.

[1] If you switch into a new benefits eligible pay band for the 2021 plan year, your medical premiums may increase accordingly, as well.

Review and Enroll

Below are resources to help you as you review and enroll. Use this checklist as your guide to get started.

✓ Things to Do	
Review	
<input type="checkbox"/>	Review health plan details. View the 2021 Triple-S health plan information on Your Benefits Resources™ (YBR™), available through My Total Compensation and Benefits at www.totalcomponline.com . The 2020 Summary Plan Description (SPD) for Puerto Rico contains current plan details and is available at https://handbook.citibenefitsonline.com . Scroll to the bottom of the home page to find the link for the SPD. The 2021 SPD will be available online in the first quarter of 2021.
<input type="checkbox"/>	Know your health care costs. You can visit Your Benefits Resources™ through My Total Compensation and Benefits at www.totalcomponline.com to review your current coverage. Use this information to estimate your expected out-of-pocket medical costs for next year. Remember that plan details and costs can change from year to year, even in the same plan.
<input type="checkbox"/>	Find an in-network health care provider. Verify that your providers participate in the Triple-S network by visiting the Triple-S website at www.ssspr.com . For the list of Aetna Vision providers, go to www.aetnavision.com and click on “Find a Provider.”
<input type="checkbox"/>	Consider who you’ll cover during the 2021 plan year. If your spouse/partner has benefits coverage or access to coverage elsewhere, decide which plan offers the most value. Sometimes it makes sense for one of you to cover your children and the other to enroll in “employee only” coverage rather than one of you enrolling in coverage for the entire family.
Enroll	
<input type="checkbox"/>	Enroll in your benefits for 2021 on Your Benefits Resources™ through My Total Compensation and Benefits at www.totalcomponline.com . You can also call the Citi Benefits Center at 1 (800) 881-3938 . See page 3 for instructions on how to enroll.
<input type="checkbox"/>	Complete the Health Assessment on the Triple-S website at www.ssspr.com between October 1 and November 15 . You’ll learn about your overall health status and earn a Healthy Choices Reward.

Reminder: Is your beneficiary information current?

When you enroll for benefits, don’t forget to update your beneficiary information, if necessary. If you would like to update your beneficiary information for Group Universal Life (GUL) insurance, you must do so directly with MetLife. Visit My Total Compensation and Benefits at www.totalcomponline.com and click on “Group Universal Life” under “Want to get to our best in class vendors fast?” to connect to the MetLife MyBenefits website and update your beneficiary information.

Get a Wellness Check-up so You Can Provide the Most Current Data When You Complete the Health Assessment and Earn a \$100 Healthy Choices Reward!

The average cost of a routine doctor’s visit is more than \$100. However, when you visit in-network providers in the Triple-S medical plan, routine preventive care services, such as physical exams, ob-gyn exams and mammograms, are covered at 100% without first having to pay a deductible.

You can use the results of your visit to update your Health Assessment, accessible through the Triple-S website at www.ssspr.com between **October 1** and **November 15**. When you do, you’ll earn a \$100 reward. Covered spouses/partners can earn a separate \$100 reward as well.

Reminder: Is Your Home Address Up to Date in Citi Records?

Important information — such as enrollment confirmations and health plan ID cards — will be mailed to your home address, as reflected in Citi records. To update your address:

- Visit Citi For You at <https://citiforyou.citigroup.net>. From the home page, look for “Workday” in the top navigation; then select the “Personal Information” link on the right side of the page, click “Addresses” and then “Edit.”
- If you don’t have access to Citi For You, please call ConnectOne at **1 (800) 881-3938**. From the “Payroll & HR Policy Administration” menu, select the “Employees without access to Citi For You” option. You can speak with a representative from 8 a.m. to 8 p.m. ET, Monday through Friday, excluding holidays. For TDD and international assistance, please see the contact information on page 7.

In addition to updating your address, be sure to verify all other personal information in Workday.

How to Enroll for 2021

You can enroll for 2021 plan year benefits online or by phone from **October 5 to October 23**. Don’t miss your opportunity to make changes to your health and insurance benefits for the 2021 plan year.

- **Online:** Visit Your Benefit Resources™ (YBR™) through My Total Compensation and Benefits at www.totalcomponline.com. If you visit My Total Compensation and Benefits from outside the Citi network, you’ll need to use Multi-Factor Authentication (MFA) to view your benefits information. You’ll be prompted to enter a one-time password that you’ll receive by text message, automated voice call or a Remote Access SafeWord/Mobile Pass card. Be sure that your home and cell phone numbers are up to date on Marketplace to receive the MFA password. This ensures that your personal data, as an employee, has the same level of security that applies to our banking customers.
- **By Phone:** Speak with a Citi Benefits Center representative. Call the Citi Benefits Center via ConnectOne at **1 (800) 881-3938**. From the “benefits” menu, select the “health and insurance benefits” option. You can speak with a representative from 8 a.m. to 8 p.m. ET, Monday through Friday, excluding holidays. A representative can answer your questions and take your 2021 plan year enrollment elections. The Citi Benefits Center has translators available who speak Spanish and English. You may request a translator to participate in your call as needed.

For TDD and international assistance, please see the contact information on page 7.

After You Enroll

An enrollment confirmation statement will be mailed to your address of record in early December. Be sure your home address is up to date in Citi records. See the “Reminder” message above for instructions on how to update your home address, if necessary.

If you have any questions about or need to correct any information on your confirmation statement, call the Citi Benefits Center via ConnectOne at **1 (800) 881-3938** within 31 days after the date on the confirmation statement to correct any errors. From the “benefits” menu, select the “health and insurance benefits” option. You can speak with a representative from 8 a.m. to 8 p.m. ET, Monday through Friday, excluding holidays. For TDD and international assistance, please see the contact information on page 7.

Enrolling in Group Universal Life (GUL) or Supplemental Accidental Death and Dismemberment (AD&D) Insurance

While enrolling in health coverage during Annual Enrollment, you may want to consider whether your life insurance needs have changed during the year, requiring an adjustment to your life insurance coverage. Although enrolling in GUL or Supplemental AD&D insurance isn't part of Annual Enrollment, if you have not previously elected the maximum benefit, you can enroll or make changes at any time by:

- Visiting My Total Compensation and Benefits at www.totalcomponline.com. Click on "Group Universal Life" under "Want to get to our best in class vendors fast?" or
- Calling MetLife at **1 (888) 830-7380**.

If you are enrolling or making changes after the 31 days when you were initially eligible to enroll without a qualified change in status, you may be required to provide evidence of insurability (EOI) for GUL insurance before your coverage can take effect.

Enrolling Your Eligible Dependents in Citi Coverage

If your eligible dependents were enrolled in Citi coverage for the 2020 plan year, you'll find a list of your dependents on Your Benefits Resources™, available through My Total Compensation and Benefits at www.totalcomponline.com. Review this list carefully, and make any necessary changes for the 2021 plan year.

Be sure your dependents are listed as *covered dependents* under each individual plan. When enrolling by phone, you must ask a Citi Benefits Center representative to "cover" each dependent.

To add a dependent (such as your child under the age of 26 or spouse/partner) to your medical, dental, vision and/or life insurance coverage for the 2021 plan year, you must do so within the Annual Enrollment period or within 31 days of a qualified change in status. You'll also need to verify your dependent's eligibility by submitting the appropriate documentation, such as a birth certificate or a marriage license and tax return, to ensure that your dependent's coverage isn't canceled. You'll receive an email or notice by mail with further instructions and deadlines in the first week of November.

Note: Your married child's spouse/partner and children aren't eligible for Citi coverage.

Adding a Newborn to Your Citi Coverage

Any newborn dependent is required to be added to your Citi coverage within 31 days after the child's birth. You can add a newborn to your coverage by calling the Citi Benefits Center through ConnectOne at **1 (800) 881-3938**. From the "benefits" menu, select the "health and insurance benefits" option. For TDD and international assistance, please see the contact information on page 7. You should not wait for your newborn's Social Security number to enroll him or her in Citi coverage. You can add the Social Security number once you receive it.

Enrollment for New Employees or Newly Benefits Eligible Employees

For Annual Enrollment, you're considered a "new employee" if you didn't complete your new hire/newly benefits eligible enrollment elections on or before September 24, 2020, or if you were hired after September 24, 2020.

New employees or newly benefits eligible employees must make separate new hire/benefits eligible elections for the 2020 plan year to have coverage for the remainder of the 2020 plan year, and 2021 Annual Enrollment elections for 2021 plan year coverage, as instructed in your enrollment materials that you will receive.

- Make your new hire/newly benefits eligible enrollment elections as soon as possible within your 31-day enrollment period after you are eligible for coverage.
- Once your new hire/newly benefits eligible enrollment is processed, return to the home page where you will see a banner prompting you to complete your Annual Enrollment elections.
- Enroll in your Annual Enrollment health and insurance benefits, which become effective January 1, 2021.
- You'll have 20 days from the date you completed your new hire/newly benefits eligible elections for coverage for the balance of the 2020 plan year to complete your Annual Enrollment for coverage that will be effective on January 1, 2021.
- You're eligible for the 2021 plan year Healthy Choices Health Assessment Reward if you were hired on or before September 24, 2020. You still have until November 15, 2020, to complete the Health Assessment and receive credit.

Note: If you were hired or became newly benefits eligible on or before September 24, 2020, and you completed your new hire/newly benefits eligible elections on or before September 24, 2020, your benefits enrollment period for the 2021 plan year is from October 5 to October 23, 2020. If you don't meet these criteria, you must follow the process outlined above.

Participate in Healthy Choices Rewards

During the Annual Enrollment period, if you enroll in the Triple-S medical plan, you'll have the opportunity to attest that you're tobacco free or that you promise to try to become tobacco free. You can also attest on behalf of your spouse/partner who's covered under the Triple-S medical plan for the 2021 plan year that he or she is tobacco free as well. You may earn an annual \$100 reward to help offset the cost of benefits; spouses/partners are also eligible for a \$100 reward (maximum of \$200 for employee and spouse/partner).

Employees and spouses/partners covered under the Triple-S medical plan offered by Citi can complete the Triple-S Health Assessment for an additional \$100 reward per adult participant (maximum of \$200 for employee and spouse/partner). The Health Assessment, which you'll complete on the Triple-S website at www.ssspr.com, is a secure, online health questionnaire that can help you learn more about your health status. Complete the Health Assessment from October 1 through November 15 to receive the reward to reduce your medical premiums.
