Introduction

This document is a component of the plan documents for the Citigroup Health Benefit Plan, the Citigroup Dental Benefit Plan, the Citigroup Vision Benefit Plan and the Health Care Spending Account (hereinafter referred to as the “Plans”) for eligible employees of Citigroup and its participating employers (hereinafter referred to as “Citigroup”, unless otherwise specified). **Citigroup reserves the right to change or discontinue any or all of the benefits coverage or programs described here at any time, with or without notice.**

The benefits and programs described in this document are in effect as of January 1, 2007. The terms and conditions of these Plans may also be further prescribed in insurance policies, the provisions of which, as may be amended from time to time, are hereby incorporated by reference.

This document is intended to comply with the requirements of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”) and other applicable laws and regulations. It does not create a contract or guarantee of employment between Citigroup and any individual. Your employment is always on an at-will basis. In addition, benefits provided under the Plans described in this document are not in any way subject to your or your dependent’s debts or other obligations and may not be voluntarily or involuntarily sold, transferred, alienated, or encumbered.

As you read the document you will see some terms that are bold and underlined. This means that the term is a reference to another section of the document, or in the Plans.

This document provides no guarantee that you are eligible to participate in every benefit or program described. Each Plan may have its own eligibility requirements, so be sure to review individual eligibility requirements carefully. In addition, Citigroup in no way guarantees the payment of any benefit which may be or become due to any person under the Plans.

If you have any questions about this document or certain provisions of your benefit plans, or would like to receive copies of an insurance policy or other document forming a part of any Plan described in this document, please call the Benefit Service Center at ConnectOne at 1-800-881-3938 and select the Health Benefits options.

Eligibility

Citigroup provides benefits coverage for you, your **spouse** or **qualified domestic partner**, and/or **eligible dependents**.

For employees

You are only eligible to participate in the Plans (as defined above) if you work for a “participating employer” in the United States for a regular semimonthly or monthly paycheck as either an active full-time employee regularly scheduled to work 40 hours or more a week or an active part-time employee regularly scheduled to work 20 hours or more a week.

A “participating employer” is Citigroup Inc. and any subsidiary in which Citigroup owns at least an 80% interest. Corporate and Investment Bank, Global Wealth Management, the Global Consumer Group, Citigroup Alternative Investments and Citigroup Corporate Center are the Citigroup businesses that participate in the Plans.

For purposes of determining whether you are an eligible employee under the Plans, you are an “active” employee if you are working for your employer doing all the material and substantial duties of your occupation at your usual place of business or some other location that your employer’s business requires you to be or absent from work solely due to vacation days, holiday, or scheduled days off.

Notwithstanding any provision in this Plan to the contrary, you are eligible to participate in the health care plans if you are receiving severance payments from Citigroup or a participating employer.

You are not an eligible employee and can not participate in the Plans if:

- your compensation is not reported on a Form W-2 Wage and Tax Statement issued by a participating employer;
- you are employed by a Citigroup subsidiary or affiliate that is not a participating employer;
- you are engaged under an agreement that states you are not eligible to participate in the Plans;
- you are a non-resident alien performing services outside the United States; or
- you are classified by Citigroup as an independent contractor or consultant, or as being employed on a temporary basis.

If you are a U.S. citizen or legal resident employed outside the United States in an expatriate classification, your eligibility will be determined in accordance with practices and procedures established under the Plans.

If you both work for Citigroup

If both you and your spouse or qualified domestic partner are employed by Citigroup or a participating employer, neither of you can be covered both as an employee and a dependent for *any* Citigroup benefit plan.

- **Medical, dental, and vision care** — Each of you may be covered under the medical and dental plans as either an employee or a dependent but not both. Either of you may cover your children, but they cannot be covered by both of you.
- **Health Care Spending Account** — Either of you may be covered under a Health Care Spending Account but you may not file more than once for reimbursement of the same eligible expense. However, your qualified domestic partner and his/her eligible child(ren) are eligible only if they are considered your tax “dependents” within the meaning of section 152 of the Internal Revenue Code of 1986, as amended (the “Code”), as determined without regard to subsections (b)(1), (b)(2) and (d)(1)(B) thereof.

For dependents

Your eligible dependents are:

- Your lawfully married spouse or state-recognized common-law spouse. If you are legally separated, your spouse is not an eligible dependent unless mandated by state law.
- Each of your children who is unmarried and a “qualifying child” as defined in section 152(c) of the Code. Generally, a qualifying child must have the same principal place of residence as you for more than half the year, must not provide over one-half of his or her own financial support, and:
 - will attain age 18* as of the close of the plan year or is younger; or
 - will attain age 23* as of the close of the plan year or is younger, and is a full-time student (meaning the student is enrolled full-time in courses for at least 5 months during the plan year) attending an accredited school or college. Upon request, you must provide proof of student status in writing to the Claim Administrator. The names, addresses and phone numbers of the health care Claim Administrators are listed in the **Plan information** section of this document.
- Each of your children who is unmarried, is a “qualifying relative” as defined in section 152(d) of the Code as determined without regard to subsection(d)(1)(B), and:
 - will attain age 19* as of the close of the plan year or is younger; or
 - will attain age 25* as of the close of the plan year or is younger, and a full-time student (meaning the student is enrolled in courses for at least 5 months during the plan year) who is attending an accredited school or college. Upon request, you must provide proof of student status in writing to the Claim Administrator. The names, addresses and phone numbers of the health care Claim Administrators are listed in the **Plan information** section of this document.

Generally, for you to have a qualifying relative as described above, **you** must be providing over one-half of your child’s financial support.

Please note that insured HMOs made available through the Citigroup Health Benefit Plan comply with state laws that require less restrictive age and/or income requirements for dependents. These laws apply only to insured health programs and do not apply to the ChoicePlans or other non-insured programs. States that have these laws include Colorado, Georgia, New Mexico, New Jersey, Pennsylvania, Tennessee, and Utah. For more information, contact the insured HMO provider in your state. Coverage may be available only on an after-tax basis if your covered children are not your tax dependents, and other costs may apply.

* Coverage generally will remain in effect through December 31 of the year in which the child reaches the maximum age or is no longer a full-time student. However, for some HMOs, coverage ends on the last day of the month in which the child reaches the maximum age. For more specific information, contact your HMO directly. If the child gets married or obtains a full-time job, coverage generally will remain in effect through the end of the month in which this occurs.

To be an eligible dependent, your children must be either:

- Your natural children;
- Your legally adopted children (For purposes of coverage under the Plans, adopted children will be considered eligible dependents when they are lawfully placed in your home for adoption or when the adoption becomes final, whichever occurs first.);
- Your stepchildren; or
- A child permanently residing in your household for whom you are the legal guardian in accordance with the laws of the state in which you reside. You must provide proof of guardianship in writing to the Claim Administrator **upon request**.

Eligible dependents also include an employee's domestic partner and/or his or her dependent children. To be eligible, the children of the domestic partner must meet all the qualifications of eligible dependent children as described in this section. Please note that not all HMOs cover domestic partners or their children. For more specific information, contact your HMO directly.

If one of your eligible dependent children is permanently and totally disabled as defined for purposes of obtaining Social Security benefits and (a) is covered under the Plans before reaching the applicable maximum age as described above, or (b) you enroll this dependent within the first 31 days of your eligibility under the Plans, this child may continue to be considered an eligible dependent under the Plans beyond the date his/her eligibility for coverage would otherwise end. You must provide written proof of this incapacity to the Claim Administrator within 31 days after the date eligibility would otherwise end or upon enrollment of the dependent and as requested thereafter. This eligible dependent must still meet all other eligibility qualifications for coverage to be continued.

No person will be covered under the Plans both as an employee and as an eligible dependent or as an eligible dependent of more than one employee.

Eligible dependents must be U.S. citizens or legal residents.

Qualified Medical Child Support Orders

As required by the Federal Omnibus Budget Reconciliation Act of 1993, any child of a Plan participant who is an alternate recipient under a Qualified Medical Child Support Order (QMCSO) will be considered as having a right to dependent coverage under the Plans. In general, QMCSOs are state court orders requiring a parent to provide medical support to an eligible child, for example, in the case of a divorce or separation. Contact the Plans Administration Committee to receive, free of charge, a detailed description of the procedures for a QMCSO.

Dependent notification

The first time you enroll in Citigroup benefits, you will be asked to report information about each of your eligible dependents such as name, date of birth, Social Security number and, if over age 19, whether the child is a full-time student or has a mental or physical disability. *Without this information on file, you cannot enroll in any dependent coverage.*

If your dependent does not have a Social Security number at this time, you can enter dependent information and report the Social Security number after you obtain it.

You also must keep your dependent information current:

- When you enroll during the annual open enrollment period, you will be prompted to make changes to your dependent information; and
- You must report changes in dependent information to the Benefit Service Center when you want to make changes to your coverage or coverage category as a result of a qualified status change.

Dependents no longer eligible

Your spouse or qualified domestic partner is eligible for coverage until the last day of the month in which you become legally separated or divorced or submit a Domestic Partnership Termination Form.

Coverage for your dependent children will end:

- The last day of the month in which they:
 - Become employed full time;
 - Get married;
 - Become eligible for coverage under any plan as employees; or
 - Cease to be "eligible dependents" as defined in the previous section of this Plan document.

Newborns/newly adopted children

Even if you are not enrolled for dependent coverage, Citigroup will pay benefits under the Health Benefit Plan for your newborn child from birth through 31 days. However, if you have coverage under any of Citigroup's Plans, you must report this family status change to the Benefits Service Center within 31 days of the child's birth to add the child to your coverage. If you do not report the addition of your child during the first 31 days, benefits *will not* be payable for the child after the 31 days following the date of the child's birth, and you will generally have to wait until the next annual open enrollment period to enroll the child in the Plans unless another event occurs that would permit coverage to begin at an earlier time. In this case, no payment will be made for any day of confinement, treatment, services, or supplies given to the child after these initial 31 days. No other benefit or provision of the Health Benefit Plan will apply to the child.

This includes, but is not limited to, the following provisions:

- Extension of benefits; and
- Continuation of coverage.

Remember, you must report information to the Benefit Service Center about a new dependent even if you already have family coverage, or else your new dependent won't be covered.

For the Hawaii plan, there is a penalty for noncompliance with the preadmission certification program. It is at least a 70% benefit with a maximum penalty of \$400 per admission and, in the aggregate, \$1,000 per year.

For domestic partners

Where available, Citigroup allows you to cover your domestic partner and/or his or her children in the following plans:

- Health Benefit Plan (domestic partner medical benefits are not available through some HMOs);
- Dental Benefit Plan;
- Health Care Spending Account, provided your domestic partner and eligible dependent child(ren) are considered tax dependents under section 152 of the Code, as determined without regard to subsections (b)(1), (b)(2) and (d)(1)(B) thereof (note: domestic partners who do not meet section 152 cannot have their claims submitted for reimbursement into the Health Care Spending Account); and
- Vision Benefit Plan.

You cannot cover both a spouse and a domestic partner. To enroll a domestic partner and/or his or her children, an employee must sign an affidavit affirming that he or she meets Citigroup's eligibility criteria for domestic partner coverage, and complete a Certification of Domestic Partner's Tax Status. This form is available on www.citigroup.net or by calling the Benefit Service Center.

Your domestic partner can be of the same or opposite sex. To qualify for coverage as a domestic partner, you and your domestic partner must meet all of the following criteria:

- You currently reside together and intend to do so permanently;
- You have lived together for at least six consecutive months prior to enrollment and intend to do so permanently;
- You have mutually agreed to be responsible for each other's common welfare;
- You are both at least 18 years of age and mentally competent to consent to contract;

- You are not related by blood to a degree of closeness that would prohibit marriage if you and your partner were of opposite sexes;
- Neither you nor your partner is legally married to another person;
- Neither you nor your partner is in a domestic partner relationship with anyone else
- You are in a relationship that is intended to be permanent and in which each of you is the sole domestic partner of the other; and
- You are financially interdependent, or your partner is dependent on you for financial support

The Company may require you to provide evidence of your financial interdependence (or domestic partner's financial dependence) by providing two or more of the following documentation:

- A joint mortgage or lease;
- Designation of the Domestic Partner as beneficiary for life insurance or retirement benefits;
- Joint wills or designation of the Domestic Partner as executor and/or primary beneficiary;
- Designation of the Domestic Partner as your agent under a durable power of attorney or health proxy;
- Ownership of a joint bank account, joint credit cards or other evidence of joint financial responsibility; or
- Other evidence of economic interdependence.

To qualify for coverage, your domestic partner's unmarried child(ren) must:

- Be the biological or adopted child of your domestic partner, a child for whom your domestic partner has legal guardianship, or a child who has been placed in your home for adoption; and
- Satisfy all other qualifications of eligible dependent children as described above.

Your domestic partner and his or her unmarried children must be U.S. citizens or legal residents to qualify for coverage.

Termination of relationship

If you have enrolled your domestic partner and his or her children for medical, dental, and/or vision care coverage and you terminate your domestic partnership, you must notify Citigroup by completing a Termination of Domestic Partnership Form within 31 days of the event. Contact the Benefit Service Center for this form. As a result, your domestic partner will be eligible to continue medical, dental, vision care, and/or Health Care Spending Account coverage at his or her expense for a period of 36 months.

This coverage will be similar to COBRA coverage offered to spouses and other covered dependents, excluding domestic partners and their children. See the **COBRA** section for more information.

If you enroll a partner and terminate the domestic partner relationship, you must wait six months before enrolling a new domestic partner in a medical, dental, or vision care plan sponsored by Citigroup.

Enrollment

You can enroll in Citigroup coverage within 31 days of the time you first become eligible or during the annual open enrollment period. The coverage available to you will be listed on your enrollment materials along with the enrollment deadline and how to enroll. You can enroll in any or all of the plans offered to you.

For the medical and dental plans, you must choose a “coverage category.” The four coverage categories are:

- Employee only;
- Employee + child(ren);
- Employee + spouse or domestic partner; and
- Employee + family.

You can choose a different coverage category for medical and dental. For example, you might enroll in “Employee only” coverage for medical, since your spouse has medical coverage at his or her employment and “Employee + spouse” for dental coverage since your spouse’s employer does not offer dental coverage.

Each category has a different cost. In addition, your cost for medical coverage will depend on your total compensation band as defined in **Your contributions**. You will find your costs in your enrollment materials.

If you elect vision care coverage, you must also designate a level of coverage (one person, two people, or three or more people). You do not need to be enrolled in the vision care plan to enroll a dependent for vision care coverage.

Other coverage

If you are eligible to enroll in coverage elsewhere, for example, through a spouse’s or other employer’s plan, you can compare the Citigroup coverage and costs with the other coverage. You may decide to enroll in some plans offered through Citigroup and some from the other source. For example, you might enroll in medical coverage elsewhere and in dental coverage from Citigroup.

However, if you are enrolling in coverage from two sources, be sure you understand how benefits are paid when you are covered by two group medical plans or group dental plans. *In many instances, you may pay for coverage from two group plans but you will not receive double benefits or even be reimbursed for 100% of your costs as a result of what is called “coordination of benefits.”* See **Coordination of benefits** for the guidelines on whose plan pays first.

When coverage begins

If:	Then:
You enroll for yourself and your eligible dependents when first eligible.	You have 31 days to enroll yourself and your eligible dependents. Coverage and contributions will be retroactive to your date of hire or date of eligibility.
You enroll for yourself and your eligible dependents during the annual open enrollment period.	Coverage will begin on January 1 of the following year.
You enroll in medical, dental, vision care, and/or spending account coverage for yourself or a new dependent within 31 days of a qualified status change.	Coverage for yourself or your dependent(s) will begin on the date of the qualified status change, such as the date of your marriage or divorce, your biological child's birth date, or the date your adopted child was placed for adoption.

Changing your coverage

During the year, you may want to change your coverage or coverage category. Citigroup has specific rules about when you can change your coverage.

For medical, dental, and vision care coverage and the Health Care Spending Account — the coverages you pay for with before-tax dollars — you can make changes only during the open enrollment period or as a result of certain events, such as marriage, the birth or adoption of a child, divorce, or the death of a dependent. These events are called qualified status changes. You must make any qualified status change-related changes to your coverage within 31 days of the event. See [Qualified status changes](#).

Type of coverage:	When you can change your coverage or coverage category:
Medical and dental	The annual open enrollment period or within 31 days of a qualified status change.
Vision care	The annual open enrollment period or within 31 days of a qualified status change.
Health Care Spending Accounts	The annual open enrollment period or within 31 days of a qualified status change.

Qualified status changes

The rules regarding qualified status changes apply to coverage elections you make for your medical, dental, vision care, and the health care spending account coverage. In general, the benefit plans and coverage levels you choose at open enrollment remain in effect for the following calendar year. However, you may be able to change your elections between annual enrollment periods if you have a qualified status change or other applicable event, as further explained below.

The following is a list of qualified status changes that will allow you to make a change to your elections (as long as you meet the consistency requirements, as described below):

- **Legal marital status.** Any event that changes your legal marital status, including marriage, divorce, death of a spouse, legal separation, or annulment;
- **Domestic partnership status.** You enter into or terminate a domestic partnership;
- **Number of dependents.** Any event that changes your number of tax dependents, including birth, death, adoption, and placement for adoption;
- **Employment status.** Any event that changes your, your spouse's, or your other dependent's employment status that results in gaining or losing eligibility for coverage. Examples include:
 - Beginning or terminating employment;
 - A strike or lockout;
 - Starting or returning from an unpaid leave of absence;
 - Changing from part-time to full-time employment or vice versa; and
 - A change in work location.
- **Dependent status.** Any event that causes your tax dependents to become eligible or ineligible for coverage because of age, student status, or similar circumstances;
- **Residence.** A change in the place of residence for you, your spouse, or another dependent if outside your medical or dental plan's network service area.

Coverage changes will be administered in accordance with applicable Treasury Regulations (Treasury Regulation section 1.125-4).

Consistency requirements

The changes you make to your medical, dental, vision care, and spending account coverages must be "due to and consistent with" your qualified status change. To satisfy the federally required "consistency rule," your qualified status change and corresponding change in coverage must meet both of the following requirements.

Effect on eligibility

The qualified status change must affect eligibility for coverage under the plan or under a plan sponsored by the employer of your spouse or other dependent. For this purpose, eligibility for coverage is affected if you become eligible (or ineligible) for coverage or if the qualified status change results in an increase or decrease in the number of your dependents who may benefit from coverage under the plan.

Corresponding election change

The election change must correspond with the qualified status change. For example, if your dependent loses eligibility for coverage under the terms of the health plan, you may cancel medical coverage only for that dependent. Additionally, you may increase or start contributions to a Health Care Spending Account if you add a dependent. The Plan Administrator will determine whether a requested change is due to a qualified status change and is consistent with the qualified status change.

Coverage & cost events

In some instances, you can make changes to your benefits coverage for other reasons, such as midyear events affecting your cost or coverage, as described below. However, in no event will any cost or coverage event allow you to make a change to your Health Care Spending Account election.

Coverage events

If Citigroup adds or eliminates a plan option in the middle of the plan year, or if Citigroup-sponsored coverage is significantly limited or ends, you and your eligible dependents can elect different coverage in accordance with Internal Revenue Service (“IRS”) regulations.

For example, if there is an overall reduction under a plan option that reduces coverage to participants in general, participants enrolled in that plan option may elect coverage under another option providing similar coverage (if the other plan option permits). Additionally, if Citigroup adds an HMO or other plan option midyear, participants can drop their existing coverage and enroll in the new plan option (if the new plan option permits). You and/or your eligible dependents may also enroll in the new plan option even if not previously enrolled for coverage at all (if the new plan option permits).

Also, if an election change is permitted during a different open enrollment period applicable to a plan of another employer (or, if applicable, to another plan sponsored by Citigroup), you may make a corresponding midyear election change.

If another employer’s plan allows your spouse or other dependent to make a mid-year change to his or her elections in accordance with IRS regulations, you may make a corresponding midyear election change to your coverage.

Cost events

You must contact Citigroup within 31 days of a cost event. Otherwise, your next opportunity to make changes will be the next enrollment period or when you have a qualified status change or other applicable event, whichever occurs first.

If your cost for medical, dental, or vision care coverage increases or decreases significantly during the year, you may make a corresponding election change. For example, you may elect another plan option with similar coverage, or drop coverage if no coverage is available. Additionally, if there is a significant decrease in the cost of a plan during the year, you may enroll in that plan, even if you declined to enroll in that plan earlier.

Any change in the cost of your plan option that is *not* significant will result in an automatic increase or decrease, as applicable, in your share of the total cost.

Other rules

Medicare or Medicaid entitlement: You may change an election for medical coverage midyear if you, your spouse, or your eligible dependent becomes entitled to, or loses entitlement to, coverage under Part A or Part B of Medicare, or under Medicaid. However, you are limited to reducing your medical/dental coverage only for the person who becomes entitled to Medicare or Medicaid, and you are limited to adding medical/dental coverage only for the person who loses eligibility for Medicare or Medicaid.

Family and Medical Leave Act: You may drop medical (including the Health Care Spending Account), dental, and vision care coverage midyear when you begin an unpaid leave, subject to the provisions of the Family and Medical Leave Act (FMLA). If you drop coverage or if you fail to make payments for benefit coverage during your FMLA leave, when you return from the FMLA leave, you have the right to be reinstated to the same elections you made prior to taking your FMLA leave.

Special note regarding domestic partner coverage: The events qualifying you to make a midyear election change described in this section also apply to events related to a qualified domestic partner. However, IRS rules generally do not permit you to make a midyear change “on a *before-tax* basis” for such events unless they involve a *tax* dependent. Thus, if you make a midyear change due to an event involving your domestic partner, that change must generally be made “on a *post-tax* basis,” unless your domestic partner can be claimed as your dependent for federal income tax purposes. (Exceptions may be made if

your domestic partner makes an election change under his or her employer's plan in accordance with IRS regulations.) Please see IRS Publication 17, *Your Federal Income Tax*, for a discussion of the definition of a tax dependent. The publication is available at www.irs.gov/formspubs/index.html.

Changing your coverage status

You must make changes to your health benefits *within 31 days* of a qualified status change by calling the Benefit Service Center. The change will be effective on the date of your status change.

Your contributions

Your contributions for medical, dental, and vision care are based on the plan chosen and the coverage category. Your medical contribution also depends on your total compensation and which total compensation band applies to you. The required employee contributions to the medical, dental and vision plans increase as compensation increases. The compensation bands for 2007 are shown in the table below. Contributions for your Health Care Spending Account are determined by your contribution amount and not by your compensation band.

Total compensation bands on which employee contributions for medical coverage are based:
\$20,000 or less
\$20,001 – \$25,000
\$25,001 – \$40,000
\$40,001 – \$60,000
\$60,001 – \$80,000
\$80,001 – \$100,000
\$100,001 – \$150,000
\$150,001 – \$250,000
\$250,001 – \$500,000
\$500,000 +

For purposes of calculating your medical cost and coverage amounts, total compensation is determined each year and will apply for the entire calendar year.

With respect to the current plan year, total compensation consists of (a) the annual rate of regular base pay based on scheduled work hours, excluding any shift differentials, as of July 1 of the calendar year (the "Prior Year") which precedes the current plan year; (b) any commissions paid during the calendar year which precedes the Prior Year; (c) any non-annual cash bonuses paid during the calendar year which precedes the Prior Year; and (d) any annual bonus earned during the calendar year which precedes the Prior Year and that is paid in cash or in the form of an equity award under the Core Capital Accumulation Program during such calendar year or the Prior Year.

Notwithstanding the foregoing, total compensation shall include severance payments for purposes of individuals who participate in the Plan post-employment while receiving severance pay. The list of items that constitute total compensation under the Plan is exclusive, and shall not include any extraordinary payments, including but not limited to those related to settlements or forgivable loans or any other amounts, unless specifically set forth in the plan document or in an agreement or statement of policy approved or authorized by the Senior Human Resources Officer of Citigroup Inc. or his or her delegate."

For example, the total compensation for the 2007 plan year includes:

- Base pay annualized as of July 1, 2006 (excluding shift differentials);
- Commissions paid from January 1 – December 31, 2005;
- Cash bonuses paid from January 1 – December 31, 2005 (excluding any annual bonus); and
- 2005 annual bonus (paid in 2005 and/or 2006).

If you were hired or rehired on or after July 1, 2006, your total compensation is your annualized base pay as of your date of hire.

If you are a part-time employee, your total compensation will be calculated as follows:

- Hourly rate of pay as of July 1, 2006 × 52 weeks × the number of hours scheduled to work

For Global Wealth Management Financial Advisors and Global Consumer Group Financial Executives of CBNA

In your first year of employment, your compensation is considered to be \$60,000. If you earned more than \$60,000 at a previous employer in the prior year and want your insurance coverage to represent your prior earnings, you can, but do not have to, provide a copy of your previous years Form W-2 Wage and Tax Statement to your HR representative within 30 days of your hire date. Providing a copy of your previous years Form W-2 is optional.

If you provide a copy of the form, your Basic Life insurance amount will be set at the higher amount (up to \$200,000) shown on the form. Your contributions for medical coverage, Optional GUL amount, and LTD benefits and contributions also will be based on the higher amount.

Your decision to have your total compensation set at \$60,000 or your actual amount is irrevocable.

Before-tax contributions

When you choose coverage that requires a payroll contribution, most of your contributions are made with before-tax dollars. This means your contributions come out of your pay before federal income and employment taxes are deducted. Before-tax contributions reduce your gross salary, which lowers your taxable income and, therefore, the amount of income tax you must pay. Contributions may, however, be subject to state or local income taxes in certain jurisdictions.

Social Security taxes

Each year you pay Social Security taxes on a certain level of your earnings, called the taxable wage base. Since the before-tax dollars you use for some of your plan contributions are not considered part of your pay for Social Security tax purposes, your Social Security taxes will also be reduced if your pay falls below the taxable wage base after these before-tax dollars are subtracted from your total earnings. In this case, your future Social Security benefit may be smaller than if after-tax dollars were used for those purposes.

Domestic partners

The cost of coverage for a domestic partner is the same as the cost for a spouse. The cost of coverage for a domestic partner's child(ren) is the same as the cost for a dependent child. For the cost of domestic partner coverage in a particular plan, call the Benefit Service Center.

If your domestic partner and his or her child(ren) qualify as your dependents under section 152 of the Code, as determined without regard to subsections (b)(1), (b)(2) and (d)(1)(B) thereof, your contributions for domestic partner medical, dental, and/or vision care coverage will be taken on a pre-tax basis.

However, if your partner and his or her child(ren) do not qualify as dependents for federal income tax purposes as described above, you will pay for their medical, dental, and/or vision care coverage with after-tax dollars.

Tax implications

According to federal tax law, your taxes may be affected when you enroll your domestic partner in Citigroup coverage.

If your domestic partner does NOT qualify as a tax dependent: If your domestic partner and his or her child(ren) do not qualify as dependents for federal income tax purposes as described above, the cost of any medical, dental, and/or vision care coverage for your domestic partner and/or his or her child(ren) is considered "imputed income" and will be shown on your pay statement and Form W-2. You will pay taxes on the amount of imputed income.

If your domestic partner qualifies as a tax dependent: If your domestic partner and his or her child(ren) qualify as dependents for federal income tax purposes as described above, your contributions for their medical, dental, and/or vision care coverage will be taken before taxes are withheld, and there are no tax implications for you.

Since the tax requirements are complex, you should consult a tax professional for advice on your personal situation.

To review the qualifications of a section 152 dependent, see IRS Publication 501 at www.irs.gov/formspubs/index.html.

Coordination of benefits

Coordination of benefits provisions apply to the Health Benefit Plan and the Dental Benefit Plan only and are described in this section.

All payments under these Plans will be coordinated with benefits payable under any other group benefit plans that provide coverage for you or your dependent(s). Coordination of benefits prevents duplication and works to the advantage of all members of the group.

When you or your dependent(s) are eligible for benefits under another group plan, the eligible expenses under the applicable Citigroup Plan will be determined. One of the plans involved will pay benefits first — the primary plan — and the other plan(s) will pay benefits next — the secondary plan(s).

The following definitions apply to terms used in this section:

- **Allowable expense:** Includes any necessary, reasonable, and customary expense that would be covered in full or in part under the Citigroup Plan. When an HMO provides benefits in the form of furnishing services or supplies rather than cash payments, the service or supply will not be considered an allowable expense or a benefit paid.
- **Plan:** Most plans under which group health benefits are provided, including group insurance closed panel or other forms of group or group-type coverage (whether insured or uninsured), medical care components of group long-term care contracts (such as skilled nursing care), medical benefits under group or individual automobile contracts, Workers' Compensation, and Medicare or other governmental benefits, as permitted by law.
- **Primary plan:** A benefit plan that has primary liability for a claim.
- **Secondary plan:** A benefit plan that adjusts its benefits by the amount payable under the primary plan.

The Citigroup Plan will be the primary plan on claims:

- For you, if you are not covered as an employee by another plan;
- For your spouse, if your spouse is not covered as an employee by another plan; and
- For your dependent children, the birthdays of the parents are used to determine which coverage is primary. The coverage of the parent whose birthday (month and day) comes first in the calendar year will be considered primary coverage (For example, if your spouse's birthday is in January and your birthday is in May, your spouse's plan is the primary plan for your children). If both parents have the same birthday, then the coverage that has been in effect the longest is primary. This rule applies only if the parents are married to each other.

When the Citigroup Plan is the primary plan, it will pay benefits first. Benefits will be calculated according to the terms of the Plan and will not be reduced due to benefits payable under other plans.

When the Citigroup Plan is the secondary plan, benefits under the Citigroup Plan may be reduced. The Claim Administrator will determine the amount the Citigroup Plan normally would pay. Then the amount payable under the primary plan for the same expenses will be subtracted from the amount the Citigroup Plan would have normally paid. The Citigroup Plan will pay you the difference. If the Citigroup Plan is secondary, you will never be paid more for the same expenses under both the Citigroup Plan and the primary plan than the Citigroup Plan would have paid alone.

When the Citigroup Plan is secondary and the patient is covered under an HMO, benefits under the Citigroup Plan will be limited to the copayment, if any, for which you would have been responsible under the HMO, whether or not the services provided are rendered by the HMO.

When a child is claimed as a dependent by parents who are separated or divorced, the primary plan is the plan of the parent who has court-ordered financial responsibility for the dependent child's health care expenses. Otherwise, the Citigroup Plan will be secondary. When a child's parents are separated or divorced and there is no court decree, then benefits will be determined in the following order:

- The plan of the parent with custody of the child;
- The plan of the spouse of the parent with custody of the child;
- The plan of the parent not having custody of the child.

In the event that a legal conflict exists between two plans as to which is primary and which is secondary, the plan that has covered the patient for the longer time will be considered primary. When a plan does not have a coordination of benefits provision, the rules in this provision are not applicable and such plan's coverage is automatically considered primary.

With regard to any governmental health care coverage provided during a military leave, any health care coverage provided under the Citigroup Plans (including any such coverage required under USERRA, COBRA or other law or under any Citigroup military leave policy) will be secondary to the governmental health care coverage.

Coordination with Medicare

When you or your eligible dependents are entitled to Medicare and are covered under the Citigroup Plan, the Citigroup Plan continues to be the primary plan. The Citigroup Plan is primary for the following situations:

- Eligible active employees age 65 and over and who are entitled to Medicare benefits;
- Dependent spouses age 65 and over who participate in the Citigroup Plan on the basis of current employment status of the employee and who are entitled to Medicare benefits;
- Social Security disabled participants who are covered by the Citigroup Plan on the basis of your active employment status with Citigroup and who are entitled to Medicare benefits; and
- For the first 30 months of Medicare entitlement, certain individuals who become eligible for Medicare on the basis of having end-stage renal disease (ESRD).

If you are entitled to Medicare and want Medicare as your primary coverage, you must decline Citigroup medical coverage. From that point forward, Medicare will be your only coverage, and no benefits will be provided by the Citigroup Plan.

If you or a covered family member becomes covered by Medicare after a COBRA election is made, your COBRA coverage will end.

No-fault automobile insurance

In states with no-fault automobile insurance, the automobile insurance carrier is the primary insurance for injuries resulting from an automobile accident. All medical expenses related to the automobile accident should be submitted to the automobile insurance carrier first. The Citigroup Plan will pay covered expenses not payable under the no-fault automobile insurance according to the coordination of benefit rules discussed above.

Facility of payment

When benefit payments that would have been made under a Citigroup Plan have been made under another plan, the Citigroup Plan has the right to pay the other plan the amount that satisfies the intent of the provision. Any payment made will be considered payment of benefits under the Citigroup Plan and, to the extent of such payments, the Citigroup Plan's obligation to pay benefits will be satisfied.

Right of recovery

The Citigroup Plan has the right to recover any payment made in excess of the maximum amount payable under this provision. The Citigroup Plan may recover from one or more of the following entities in an effort to make the Plan whole:

- Any persons it paid or for whom payment was made;
- Any insurer, and any other organization; or
- Any entity that was thereby enriched.

Release of information

Certain facts are needed to apply the rules of this provision. The Claim Administrator has the right to decide which facts are needed. The Claim Administrator may get the needed facts from or give them to any other organization or person. The Claim Administrator need not tell, or get the consent of, any person to do this. At the time a claim for benefits is made, the Claim Administrator will determine the information necessary to operate this provision.

Citigroup will use and disclose health care information that relates to Plan participants only as appropriate for Plan administration and only as permitted by applicable law.

Recovery provisions

Recovery provisions apply to the Health Benefit Plan and the Dental Benefit Plan and are described in this section.

Refund of overpayments

Whenever payments have been made by a Plan with respect to covered or non-covered expenses in a total amount, at any time, in excess of the maximum amount payable under the Plan's provision, the covered person(s) must make a refund to the Plan in the amount paid in excess of the amount payable under the Plan and help the Plan obtain the refund from another person or organization.

If the covered person(s) or any other person or organization that was paid does not promptly refund the full amount, the Plan may reduce the amount of any future benefits that are payable. The reductions will equal the amount it should have paid. In the case of recovery from a source other than the Plan, the refund equals the amount of recovery up to the amount paid under the Plan. The Plan may have other rights in addition to the right to reduce future benefits.

Reimbursement

This section applies when a covered person recovers damages, by settlement, verdict, or otherwise, for an injury, sickness, or other condition. If the covered person has made, or in the future may make, such a recovery, including a recovery from an insurance carrier, the Plan will not cover either the reasonable value of the services to treat such an injury or illness or the treatment of such an injury or illness.

However, if the Plan does pay or provide benefits for such an injury, sickness, or other condition, the covered person — or the legal representatives, estate, or heirs of the covered person — will promptly reimburse the Plan from all recovery amounts (whether or not characterized as related to medical expenses) from any settlement, verdicts, or insurance proceeds received by the covered person (or by the legal representatives, estate, or heirs of the covered person) to the extent that medical benefits have been paid for or provided by the Plan to the covered person.

If the covered person receives payment from a third party or his or her insurance company as a result of an injury or harm due to the conduct of another party and the covered person has received benefits from the Plan, the Plan must be reimbursed first. In other words, the covered person's recovery from a third party may not compensate the covered person fully for all of the financial expenses incurred because acceptance of benefits from the Plan constitutes an agreement to reimburse the Plan for any benefits the covered person receives.

The covered person also must take any reasonably necessary action to protect the Plan's subrogation and reimbursement right. That means by accepting benefits from the Plan, the covered person agrees to notify the Plan Administrator if and when the covered person institutes a lawsuit or other action, or enters into settlement negotiations with another party (including his or her insurance company) in connection with or related to the conduct of another party. The covered person also must cooperate with the Plan Administrator's reasonable requests concerning the Plan's subrogation and reimbursement rights and must keep the Plan Administrator informed of any important developments in his or her action. The covered person also agrees that the Plan Administrator may withhold any future benefits paid by this Plan or any other disability or health Plan maintained by Citigroup or its participating companies to the extent necessary to reimburse this Plan under the Plan's subrogation or reimbursement rights.

In order to secure the rights of the Plan under this section, the covered person hereby:

- Grants to the Plan a first priority lien against the proceeds of any such settlement, verdict or other amounts received by the covered person to the extent of all benefits provided in an effort to make the Plan whole; and
- Assigns to the Plan any benefits the covered person may have under any automobile policy or other coverage. The covered person shall sign and deliver, at the request of the Plan or its agents, any documents needed to protect such lien or to effect such assignment of benefits.

The covered person will cooperate with the Plan and its agents and will:

- Sign and deliver such documents as the Plan or its agents reasonably request to protect the Plan's right of reimbursement;
- Provide any relevant information; and
- Take such actions as the Plan or its agents reasonably request to assist the Plan in making a full recovery of the value of the benefits provided.

If the covered person does not sign and deliver any such documents for any reason (including but not limited to the fact that the covered person was not given an agreement to sign or is unable or refused to sign), the Plan Administrator, in its sole discretion, may or may not advance benefits to the covered person under the Plan. If the Plan Administrator has advanced benefits, it has the right to subrogation and reimbursement whether or not the covered person has signed the agreement. The covered person shall not take any action that prejudices the Plan's right of reimbursement.

Subrogation

This section applies when another party is, or may be considered, liable for a covered person's injury, sickness, or other condition (including insurance carriers who are so liable) and the Plan has provided or paid for benefits.

The Plan is subrogated to all the rights of the covered person against any party liable for the covered person's injury or illness or for the payment for the medical treatment of such injury or occupational illness (including any insurance carrier), to the extent of the value of the medical benefits provided to the covered person under the Plan. The Plan may assert this right independently of the covered person.

The covered person is obligated to cooperate with the Plan and its agents in order to protect the Plan's subrogation rights. Cooperation means providing the Plan or its agents with any relevant information requested by them, signing and delivering such documents as the Plan or its agents reasonably request to secure the Plan's subrogation claim, and obtaining the consent of the Plan or its agents before releasing any party from liability for payment.

If the covered person enters into litigation or settlement negotiations regarding the obligations of other parties, the covered person must not prejudice, in any way, the subrogation rights of the Plan under this section.

The costs of legal representation retained by the Plan in matters related to subrogation shall be borne solely by the Plan. The costs of legal representation retained by the covered person shall be borne solely by the covered person.

When coverage ends

For any of the Plans, your coverage automatically will terminate on the earliest of the following dates:

- The date the Citigroup Plan terminates;
- The last day for which the necessary contributions are made;
- Midnight of the last day of the month in which you retire, you die, or you otherwise cease to be eligible for coverage;
- The date benefits paid on behalf of a participant equal the lifetime maximum benefit under the Citigroup Plan. Coverage for eligible dependents who have not reached their lifetime maximum will not be affected; or
- Midnight of the last day of employment if your termination is due to gross misconduct.

Your eligible dependent's coverage automatically will terminate on the earliest of the following dates:

- Midnight of the last day of the month in which your coverage terminates;
- The date you elect to terminate your eligible dependent's coverage (which termination must be in accordance with Plan terms and applicable law);
- The last day for which the necessary contributions are made;
- The date the eligible dependent(s) ceases to be eligible for coverage. In general, coverage will remain in effect through December 31 of the year in which the child reaches the maximum age or is no longer a full-time student. Coverage will remain in effect through the end of the month in which the child gets married or obtains a full-time job;
- The date the eligible dependent(s) is covered as an employee under the Plan;
- The date the eligible dependent(s) is covered as the dependent of another employee under the Plan;
- The date the eligible dependent(s) enters the armed forces of any country or international organization;
- The date the dependent is no longer eligible for coverage under a QMCSO; or
- Midnight of the last day of the month in which you become legally separated or divorced (this applies to coverage for your spouse or domestic partner).

You and your eligible covered dependents may be able to continue coverage under COBRA. See **COBRA** for more information.

Coverage when you retire

You could be eligible for retiree health care coverage if you are at least age 55 with at least 5 years of service when you leave Citigroup. For more information on eligibility for this coverage, contact the Benefits Service Center. You will be required to contribute to the cost of coverage.

Coverage if you become disabled

If you are disabled, you and your eligible dependents may continue medical, dental, and vision care plan coverage and participation in the Health Care Spending Account for up to 13 weeks, as long as you make the active employee contributions. After you have been disabled for 13 weeks, if you are still disabled and/or long-term disability coverage is pending, your coverage will remain in effect and you will be billed for benefits.

If you are totally disabled, coverage will continue as follows.

Medical coverage* will continue for 52 weeks, including the 13-week period of short-term disability, as long as you make the active employee contributions after the short-term disability coverage ends. After that, you may continue medical coverage by making the same contributions as active employees, based on your length of service as shown in the table below. (After 52 weeks of disability, your employment will be terminated.) For purposes of the Plan, your length of service is based on your years of service. A year of service is any 12 consecutive months in which you have provided 1,000 hours of service.

Length of recognized Citigroup service as of week 52 from STD date	Medical continuation period after week 52 (the termination of your employment)
Less than two years	Six months
Two years to less than five years	Equal to length of service
Five years or more	As long as you are disabled or have not reached the maximum age limit to receive LTD benefits

At the end of the period, you may continue coverage through COBRA. The continuation period is considered part of the period of COBRA-continued coverage.

Dental coverage will continue for 52 weeks, including the 13-week period of short-term disability, as long as you make the active employee contributions after the short-term disability coverage ends. You may then continue coverage through COBRA. The continuation period is considered part of the period of COBRA-continued coverage.

Vision care coverage will continue for the 13-week period of short-term disability. No contribution is required during this time. You may then continue coverage through COBRA. The continuation period is considered part of the period of COBRA-continued coverage.

Health Care Spending Account participation will continue for the 13-week period of short-term disability, as long as you make the active employee contributions. No contribution is required during this time. You may then continue coverage through COBRA for the remainder of the calendar year.

*In the event LTD was not elected and/or preexisting condition causes a denial of LTD benefits, the schedule outlined will apply in those cases and the disability carrier will monitor the disability claim.

Coverage if you take a leave of absence

If you go on an approved leave of absence, you may continue coverage under the medical, dental, vision care, and health care spending account. Your reduction in hours (less than 20 hours per week) constitutes a COBRA qualifying event under the plans. See **COBRA** continuation of coverage. You will pay at a rate under the plans determined under a policy established by the Committee or Citigroup.”

Continuing coverage during FMLA

The federal Family and Medical Leave Act (FMLA) entitles eligible employees to take leave each year for serious illness, the birth or adoption of a child, or to care for a spouse, child, or parent who has a serious health condition. If you are eligible for FMLA, you may take up to a total of 13 weeks of leave each calendar year (except where state law mandates differently).

If you take an unpaid leave of absence that qualifies under FMLA, medical, dental, and vision care coverage for you and your dependents and your participation in the Health Care Spending Account may

continue as long as you agree to contribute your share of the cost of coverage during the leave. Your monthly contributions during a leave are made on an after-tax basis. You will be billed directly.

If you lose any coverage during an FMLA leave because you did not make the required contributions, you may reenroll when you return from your leave. Your coverage will start again on the first day after you return to work and make your required contributions.

If you do not return to work at the end of your FMLA leave, you will be entitled to purchase COBRA continuation coverage for your medical, dental, vision and Health Care Spending Account benefits. If your employment is terminated while you are on an FMLA leave, you may also be eligible to continue your insurance coverage under COBRA.

During an FMLA leave, you have access to the entire amount of your Health Care Spending Account annual election, less any prior reimbursements that you have received, as long as you continue to make your contributions during your leave of absence. If you stop making contributions, your participation in the Health Care Spending Account will terminate while you are on FMLA leave. In that case, you may not receive reimbursement for any health care expenses you incur after your coverage terminated.

If your Health Care Spending Account participation terminates during your leave, your Health Care Spending Account contributions will begin again if you return to work during the same year in which your leave began. You will have the choice of either resuming your contributions at the same level in effect before your FMLA leave or electing to increase your contribution level to “make up” for the contributions you missed during your leave. If you resume your prior contribution level, then the amount available for reimbursement for the year will be reduced by the contributions you missed during the leave. If you elect to make up contributions, then the amount available for reimbursement will be the same amount you could receive immediately before the leave. Regardless of whether you choose to resume your prior contribution level or to make up missed contributions, you may not use your Health Care Spending Account for expenses incurred during the period you did not participate.

Continuing coverage during military leave – Citigroup policy

If you take a military leave, whether for active duty or for training, you are entitled to continue your health coverage (including medical, dental, vision, and Health Care Spending Account) in accordance with the terms and conditions of the Citigroup Military Leave Policy. The policy generally provides for paid leave and subsidized employer contributions to health care continuation coverage for the duration of your leave, and is more generous in many respects than what federal law currently requires of employers. For a copy of the policy, please visit Citigroup.net. From the home page, use the search function and enter “military leave.” Then click on the most current policy. Employee contributions will be deducted automatically from your pay.

The start of a military leave is considered a qualified change in status. As a result, you may stop coverage under any of the health and welfare benefit plans in which you are enrolled or, if you have not previously done so, you may enroll in certain coverage.

You must contact the Benefits Service Center to enroll in or stop coverage. If you do not contact the Benefits Service Center, your benefit elections will continue in effect for the remainder of the year in which you are on a military leave (unless coverage stops automatically when your leave ends).

You can participate in any annual enrollment periods that occur while you are on a military leave. If you are unable to make elections during annual enrollment, your elections will continue in effect until you return from your leave when you can make new elections for all health and welfare plans. If you elect to discontinue coverage while on a leave, you will have the right to re-enroll when you return to work.

Contact the Benefits Service Center or contact your HR representative for more information about a military leave.

Continuing coverage during military leave – no Citigroup policy

In the event such policy expires or otherwise ceases to remain in effect, you are still entitled to continue coverage for you and your dependents under the Health Benefit Plan, the Dental Benefit Plan, the Vision Care Plan and the Health Care Spending Account for the length of your leave up to 24 months in accordance with the Uniformed Services Employment and Reemployment Rights Act of 1994, as long as you give Citigroup notice of your leave as soon as practicable (advance notice, if possible). Your payments would be on an after-tax basis.

If the entire length of the leave is 30 days or less, you will not be required to pay any more than the portion you paid before the leave. If the entire length of the leave is 31 days or longer, you may be required to pay up to 102% of the entire amount (including both company and employee contributions) necessary to cover an employee who does not go on military leave. Your other benefits will be terminated at the beginning of your military leave.

If you take a military leave, but your coverage under the plan is terminated, for instance, because you do not elect the extended coverage, you will be treated as if you had not taken a military leave upon re-employment when the Plans Administration Committee determines whether an exclusion or waiting period applies once you are reinstated to the plan. The Plans Administration Committee may take other steps to administer the Plans in accordance with USERRA and the Department of Labor regulations thereunder.

If you are on military leave for less than 24 months and you do not return to work at the end of your leave, you may be entitled to purchase COBRA continuation coverage, as your eligibility for COBRA will begin on the date your leave ends.

Call the Benefits Service Center or contact your HR representative for more information about a military leave.

Coverage for surviving dependents

When an active employee dies, his or her surviving covered spouse and/or dependent children were enrolled in active coverage at the time of the employee's death, the covered individuals will be eligible to continue health care coverage for six months at no cost.

- If the employee was not eligible for retiree health care coverage at the time of death, medical and dental coverage will continue for the surviving spouse and/or dependent children for six months at no cost. In order to have the six months of free medical and dental coverage for your spouse and dependents, they must elect COBRA continuation of coverage. After the six-month period, they will be eligible to continue coverage through COBRA. The six-month period of continued coverage is considered part of the COBRA period.
- If the employee was eligible for retiree health care coverage at the time of death, medical and dental coverage will continue for the covered spouse and/or dependents for six months at no cost pursuant to the COBRA election noted above. At the end of the six months, the surviving spouse and/or dependent children can either continue COBRA coverage or elect retiree health care coverage. Retiree health care coverage is provided on the same terms as it is for a retired employee.

COBRA

A federal law, the Consolidated Omnibus Budget Reconciliation Act (COBRA), requires that most employers sponsoring group health plans offer employees and eligible dependents the opportunity for a temporary extension of health coverage (called “continuation coverage”) at group rates in certain instances where coverage under the plan would otherwise end (called “qualifying events”). The following information is intended to inform you of your rights and obligations under the continuation coverage provisions of the law.

You do not have to show that you are insurable to choose continuation coverage. However, continuation coverage under COBRA is provided subject to your eligibility for coverage. Citigroup reserves the right to terminate your coverage retroactively if you are determined to be ineligible under the terms of the plan.

You will have to pay the entire premium plus a 2% administrative fee for your continuation coverage. There is a grace period of at least 30 days for the payment of the regularly scheduled premium. A 45-day grace period applies for your first premium payment.

Who is covered

If you are covered by a Citigroup-sponsored medical, dental, or vision care plans, or Health Care Spending Account, you have a right to choose this continuation coverage if you lose your group health coverage because of a reduction in your hours of employment or the termination of your employment (for reasons other than gross misconduct on your part). If you terminate employment following a leave of absence qualifying under the Family and Medical Leave Act, the event that will trigger continuation coverage is the earlier of the date that you indicate you will not be returning to work following the leave or the last day of the FMLA leave period.

If you are the spouse of an employee and are covered by a Citigroup-sponsored medical, dental, or vision care plans, or Health Care Spending Account on the day before the qualifying event, you are a qualified beneficiary and have the right to choose continuation coverage for yourself if you lose group health coverage under a Citigroup-sponsored group health plan for any of the following four reasons:

- The death of your spouse;
- The termination of your spouse’s employment (for reasons other than your spouse’s gross misconduct) or reduction in your spouse’s hours of employment;
- Divorce or legal separation from your spouse; or
- Your spouse becomes entitled to Medicare.

If you are a covered dependent child of an employee covered by a Citigroup-sponsored medical, dental, or vision care plans, or Health Care Spending Account on the day before the qualifying event, you also are a qualified beneficiary and have the right to continuation coverage if group health coverage under such plan is lost for any of the following five reasons:

- The death of the employee;
- The termination of the employee’s employment (for reasons other than the employee’s gross misconduct) or reduction in the employee’s hours of employment;
- The employee’s divorce or legal separation;
- The employee becomes entitled to Medicare; or
- The dependent ceases to be a “dependent child” under the Citigroup-sponsored medical, dental, or vision care plans, or Health Care Spending Account.

If the covered employee elects continuation coverage and then has a child (either by birth, adoption, or placement for adoption) during that period of continuation coverage, the new child is also eligible to become a qualified beneficiary. In accordance with the terms of the employer-sponsored group health plan and the requirements of federal law, these qualified beneficiaries can be added to COBRA coverage upon proper notification to Citigroup of the birth or adoption.

If the covered employee fails to notify Citigroup in a timely fashion (60 days from the date coverage was lost), the covered employee will *not* be offered the option to elect COBRA coverage for the child. Newly acquired dependents (other than children born to, adopted by, or placed for adoption with the employee) will not be considered qualified beneficiaries but may be added to the employee's continuation coverage.

Separate Elections: Each qualified dependent has an independent election right for COBRA coverage. For example, if there is a choice among types of coverage, each qualified dependent who is eligible for continuation of coverage is entitled to make a separate election among the types of coverage. Thus, a spouse or dependent child is entitled to elect continuation coverage even if the covered employee does not make that election. Similarly, a spouse or dependent child may elect different coverage than the employee elects.

Your duties

Under the law, the employee or a family member has the responsibility to inform Citigroup of a divorce, legal separation, or a child losing dependent status under the Citigroup-sponsored medical, dental, or vision care plans, or Health Care Spending Account. This notice *must* be provided within 60 days from the date of the divorce, legal separation or a child losing dependent status (or, if later, the date coverage would normally be lost because of the event).

If the employee or a family member fails to provide this notice to Citigroup during this 60-day notice period, any family member who loses coverage will *not* be offered the option to elect continuation coverage. The notice must be in writing. Send the notice to:

If you're an employee of any Citigroup business

Citigroup Service Center
P.O. Box 56710
Jacksonville, FL 32241-6710

When Citigroup is notified that one of these events has happened, Citigroup in turn will notify you that you have the right to choose continuation coverage. If you or your family member fails to notify Citigroup and any claims are mistakenly paid for expenses incurred after the date coverage would normally be lost because of the divorce, legal separation, or a child losing dependent status, then the employee and family members will be required to reimburse the employer-sponsored group health plans for any claims mistakenly paid.

Citigroup's duties

Qualified dependents will be notified of the right to elect continuation coverage automatically (without any action required by the employee or a family member) if any of the following events occurs that will result in a loss of coverage:

- The employee's death or termination (for reasons other than gross misconduct),
- A reduction in the employee's hours of employment, or
- The employee's entitlement to Medicare.

Electing COBRA

To elect or inquire about COBRA coverage, contact the Benefit Service Center.

Under the law, you must elect continuation coverage within 60 days from the date you would lose coverage because of one of the events described earlier, or, if later, 60 days after Citigroup provides you notice of your right to elect continuation coverage. *An employee or family member who does not choose continuation coverage within the time period described above will lose the right to elect continuation coverage.*

If you choose continuation coverage, Citigroup is required to give you coverage that, as of the time coverage is being provided, is identical to the coverage provided under the plan to similarly situated employees or family members. This means that if the coverage for similarly situated employees or family members is modified, your coverage will be modified. "Similarly situated" refers to a current employee or dependent who has not had a qualifying event.

Duration of COBRA

The law requires that you be afforded the opportunity to maintain continuation coverage for a minimum of 18 months if you lost group health coverage because of a termination of employment or reduction in hours. When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B or both), your divorce or legal separation, or a dependent's child's losing eligibility as a dependent child, COBRA continuation coverage is available for up to 36 months.

Additional qualifying events (such as your death, divorce, legal separation, or Medicare entitlement or your child's loss of dependent status) may occur while the continuation coverage is in effect.

If you lost coverage because of a termination of employment or a reduction in hours, these events can (but do not always) result in an extension of an 18-month continuation period to 36 months for your spouse and dependent children, but in no event will coverage last beyond 36 months from the date of the event that originally made a qualified dependent eligible to elect coverage. You must notify Citigroup if a second qualifying event occurs during your continuation coverage period.

When coverage ends, generally you can't convert your coverage to an individual medical policy. However, some HMOs do offer conversion to individual coverage. Contact your HMO directly.

Special Rule for HCSA: Except as required by law, the duration of COBRA continuation coverage for the Health Care Spending Account will not extend beyond the plan year in which the qualifying event occurred.

Special Rules for Disability: The 18 months may be extended to 29 months if the employee or covered family member is determined by the Social Security Administration to be disabled (for Social Security disability purposes) at any time during the first 60 days of continuation coverage. This 11-month extension is available to all family members who are qualified dependents due to termination or reduction in hours of employment, even those who are not disabled. To benefit from the extension, the qualified dependent must inform Citigroup within 60 days of the Social Security determination of disability and before the end of the original 18-month continuation coverage period. If, during continued coverage, the Social Security Administration determines that the qualified dependent is no longer disabled, the individual must inform Citigroup of this redetermination within 30 days of the date it is made, at which time the 11-month extension will end.

If a qualified beneficiary is disabled and another qualifying event occurs within the 29-month continuation period, then the continuation coverage period is 36 months after the termination of employment or reduction in hours.

If you become entitled to Medicare: If you lose coverage (medical, dental, or vision care plan, or Health Care Spending Account) due to your termination of employment or reduction in hours and you become

entitled to Medicare less than 18 months before the qualifying event, your eligible family member's COBRA coverage will not end before 36 months from the date you become covered by Medicare.

Early termination of COBRA

The law provides that COBRA continuation coverage may be cut short prior to the expiration of the 18-, 29-, or 36-month period for any person who elected COBRA for any of the following five reasons:

- Citigroup no longer provides group health coverage to any of its employees;
- The premium for continuation coverage is not paid on time (within the applicable grace period);
- The person who elected COBRA becomes covered — after the date COBRA is elected — under another group health plan (whether or not as an employee) that does not contain any applicable exclusion or limitation for any preexisting condition of that covered individual;
- The person who elected COBRA becomes entitled to Medicare after the date COBRA is elected; or
- Coverage has been extended for up to 29 months due to disability, and there has been a final determination made by the disability carrier that the individual is no longer disabled.

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) restricts the extent to which group health plans may impose preexisting condition limitations. If you become covered by another group health plan and that plan contains a preexisting condition limitation that affects you, your COBRA coverage cannot be terminated. However, if the other plan's preexisting condition rule does not apply to you by reason of HIPAA's restrictions on preexisting condition clauses, the plan may terminate your COBRA coverage.

COBRA and FMLA

A leave that qualified under the Family and Medical Leave Act (FMLA) does not make you eligible for COBRA coverage. However, regardless of whether you lose coverage because of nonpayment of premium during an FMLA leave, you are still eligible for COBRA on the last day of the FMLA leave, if you decide not to return to active employment. Your continuation coverage will begin on the earliest of the following to occur:

- When you definitively inform Citigroup that you are not returning at the end of the leave; or
- The end of the leave, assuming you do not return to work.

For purposes of an FMLA leave, you will be eligible for COBRA, as described above, only if:

- You or your dependent is covered by the plan on the day before the leave begins (or you or your dependent becomes covered during the FMLA leave); and
- You do not return to employment at the end of the FMLA leave.

Cost of coverage

Under the law, you may be required to pay up to 102% of the premium for your continuation coverage. If your coverage is extended from 18 to 29 months for disability, you may be required to pay up to 150% of the premium beginning with the 19th month of continuation coverage. The cost of group health coverage periodically changes. If you elect continuation coverage, Citigroup will notify you of any changes in the cost.

The initial payment for continuation coverage is due 45 days from the date of your election. Thereafter, you must pay for coverage on a monthly basis for which you have a grace period of at least 30 days.

If you have any questions about COBRA coverage or the application of the law, please contact the COBRA administrator at the address listed below. Also, if your marital status has changed, or you, your spouse or a dependent have changed addresses, or a dependent ceases to be a dependent eligible for coverage under the terms of the Plans, you must notify the COBRA administrator in writing immediately at the address listed below.

CREDITABLE COVERAGE DISCLOSURE NOTICE

For employees and former employees enrolled in Citigroup medical plans excluding the Premier and Basic High Deductible Health Plans.

This notice, required by Medicare to be delivered to Medicare-eligible individuals, contains information about your current prescription drug coverage with Citigroup and new prescription drug coverage available to people with Medicare. Keep this notice. If you enroll in Medicare prescription drug coverage, you may be asked to present this notice to prove that you had “creditable coverage” and, therefore, are not required to pay a higher premium than the premiums generally charged by the Medicare Part D plans. You may receive this notice at other times in the future, for example, before the next period in which you can enroll in Medicare prescription drug coverage and/or if your Citigroup prescription drug coverage changes such that the coverage ceases to be “creditable coverage.” You may request another copy of this notice by calling ConnectOne at 1-800-881-3938. From the main menu, choose the “health and welfare benefits” option and then follow the prompts for a Benefits Service Center representative.

Prescription drug coverage and Medicare

Starting January 1, 2006, prescription drug coverage through Medicare prescription drug plans became available to everyone with Medicare. This coverage is offered by private health insurance companies, not directly by the federal government. *All Medicare prescription drug plans provide at least a “standard” level of coverage set by Medicare.* Some plans also might offer more coverage for a higher monthly premium.

‘Creditable coverage’

You have prescription drug coverage through your Citigroup medical plan. Citigroup has determined that your Citigroup prescription drug coverage is “creditable coverage” because, on average for all plan participants, Citigroup prescription drug coverage is expected to pay in benefits at least as much as the standard Medicare prescription drug coverage will pay. Because your existing coverage is on average at least as good as standard Medicare prescription drug coverage, you can keep this coverage and not pay extra if you later decide to enroll in Medicare coverage.

Understanding the basics

It is up to you to decide what prescription drug coverage option makes the most financial sense for you and your family given your personal situation. If you are considering the option of joining a Medicare prescription drug plan available in your area, you need to carefully evaluate what that plan has to offer vs. the coverage you have through your Citigroup medical plan. Before you decide to join a Medicare prescription drug plan, be sure you understand the implications of doing so.

You *have* prescription drug coverage under your current Citigroup medical plan. Your prescription drug coverage under the Citigroup medical plan is considered primary to Medicare. This means that your Citigroup plan pays benefits first. Although you can choose to join a Medicare prescription drug plan in addition to your enrollment in a Citigroup medical plan, you should consider how Citigroup plan coverage would affect the benefits you receive under the Medicare prescription drug plan. If you drop your Citigroup prescription drug coverage and enroll in a Medicare prescription drug plan, you may not be able to get your Citigroup coverage back at a later date if you so choose. You should compare your current coverage carefully — including which drugs are covered — with the coverage and cost of the plans offering Medicare prescription drug coverage in your area. Your existing Citigroup coverage is, on average, *at least as good as standard Medicare prescription drug coverage* (this is your “creditable” coverage). As a result, you can keep your current Citigroup coverage and *not* pay extra if you decide you want to join a Medicare prescription drug plan. People can enroll in a Medicare prescription drug plan when they first become eligible for Medicare.

In addition, people with Medicare have the opportunity to enroll in a Medicare prescription drug plan during an annual enrollment period. If you drop or lose your coverage with Citigroup and do not immediately enroll in a Medicare prescription drug plan after your current coverage ends, you may pay more to enroll in a Medicare prescription drug plan later. If you go 63 days or longer without prescription drug coverage that is at least as good as Medicare's prescription drug coverage, your monthly premium will increase at least 1% for every month that you did not have that coverage. For example, if you go 19 months without coverage, your premium will always be at least 19% higher than what most other people pay for the same coverage. You must pay this higher premium percentage as long as you have Medicare coverage. In addition, you may have to wait until the next annual enrollment period to enroll.

Your HIPAA rights

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a federal law enacted to provide improved portability and continuity of health insurance coverage for dependents.

HIPAA restricts the ability of group health plans to exclude coverage for preexisting conditions. HIPAA also requires plans to provide a Certificate of Creditable Coverage and provide for special enrollment rights as described below.

Creditable coverage

Under HIPAA, when you and your dependents no longer have Citigroup medical coverage, you must receive certification of your coverage from the medical plan in which you were enrolled. You may need this certification in the event you later become covered by a new plan under a different employer, or under an individual policy.

You and/or your dependent(s) will receive a coverage certification when your medical plan coverage terminates, again when COBRA coverage terminates (if you elected COBRA), and upon your request (if the request is made within 24 months following either termination of coverage).

You should keep a copy of the coverage certification(s) you receive, as you may need to prove you had prior coverage when you join a new health plan. For example, if you obtain new employment and your new employer's plan has a preexisting condition limitation (which delays coverage for conditions treated before you were eligible for the new plan), the employer may be required to reduce the duration of the limitation by one day for each day you had prior coverage (subject to certain requirements). If you are purchasing individual coverage, you may need to present the coverage certification to your insurer at that time as well.

Your special enrollment rights

If you decline to enroll for Citigroup medical coverage for yourself and/or your eligible dependents, including your spouse, because you and/or your family members have other health coverage, you may in the future be able to enroll yourself or your dependents in Citigroup coverage *provided that you request enrollment within 31 days after the date your coverage ends because you or a family member loses eligibility under another plan or because COBRA coverage has ended*. In addition, if you have a new dependent as a result of a marriage, birth, or adoption or placement for adoption of a child, you also may be able to enroll yourself and your eligible dependents provided you call within 31 days after the marriage, birth, or adoption.

If you miss the 31-day deadline, you will have to wait until the next open enrollment *period* — or have another qualified status change or special enrollment *right* — to enroll.

To meet IRS regulations and plan requirements, Citigroup reserves the right at any time to request written documentation of any dependent's eligibility for plan benefits and/or the effective date of the qualifying event.

Your right to privacy and information security

HIPAA requires employer health plans to maintain the privacy and security of your health information. HIPAA also requires the Plans to provide you with a notice of the Plans' legal duties and privacy practices with respect to your health information. The notice will describe how the Plans may use or disclose your health information and under what circumstances they may share your health information without your authorization (generally, to carry out treatment, payment or health care operations). In addition, the notice will describe your rights with respect to your health information. Please refer to the Plans' privacy notice for more information. You can obtain a copy of the notice by contacting the Benefits Service Center.

The Plan Sponsor shall use and disclose individually identifiable health information ("Protected Health Information") as defined in 45 C.F.R. The Plan Sponsor shall report to the Plans any use or disclosure of Protected Health Information that is inconsistent with the uses or disclosures provided for herein of which it becomes aware.

The Plan Sponsor shall make available Protected Health Information and any disclosures thereof to these plans as required to provide an accounting of disclosures in accordance with 45 C.F.R. sec. 164.528.

The Plan Sponsor shall make its internal practices, books, and records relating to the use and disclosure of Protected Health Information received from the Plans available to the Secretary of the U.S. Department of Health and Human Services for purposes of determining compliance by the Plans with the HIPAA Privacy Rules; the Plan Sponsor shall notify the Plans of any such request by the Secretary prior to making such practices, book, and records available. The Plan Sponsor shall, if feasible, return or destroy all Protected Health Information received from the Plans that the Plan Sponsor maintains in any form and retain no copies of such information when no longer needed for the purposes for which the disclosures were made, except that, if such return or destruction is not feasible, the Plan Sponsor shall limit further uses and disclosures to those purposes that make the return or destruction of the information infeasible.

The Plan Sponsor shall ensure that only its employees or other persons within the Plan Sponsor's control that participate in administering the Plans shall be given access to Protected Health Information to be disclosed, including those employees or persons who receive Protected Health Information relating to Payment, Health Care Operations (as defined in the HIPAA Privacy Rules) of, or other matters pertaining to the Plans in the ordinary course of the Plan Sponsor's business and perform Plan administration functions. The Plan Sponsor agrees to demonstrate to the satisfaction of the Plans that it has put in place effective procedures to address any issues of noncompliance with the privacy rules described in this section by its employees or other persons within its control.

In addition, the Plan Sponsor shall implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of any Electronic Protected Health Information (as defined in the applicable HIPAA regulations) that it creates, receives, maintains or transmits on behalf of the Plans. The Plan Sponsor will also support the "firewall" described in the last sentence of the preceding paragraph with reasonable and appropriate security measures. The Plan Sponsor shall ensure that any agents or subcontractors to whom the Plan Sponsor supplies Electronic Protected Health information agree to implement reasonable and appropriate security measures to protect such information. The Plan Sponsor shall report any Security Incident (as defined in the applicable HIPAA regulations) of which it becomes aware to the applicable Plan.

If your claim is denied, in whole or in part, you will receive a written explanation detailing:

- The specific reasons for the denial;
- The specific references in the plan documentation on which the denial is based;
- A description of additional material or information you must provide to complete your claim and the reasons why that information is necessary;
- The steps to be taken to submit your claim for review;

- The procedure for further review of your claim; and
- A statement explaining your right to bring a civil action under section 502(a) of ERISA after exhaustion of the plan's appeals procedure.

If you have a question or concern about a benefit determination, you may informally contact Customer Service before requesting a formal appeal. If the Customer Service representative cannot resolve the issue to your satisfaction over the phone, you may submit your question in writing. However, if you are not satisfied with a benefit determination, you may appeal it as described here, without first informally contacting Customer Service. If you first informally contact Customer Service and later wish to request a formal appeal in writing, you should contact Customer Service and request an appeal. If you request a formal appeal, a Customer Service representative will provide you with the appropriate address of the Claim Administrator.

The Customer Service telephone number is shown on your ID card. Customer Service representatives are available to take your call during regular business hours, Monday through Friday. If you are appealing an urgent care claim denial, contact Customer Service immediately.

UnitedHealthcare level one appeal

If you disagree with a claim determination after following the above steps, you can contact the Claim Administrator in writing to formally request an appeal. If the appeal relates to a claim for payment, your request should include:

- The patient's name and the identification number from the ID card.
- The date(s) of medical service(s).
- The provider's name.
- The reason you believe the claim should be paid.
- Any documentation or other written information to support your request for claim payment.

Your first appeal request must be submitted to the Claim Administrator within 180 days after you receive the claim denial.

During the 180-day period, you may review any pertinent documents and information relevant to your claim, if you make a request in writing. This material includes all information that was relied on in making the benefit determination; that was submitted to, considered, or generated by the Claim Administrator in considering the claim; and that demonstrates the Claim Administrator's processes for ensuring proper, consistent decisions.

During the review, you will be given an opportunity to request a hearing and present your case in person or by an authorized representative at a hearing scheduled by the Claim Administrator. If the decision on review is not received within such time, the claim shall be deemed denied on review.

A qualified individual who was not involved in the decision being appealed will be appointed to decide the appeal. If your appeal is related to clinical matters, the review will be done in consultation with a health care professional with appropriate expertise in the field who was not involved in the prior determination. The Claim Administrator may consult with, or seek the participation of, medical experts as part of the appeal resolution process. You consent to this referral and the sharing of pertinent medical claim information. Upon request and free of charge you have the right to reasonable access to and copies of, all documents, records, and other information relevant to your claim for benefits.

You will be provided written or electronic notification of decision on your appeal as follows:

- For appeals of pre-service claims, the first level appeal will be conducted and you will be notified by the Claim Administrator of the decision within 15 days from receipt of a request for appeal of a denied claim.
- For appeals of post-service claims, the first level appeal will be conducted and you will be notified by the Claim Administrator of the decision within 30 days from receipt of a request for appeal of a denied claim.

UnitedHealthcare level two appeal

If you are not satisfied with the first level appeal decision of the Claim Administrator, you have the right to request a second level appeal from the Claim Administrator. Your second level appeal request must be submitted to the Claim Administrator within 60 days from receipt of first level appeal decision.

For appeals of pre-service claims, the second level appeal will be conducted and you will be notified by the Claim Administrator of the decision within 15 days from receipt of a request for review of the first level appeal decision.

For appeals of post-service claims, the second level appeal will be conducted and you will be notified by the Claim Administrator of the decision within 30 days from receipt of a request for review of the first level appeal decision.

For pre-service and post-service claim appeals, Citigroup has delegated to the Claim Administrator the exclusive right to interpret and administer the provisions of the Health Benefit Plan. The Claim Administrator's decisions are conclusive and binding. Please note that the Claim Administrator's decision is based only on whether or not benefits are available under the Plan for the proposed treatment or procedure. The determination as to whether the pending health service is necessary or appropriate is between you and your physician.

UnitedHealthcare urgent claim appeals

Your appeal may require immediate action if a delay in treatment could significantly increase the risk to your health or the ability to regain maximum function or cause severe pain. In these urgent situations, the appeal does not need to be submitted in writing. You or your physician should call the Claim Administrator as soon as possible. The Claim Administrator will provide you with a written or electronic determination within 72 hours following receipt of your request for review of the determination taking into account the seriousness of your condition.

For urgent claim appeals, Citigroup has delegated to the Claim Administrator the exclusive right to interpret and administer the provisions of the Health Benefit Plan. The Claim Administrator's decisions are conclusive and binding.

Concurrent care claims (for ongoing treatment)	<p>Decision made within 24 hours for urgent care treatment</p> <p>Decision made sufficiently in advance for all other claims</p>

* Time period allowed to make a decision is suspended pending receipt of additional information.

Claim forms may be obtained at www.citigroup.net. These forms tell you how and when to file a claim.

If your claim is denied, in whole or in part, you will receive a written explanation detailing:

- The specific reasons for the denial;
- The specific references in the plan documentation on which the denial is based;
- A description of additional material or information you must provide to complete your claim and the reasons why that information is necessary;

Appeals for Aetna medical plans

You will have two levels of appeal for both administrative and clinical appeals in accordance with the definitions below.

Administrative appeals are defined as appeals in response to denials based on contractual or benefit exclusion, limitation, or exhaustion not requiring clinical judgment. Administrative denials do not require a clinician to interpret the contractual limitation or apply clinical judgment to the limitation.

Clinical appeals are defined as appeals in response to denials based on clinical judgment for the determination and application the terms of the plan to the member's medical circumstances.

You will have 180 days following receipt of a claim denial to appeal the decision. You will be notified of the decision no later than 15 days (for pre-service claims) or 30 days (for post-service claims) after the appeal is received. You may submit written comments, documents, records, and other information relating to your claim, whether or not the comments, documents, records, or information were submitted in connection with the initial claim. You may also request that the Claim Administrator provide you, free of charge, copies of all documents, records, and other information relevant to the claim.

During the review, you will be given an opportunity to request a hearing and present your case in person or by an authorized representative at a hearing scheduled by the Claim Administrator.

For pre-service and post-service claim appeals, Citigroup has delegated to the Claim Administrator the exclusive right to interpret and administer the provisions of the Health Benefit Plan. The Claim Administrator's decisions are conclusive and binding. Please note that the Claim Administrator's decision is based only on whether or not benefits are available under the plan for the proposed treatment or procedure. The determination as to whether the pending health service is necessary or appropriate is between you and your physician.

If your claim involves urgent care, an expedited appeal may be initiated by a telephone call to Member Services. Aetna's Member Services telephone number is on your identification card. You or your authorized representative may appeal urgent care claim denials either orally or in writing. All necessary information, including the appeal decision, will be communicated between you and your authorized representative and the Claim Administrator by telephone, fax, or other similar method. You will be notified of the decision not later than 36 hours after the appeal is received. If you are dissatisfied with the appeal decision, you may file a second level appeal within 60 days of receipt of the level one appeal decision. The appeal will be handled in the same timeframes as the first level appeal and a notice will be sent to you explaining the decision.

A qualified individual who was not involved in the decision being appealed will be appointed to decide the appeal. If your appeal is related to clinical matters, the review will be done in consultation with a health care professional with appropriate expertise in the field who was not involved in the prior determination. The Claim Administrator may consult with, or seek the participation of, medical experts as part of the appeal resolution process. You consent to this referral and the sharing of pertinent medical claim information. Upon request and free of charge you have the right to reasonable access to and copies of, all documents, records, and other information relevant to your claim for benefits.

You must exhaust the applicable level one and level two processes of the appeal procedure before you contact the Department of Insurance to request an investigation of a complaint or appeal; or file a complaint of appeal with the Department of Insurance; or establish any litigation; or arbitration; or administrative proceeding; regarding an alleged breach of the policy terms by Aetna Life Insurance Company; or any matter within the scope of the appeals procedure.

External Review

An “External Review” is a review by independent physician, with appropriate expertise in the area at issue, of claim denials based upon lack of medical necessity or the experimental or investigational nature of a proposed service or treatment.

You may, at your option, obtain External Review of a claim denial provided the following are satisfied:

- You have exhausted the Aetna appeal process for denied claims, as outlined in this ***Claims and appeals for Aetna medical plans*** section of this document and you have received a final denial;
- The appeal is made by the member of the member's authorized representative.
- The final denial was based upon a lack of medical necessity, or the experimental or investigational nature of the proposed service or treatment; and
- The cost of the service or treatment at issue for which the member is financially responsible exceeds \$500.

If you meet the eligibility requirements listed above, you will receive written notice of your right to request an External Review at the time the final decision on your internal appeal has been rendered. Either you or an individual acting on your behalf will be required to submit to Aetna the External Review Request Form (except under expedited review as described below), a copy of the plan denial of coverage letter, and all other information you wish to be reviewed in support of your request. Your request for an External Review must be submitted in writing to Aetna within 60 calendar days after you receive the final decision on your internal appeal.

Aetna will contact the “External Review Organization” that will conduct your External Review. The External Review Organization will then select an independent physician with appropriate expertise in the area at issue for the purpose of performing the External Review. In rendering a decision, the external reviewer may consider any appropriate credible information submitted by you with the External Review Request Form, and must follow the applicable plan’s contractual documents and plan criteria governing the benefits.

The External Review Organization will generally notify you of the decision within 30 calendar days of Aetna’s receipt of a properly completed External Review Form. The notice will state whether the prior determination was upheld or reversed, and briefly explain the basis for the determination. The decision of the external reviewer will be binding on the plan, except where Aetna or the plan can show reviewer conflict of interest, bias, or fraud. In such cases, notice will be given to you and the matter will be promptly resubmitted for consideration by a different reviewer.

An expedited review is available when your treating physician certifies on a separate Request For Expedited External Review Form (or by telephone with prompt written follow-up) the clinical urgency of the situation. “Clinical urgency” means that a delay (waiting the full 30-calendar-day period) in receipt of the service or treatment would jeopardize your health. Expedited reviews will be decided within five calendar days of receipt of the request. In the case of such expedited reviews, you will initially be notified of the determination by telephone, followed immediately by a written notice delivered by expedited mail or fax.

You will be responsible for the cost of compiling and sending the information that you wish to be reviewed by the External Review Organization to Aetna. Aetna is responsible for the cost of sending this information to the External Review Organization. The professional fee for the External Review will be paid by Aetna.

In order for an individual to act on your behalf in connection with an External Review, you will need to specifically consent to the representation by signing the appropriate line on the External Review Request Form.

You may obtain more information about the External Review process by calling the toll-free Member Services telephone number listed on your ID card.

Concurrent care claims (for ongoing treatment)	<p>Decision made within 24 hours for urgent care treatment</p> <p>Decision made sufficiently in advance for all other claims</p>

* Time period allowed to make a decision is suspended pending receipt of additional information.

If your claim is denied, in whole or in part, you will receive a written explanation detailing:

- The specific reasons for the denial;
- The specific references in the plan documentation on which the denial is based;
- A description of additional material or information you must provide to complete your claim and the reasons why that information is necessary;
- The steps to be taken to submit your claim for review;
- The procedure for further review of your claim; and
- A statement explaining your right to bring a civil action under section 502(a) of ERISA after exhaustion of the plan's appeals procedure.

The CIGNA medical plans have a two-step appeals procedure for coverage decisions. To appeal the denial of a claim, you must submit a request for an appeal in writing to CIGNA within 180 days after receiving notice of the denial of your claim. You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. If you are unable or choose not to write, you may ask CIGNA to register your appeal by calling the toll-free number on your CIGNA HealthCare ID card. You may also register your appeal by an arranged appointment or walk-in interview.

You may submit written comments, documents, records, and other information relating to your claim, whether or not the comments, documents, records, or information were submitted in connection with the initial claim. You may also request that the Claim Administrator provide you, free of charge, copies of all documents, records, and other information relevant to the claim.

During the review, you will be given an opportunity to request a hearing and present your case in person or by an authorized representative at a hearing scheduled by the Claim Administrator. If the decision on review is not received within such time, the claim shall be deemed denied on review.

CIGNA level one appeal

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving medical necessity or clinical appropriateness will be considered by a health care professional.

For level one appeals, CIGNA will respond in writing with a decision within 15 calendar days after receiving an appeal for a pre-service or concurrent coverage determination, and within 30 calendar days after receiving an appeal for a post-service coverage determination. If more time or information is needed to make the determination, CIGNA will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal process be expedited if:

- the time frames under this process would seriously jeopardize your life, health or ability to regain maximum functionality or in the opinion of your physician would cause you severe pain which cannot be managed without the requested services; or
- your appeal involves non-authorization of an admission or continuing inpatient hospital stay.

The CIGNA Medical Director, in consultation with the treating physician, will decide if an expedited appeal is necessary. When an appeal is expedited, CIGNA will respond orally with a decision within 72 hours, followed up in writing.

CIGNA level two appeal

If you are dissatisfied with the level one appeal decision, you may request a second review. To initiate a level two appeal, follow the same process required for a level one appeal.

Most requests for a second review will be conducted by the Appeals Committee, which consists of a minimum of three people. Anyone involved in the prior decision may not vote on the Appeals Committee. For appeals involving medical necessity or clinical appropriateness, the committee will consult with at least one physician in the same or similar specialty as the care under consideration, as determined by the CIGNA Medical Director. You may present your situation to the committee in person or by conference call.

For level two appeals CIGNA will acknowledge in writing that your request was received and will schedule a committee review. For pre-service and concurrent care coverage determinations the committee review will be completed within 15 calendar days; for post-service claims, the committee review will be completed within 30 calendar days. If more time or information is needed to make the determination, CIGNA will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information

needed by the Appeal Committee to complete the review. You will be notified in writing of the Appeal Committee's decision within five business days after the committee meeting, and within the committee review time frames above if the Appeal Committee does not approve the requested coverage.

For pre-service and post-service claim appeals, Citigroup has delegated to the Claim Administrator the exclusive right to interpret and administer the provisions of the plan. The Claim Administrator's decisions are conclusive and binding. Please note that the Claim Administrator's decision is based only on whether or not benefits are available under the plan for the proposed treatment or procedure. The determination as to whether the pending health service is necessary or appropriate is between you and your physician.

You may request that the appeal process be expedited if:

- the time frames under this process would seriously jeopardize your life, health or ability to regain maximum functionality or in the opinion of your physician would cause you severe pain which cannot be managed without the requested services; or
- your appeal involves non-authorization of an admission or continuing inpatient hospital stay.

The CIGNA Medical Director, in consultation with the treating physician, will decide if an expedited appeal is necessary. When an appeal is expedited, CIGNA will respond orally with a decision within 72 hours, followed up in writing.

CIGNA independent review procedure

If you are not fully satisfied with the decision of CIGNA's level two appeal review regarding your medical necessity or clinical appropriateness issue, you may request that your appeal be referred to an independent review organization. The independent review organization is composed of persons who are not employed by CIGNA HealthCare or any of its affiliates. A decision to use the voluntary level of appeal will not affect the claimant's rights to any other benefits under the plan.

Generally, there is no charge for you to initiate this independent review process. However, you must provide written authorization permitting CIGNA to release the information to the independent reviewer selected.

CIGNA will abide by the decision of the independent review organization.

For more information about CIGNA's independent review procedure, contact CIGNA. You may also contact your state's Department of Insurance for assistance.

You have the right to bring a civil action under Section 502(a) of ERISA if you are not satisfied with the outcome of the CIGNA appeals procedure. You may not initiate a legal action against CIGNA until you have completed the level one and level two appeals processes.

Claims and appeals for Empire BlueCross BlueShield medical plans

Timing of initial claim approval or denial

The time within which your claim will be approved or denied will depend on the type of claim you file.

- **For claims involving urgent care**, you will be notified of the approval or denial no later than 72 hours after your claim is received. If your claim did not include enough information to determine whether it should be approved or denied, you will be notified within 24 hours after receiving your claim of the specific information that is necessary. You will have at least 48 hours to provide the specified information. You will be notified of the approval or denial no later than 48 hours after Empire BlueCross BlueShield receives the information or 48 hours after the deadline for providing the information, if earlier. For purposes of these claims procedures, urgent care means medical care or treatment that must be provided without delay to avoid seriously jeopardizing life, health or the ability to regain maximum function, or that must, in the opinion of a physician, be provided without delay to adequately manage severe pain.
- **For medical care requiring pre-certification approval (called a “pre-certification claim”)**, you will be notified of the approval or denial of your claim no later than 15 calendar days after your claim is received. Empire BlueCross BlueShield may extend this 15-calendar day period to 30 calendar days if it needs more time to review your claim due to matters outside of its control. If a longer period of time is required, you will be notified within the initial 15-calendar day period of the reasons for the extension and the date by which a decision will be made. You will be notified if your claim did not include enough information to reach a decision. You will have at least 45 calendar days from receipt of the notice to provide the specified information.
- For care involving an ongoing course of treatment to be provided over a period of time or through a number of treatments (called “concurrent care decisions”), you will be notified in advance of any decision by Empire BlueCross BlueShield to reduce or terminate the course of treatment that would be covered, so that you will have enough time to appeal the decision and receive a determination before the treatment is reduced or terminated. If you wish to extend the course of treatment and the treatment involves urgent care, you will be notified within 24 hours after your claim is received, as long as you make your claim at least 24 hours before the approved course of treatment is scheduled to end.
- **For all other care (e.g., reimbursement for medical services already received)**, you will be notified of the approval or denial of your claim no later than 30 calendar days after your claim is received. Empire BlueCross BlueShield may extend this 30-calendar day period to 45 calendar days if it needs more time to review your claim due to matters outside of its control. If a longer period of time is required, you will be notified within the initial 30-calendar day period of the reasons for the extension and the date by which a decision will be made. You will be notified if your claim did not include enough information to make a decision. You will have at least 45 calendar days from receipt of the notice to provide the specified information.

- a description of the Plan’s appeal procedures and the time limits applicable to such procedures, including a statement that you have the right to bring a civil action under Section 502(a) of ERISA but only after you have followed the Plan’s claims procedures
- if an internal rule, guideline or protocol was relied on in making the adverse determination, either a copy of the specific rule, guideline or protocol, or a statement that it will be provided on request, free of charge
- if the denial is based on a medical necessity exclusion, experimental treatment exclusion or similar exclusion or limit, an explanation of the scientific or clinical judgment for the determination, or a statement that an explanation of the scientific or clinical judgment for the determination will be provided on request, free of charge.

Claims and appeals for John Deere Health HMO medical plans

Complaint, Appeal and Dispute Resolution Procedures

The following procedures provide a formal system for resolving Complaints or Appeals concerning coverage determinations, the provision of health care services or other matters concerning the operation of John Deere Health HMO.

Most Complaints can be resolved on an informal basis by consultation between You, John Deere Health HMO staff, and/or the health practitioner from whom You received services. If Your Complaint can not be resolved after informal consultation, You or Your Authorized Representative may request a formal Appeal. If You want to designate an Authorized Representative to assist You with this Appeals Process, this must be done in writing.

Your Authorized Representative may not file a formal Appeal without explicit, written designation by You.

You must exhaust the Appeals Process prior to pursuing additional dispute resolution remedies.

Expedited Appeal Procedure for Urgent Care Claims

For Urgent Care Claims, You or Your Authorized Representative may contact John Deere Health HMO, orally or in writing, to request expedited consideration of a formal Appeal. In determining whether a claim is for urgent care, John Deere Health HMO will apply the judgment of a prudent layperson that possesses an average knowledge of health and medicine. If the request for expedited consideration is denied, the Appeal will automatically be reviewed according to the procedures described in the section entitled, Appeal Procedure for Pre-Service and Post-Service Claims That Are Not Urgent Care Claims. A request for expedited consideration will not be denied if a Physician with knowledge of Your medical condition determines that Your claim involves urgent care.

John Deere Health HMO will submit Your expedited appeal to an independent Physician reviewer. The independent Physician reviewer will be a Clinical Peer, who has no material, professional, familial or financial affiliation with John Deere Health HMO or You, or material, familial or financial connection to the case and/or outcome.

Within 72 hours after John Deere Health HMO receives a request for expedited handling which includes all necessary information, John Deere Health HMO will issue a decision based on the independent Physician reviewer's final determination to You or Your Authorized Representative by telephone or facsimile. Written confirmation of John Deere Health HMO's final decision will be mailed to You or Your Authorized Representative within three calendar days after John Deere Health HMO provides the final decision by telephone or facsimile. If additional information is needed, You or Your Authorized Representative will be notified within 24 hours of the expedited Appeal request specifying what information is needed to make a decision. When the additional information is received, a final decision will be made within 48 hours of receipt of the specified information or at the end of the period given to provide the specified information, whichever is earlier.

If John Deere Health HMO's final decision is adverse to You, You or Your Authorized Representative may request binding arbitration as described under the section entitled, Arbitration Procedure, or bring a civil action as described in the section entitled, Civil Actions Available Under ERISA.

Appeal Procedure For Pre-Service and Post-Service Claims That Are Not Urgent Care Claims

For Pre-Service and Post-Service Claims that are not Urgent Care Claims, You or Your Authorized Representative may request an Appeal by completing a written "Member Appeal Form," which will be provided to You or Your Authorized Representative upon written or oral request. The Member Appeal Form

must be completed and filed to John Deere Health HMO within 180 calendar days from the date: (1) the Member received notification of a denial of coverage; or (2) the problem in question occurred. The Member Appeal Form must be completed and signed and the facts as alleged shall be binding on the Member. The Member Appeal Form must be filed by mail, facsimile, or hand-delivery to John Deere Health HMO, according to the instructions provided with the Member Appeal Form.

John Deere Health HMO will issue a final decision, in writing, to You or Your Authorized Representative within the following timeframes:

- Pre-Service Claim: 15 calendar days after receipt of the Member Appeal Form.
- Post-Service Claim: 30 calendar days after receipt of the Member Appeal Form.

If John Deere Health HMO's decision on the Appeal is adverse to You, You have the right to further review. For Appeals related to determinations which require medical judgment, including determinations of medical necessity, You or Your Authorized Representative may request an Independent Physician Review (IPR) as described under the subsection entitled, Independent Physician Review Procedure. For all other Appeals, You or Your Authorized Representative may request a reconsideration of the Appeal decision as described under the subsection entitled, Member Reconsideration Procedure.

Independent Physician Review Procedure

You or Your Authorized Representative may request an "Independent Physician Review" (IPR) of an adverse decision resulting from an Appeal which denied You coverage on the basis that the service, procedure, or treatment in question was not medically necessary or medically appropriate. The provisions in this section shall not be construed to obligate John Deere Health HMO to make payment for any health care service, procedure, or treatment which is not covered under Your Plan.

At the time You or Your Authorized Representative is notified of the adverse Appeal decision described above, You shall also be advised of Your right to request an IPR. You or Your Authorized Representative must request an IPR within 30 calendar days of receiving John Deere Health HMO's adverse Appeal decision.

The independent Physician reviewer will be a Clinical Peer, who has no material, professional, familial or financial affiliation with John Deere Health HMO or You, or material, familial or financial connection to the case and/or its outcome. John Deere Health HMO will not charge You any fees for an IPR filing or case review, or fees associated with diagnostic tests or other clinical services the External Independent Review Organization (EIRO) requests in order to complete the review.

However, John Deere Health HMO is not responsible for other costs such as those associated with You retaining an attorney.

After receiving a request for IPR, John Deere Health HMO will provide the following information to the EIRO:

- all relevant medical records and appropriate portions of the Appeal file;
- supporting documentation used to render the decision pertaining to Your case;
- a summary description of the applicable issues, including a statement of John Deere Health HMO's decision;
- the relevant portions of John Deere Health HMO's utilization management criteria, if applicable;
- any additional information or comments submitted by You or Your Authorized Representative to John Deere Health HMO regarding the Appeal; and

- any new information related to Your case that has become available since the initial Appeal decision.

John Deere Health HMO will issue a final written decision, based on the independent Physician reviewer's final determination, to You or Your Authorized Representative within the following timeframes:

- Pre-Service Claim: 15 calendar days after receipt of the request for independent Physician review.
- Post-Service Claim: 30 calendar days after receipt of the request for independent Physician review.

If John Deere Health HMO's final decision is adverse to You, You or Your Authorized Representative may request binding arbitration as described under the section entitled, Arbitration Procedure, or bring a civil action as described in the section entitled, Civil Actions Available Under ERISA.

Member Reconsideration Procedure

A reconsideration of an adverse Appeal decision is available for any Pre-Service or Post-Service Claim which does not require a determination of medical necessity, or which does not require medical judgment. You have 30 calendar days from the date the Appeal decision was issued in which to file a request for reconsideration to the Member Reconsideration Committee of John Deere Health HMO .

The Committee meeting shall be held at the John Deere Health HMO home office in Moline, Illinois. You or Your Authorized Representative will be notified that the Member Reconsideration Procedure Committee will meet to hear Your case, and You or Your Authorized Representative will be provided the opportunity to submit additional information or comments in writing. The Reconsideration Committee shall resolve the Appeal by majority vote and will issue a final decision to You or Your Authorized Representative within the following timeframes:

- Pre-Service Claim: 15 calendar days after receipt of the request for reconsideration.
- Post-Service Claim: 30 calendar days after receipt of the request for reconsideration.

If John Deere Health HMO's decision on the reconsideration is adverse to You, You or Your Authorized Representative may request binding arbitration as described under the section entitled, Arbitration Procedure, or bring a civil action as described in the section entitled, Civil Actions Available Under ERISA.

Civil Actions Available Under ERISA:

If You remain dissatisfied after exhausting either:

1. the Expedited Appeal Procedure for Urgent Care Claims; or
2. the Appeal Procedure for Pre-Service and Post-Service Claim that are not Urgent Care Claims, and either
 - a. the Independent Physician Review Procedure, or
 - a. the Reconsideration Procedure, whichever is applicable,

then You have a right to bring a civil action under section 502(a) of ERISA, or to pursue arbitration as described under the section entitled, Arbitration Procedure.

Arbitration Procedure

Arbitration shall be conducted in accordance with the then current Employee Benefit Plans Claims Arbitration Rules of the American Arbitration Association (AAA). A request for arbitration must be filed with John Deere Health HMO and the American Arbitration Association in writing within six months of the date of the final Appeal decision being arbitrated. The question for the arbitrator will be whether the decision of John Deere Health HMO should be set aside because the decision was arbitrary and capricious.

Judgment upon the decision by the arbitrator may be entered in any court having jurisdiction. Each party will bear its own costs and attorney fees. The expenses associated with the arbitration will be shared equally by both parties. Arbitration is final and binding on the parties. The parties waive their right to remedies in court, including their right to jury trial, except for the enforcement of the decision of the arbitrator. The Member and John Deere Health HMO agree that the arbitrator shall have no authority to award punitive damages and waive their right to such damages.

Resolution of Unresolved Disputes Not Relating to Urgent Care, Pre-Service of Post-Service

All unresolved disputes which do not relate to Urgent Care Claims, Pre-Service Claims, or Post-Service Claims shall be resolved through mandatory, binding arbitration as described above.

Upon written request and free of charge, You or Your Authorized Representative may request copies of all documents relevant to Your Appeal and either the independent Physician review or reconsideration.

If you are unable or choose not to write, you can ask Member Services to register your appeal by calling 1.800.CIGNA24.

If specialty care is in dispute, the appeal will be conducted by a dentist in the same or similar specialty as the care under review. The Level-Two Appeals process does not apply to resolutions made solely on the basis that the Dental Plan does not provide benefits for the service performed or requested.

The review will be completed within 30 calendar days. If we need more information to complete the appeal, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review. CIGNA Dental expedited appeal

You may request that the complaint or appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation

with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, the plan will respond orally with a decision within 72 hours, followed up in writing.

Claims and appeals for Delta Dental

The amount of time Delta Dental will take to make a decision on a claim will depend on the type of claim.

Type of claim	Timeline after claim is filed
Post-service claims (for claims filed after the service has been received)	<p>Decision within 30 days; one 15-day extension (notice of the need for an extension must be given before the end of the 30-day period.)</p> <p>Notice that more information is needed must be given within 30 days.</p> <p>You have 45 days to submit any additional information needed to process the claim.*</p>
Pre-service claims (for services requiring precertification of services)	Not applicable. Delta Dental does not condition the receipt of a benefit, in whole or in part, upon approval of the benefit in advance of obtaining dental care.
Urgent care claims (for services requiring precertification of services where delay could jeopardize life or health)	Usually not applicable. Urgent care claims do not ordinarily arise in the context of a fee-for-service plan involving dental care, such as Citigroup's dental plan. However, Delta Dental will comply with Department of Labor requirements for urgent care claims if any arise.
Concurrent care claims (for ongoing treatment)	Not applicable. Concurrent care claims do not occur in the context of a fee-for-service dental plan.

* Time period allowed to make a decision is suspended pending receipt of additional information.

If a claim is denied in whole or in part, the claimant will receive a notice of payment or action that outlines the specific reason(s) and the specific plan provision(s) on which the determination was based. Upon request and free of charge, Delta Dental will provide the claimant a copy of any internal rule, guideline or protocol, and/or an explanation of the scientific or clinical judgment if relied upon in denying the claim.

If the claimant or his/her attending dentist wants the denial of benefits reviewed, the claimant or his/her attending dentist must write to Delta Dental **within one hundred eighty (180) days of the date on the Notice of Payment or Action. Failure to comply with such requirements may lead to forfeiture of the claimant's right to challenge the denial, even when a request for clarification has been made.**

The claimant's letter should state why the claim should not have been denied. Also, any other documents, data, information or comments that are thought to have bearing on the claim including the denial notice, should accompany the request for review.

The claimant or his/her attending dentist is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records and other information relevant to the denied claim. The review will take into account all comments, documents, records, or other information, regardless of whether the information was submitted or considered initially.

The review will be conducted for Delta Dental by a person who is neither the individual who made the claim denial that is the subject of the review, nor the subordinate of the individual. If the review of a claim denial is based in whole or in part on a lack of dental necessity, experimental treatment, or a clinical judgment in

applying the terms of the contract, Delta Dental will consult with a dentist who has appropriate training and experience in the pertinent field of dentistry who is neither the Delta Dental dental consultant who made the claim denial nor the subordinate of the dental consultant. The identity of the dental consultant will be available upon request whether or not the advice was relied upon. In making the review, Delta Dental will not afford deference to the initial adverse benefit determination.

If after review, Delta Dental continues to deny the claim, Delta Dental will notify the claimant or his/her attending dentist in writing of the decision on the request for review within thirty (30) days of the date the request is received. Delta Dental will send the claimant or his/her attending dentist a notice, similar to this notice. If in the opinion of the claimant or his/her attending dentist, the matter warrants further consideration, the claimant should advise Delta Dental in writing as soon as possible.

The matter will be immediately referred to Delta Dental's Dental Affairs Committee. This stage can include a clinical examination, if not done previously, and a hearing before Delta Dental's Dental Affairs Committee if requested by the claimant or his/her attending dentist.

The Dental Affairs Committee will render a decision within thirty (30) days of the claimant's request for further consideration. The decision of the Dental Affairs Committee will be final insofar as Delta Dental is concerned. Recourse thereafter would be to the state regulatory agency, a designated state administrative review board or to the courts with an action under section 502(a) of the Employee Retirement Income Security Act of 1974 (ERISA) or other civil action.

Davis Vision level one appeal

You will be contacted by a Davis Vision associate within five business days of receipt of a concern or grievance to confirm that the concern was received and is being investigated. A designated Davis Vision associate will review the appeal with you and may request additional information. You will be provided with the Associate's name, phone number, department and the estimated time needed to perform the research (for pre-service appeals, 15 days; for post-service appeals, 30 days) and when you can expect a determination. You will also be informed of your right to have a representative, including your provider, present during the review of the concern and final outcome of the investigation. If you are requesting a level two appeal, you must indicate the reason you believe the denial of coverage/benefit was incorrect. Davis Vision reserves the right to solicit further information from you and/or the provider.

Notification will include, but may not be limited to:

- The outcome of the investigation and a summary stating the nature of the concern and the material facts related to the issue;
- Criteria that were utilized and a summary of the evidence, including documentation that was used to support the decision;
- A statement indicating that the decision will be final and binding unless you appeal in writing or by telephone to the Quality Assurance/Patient Advocacy Department within 45 days of the date of the notice of the level two decision;
- A copy of the appeals process, if applicable; and
- The name, position, phone number and department of person(s) who was responsible for the outcome.

External review

Davis Vision gives you, as required by state statute, an opportunity to request an impartial review of concerns that resulted in coverage denials. If you have utilized and exhausted the internal appeals process, you may appeal the final decision if the denial for services exceeds \$250 and was not deemed medically necessary or the requested service was deemed investigational or experimental.

An external review organization will refer the case for review by a neutral, independent practitioner experienced in vision care. Davis Vision will provide all requested documentation to the external review organization. The external review organization will have up to 30 days, or as required by state statute, to make a determination.

Davis Vision, a national provider of vision care benefits, recognizes that each state has implemented an external review process that is unique to their residents. Individual states have mandated the use of their own external review process for appeals based on medical necessity. You can call the Member Service Department at 1-800-999-5431 for information unique to your state of residence. You also have the right to contact your state insurance or health department for further information.

You have the right to an external review of a denial of coverage. You have the right to an external review of a final adverse decision under the following circumstances:

- You have been denied a vision care service, which should have been covered under the terms of the vision care plan;
- Services were denied on appeal on the basis that requested services were not medically necessary;
- A treatment or service that will have a significant positive impact on you has been denied and any alternative service or treatment will not affect your ocular health and/or will produce a negative outcome;
- The services denied are related to a current illness or injury;
- The cost of the requested services will not exceed that of any equally effective treatment;
- The denied service, procedure, or treatment is a covered benefit under the vision care plan; or
- You have exhausted all internal appeal processes with an adverse determination upheld at each level.

The vision care provider may contact the appropriate state agency to determine if other documentation may be required for the appeal process.

The external review representative must make a decision within 30 days of receipt of documentation, or as required by state statute, and notifies you within two business days of a determination. Notification must be in writing and include an explanation and the clinical criteria utilized in the decision.

Claims and appeals for the Health Care Spending Account

If you are denied a benefit under the Health Care Spending Account, you should proceed in accordance with the following procedures.

Step 1: *Denial Notice is received from ADP.* If your claim is denied, you will receive written notice from ADP that your claim is denied as soon as reasonably possible but no later than 30 days after receipt of the claim. For reasons beyond the control of ADP, ADP may take up to an additional 15 days to review your claim. You will be provided written notice of the need for additional time prior to the end of the 30-day period. If the reason for the additional time is that you need to provide additional information, you will have 45 days from the notice of the extension to obtain that information. The time period during which ADP must make a decision will be suspended until the earlier of the date that you provide the information or the end of the 45-day period.

Step 2: *Review your notice carefully.* Once you have received your notice from ADP, review it carefully. The notice will contain:

- the reason(s) for the denial and the Plan provisions on which the denial is based;

- a description of any additional information necessary for you to perfect your claim, why the information is necessary, and your time limit for submitting the information;
- a description of the Plan's appeal procedures and the time limits applicable to such procedures;
- a right to request all documentation relevant to your claim; and
- a statement explaining your rights to bring civil action under Section 502(a) of ERISA after an adverse benefit determination upon review.

Step 3: *If you disagree with the decision, file an appeal.* If you do not agree with ADP's decision, you may file a written appeal. You should file your appeal no later than 180 days after receipt of the notice described in Step 1. You should file your appeal with ADP at the address provided below. You should submit all information identified in the notice of denial as necessary to perfect your claim and any additional information that you believe would support your claim.

ADP Claim Appeals
P.O. Box 1801
Alpharetta, GA 30023-1801

Step 4: *Notice of Denial is received from claims reviewer.* If the claim is again denied, you will be notified in writing. The notice will be sent no later than 30 days after receipt of the appeal by ADP.

Step 5: *Review your notice carefully.* You should take the same action that you take in Step 2 described above. The notice will contain the same type of information that is provided in the first notice of denial provided by the third party administrator.

Step 6: *If you still disagree with ADP's decision, file an appeal with Citigroup.* If you still do not agree with the ADP's decision, you may file a written appeal with Citigroup at the address listed below within 60 days after receiving the latest denial notice from ADP. You should gather any additional information that is identified in the notice as necessary to perfect your claim and any other information that you believe would support your claim.

If Citigroup denies your Appeal, you will receive notice within 30 days after the Citigroup receives your claim. The notice will contain the same type of information that was referenced in Step 1 above.

Important Information

Other important information regarding your appeals:

- Each level of appeal will be independent from the previous level (i.e., the same person(s) or subordinates of the same person(s) involved in a prior level of appeal would not be involved in the appeal);
- On each level of appeal, the claims reviewer will review relevant information that you submit even if it is new information;
- The Claim Administrator is required to give the participant notice of any internal rules, guidelines, protocols or similar criteria used as a basis for the adverse determination;
- You cannot file suit in federal court until you have exhausted these appeals procedures, however, you have the right to file suit under ERISA Section 502 following an adverse appeal decision;

- Each participant has the right to request and obtain documents, records and other information as it pertains to the Plans. Notwithstanding any provision of the Plan to the contrary, you must file any lawsuit with respect to your adverse benefit determination within 12 consecutive months after the date of receiving such a determination, or if earlier, within two years from the date on which you were aware, or should have been aware, of the claim at issue in the suit. The two year limitation shall be increased by any time a claim or appeal on the issue is under consideration by the appropriate fiduciary. If any different period to commence suit is specified in an insurance contract forming part of the Plan, that period will apply to suits against the insurer.

Administrative information

This section contains general information about the administration of the Citigroup Plans, the plan documents, sponsors, and Claim Administrators. In addition, a statement about the future of the plans and Citigroup's right to amend, modify, suspend, or terminate is outlined in this section.

Future of the plans and plan amendments

Citigroup has the right to amend, modify, suspend, or terminate any Plan, in whole or in part, at any time for any reason without prior notice. Citigroup may make any such amendment, modification, suspension, or termination of the plans for any reason. Plan amendments shall be adopted and executed by the Senior Human Resources Officer of Citigroup Inc., a Committee of the Board of Directors of Citigroup Inc., or any officer of Citigroup Inc. authorized to adopt plan amendments or sign other documents on behalf of Citigroup Inc., and may include amendments to insurance contracts or administrative agreements. The Plans are subject to various legal requirements, which may require changes in the Plans.

In the event of the dissolution, merger, consolidation or reorganization of Citigroup, the Plans will terminate unless the Plans are continued by a successor to Citigroup.

If a benefit is terminated and surplus assets remain after all liabilities have been paid, such surplus shall revert to Citigroup to the extent permitted under applicable law.

No right to employment

Nothing in this document represents or is considered an employment contract, and neither the existence of the Plans nor any statements made by or on behalf of Citigroup shall be construed to create any promise or contractual right to employment or to the benefits of employment. Citigroup or you may terminate the employment relationship without notice at any time and for any reason.

Plan administration

The Plan Administrator is responsible for the general administration of the Plans, and is the "named fiduciary" under ERISA for each of the Plans. The Plan Administrator will be the Plan fiduciary to the extent not delegated to a Claim Administrator pursuant to an agreement or other document or arrangement. The Plan Administrator and, where delegated, the Claim Administrators have the exclusive discretionary authority to construe and interpret the provisions of the Plans and make factual determinations regarding all aspects of the Plans and their benefits, including the power and discretion to determine the rights or eligibility of employees and any other persons, and the amounts of their benefits under the Plans, and to remedy ambiguities, inconsistencies or omissions, and such determinations shall be binding on all parties.

The Plan Administrator has designated other organizations or persons to act out specific fiduciary responsibilities in administering the plan including, but not limited to, any or all of the following responsibilities:

- To administer and manage the Plans including the processing and payment of claims under the Plans and the related recordkeeping, according to the terms of an administrative services or claims administration agreement;
- To prepare, report, file and disclose any forms, documents and other information required to be reported and filed by law with any governmental agency, or to be prepared and disclosed to employees or other persons entitled to benefits under the Plans; and

- To act as Claim Administrator and to review claims and claim denials under the Plan to the extent another insurer or administrator is not empowered with such responsibility.

The delegation by the Plan Administrator may (but is not required to) be in writing. Except to the extent superseded by laws of the United States, the laws of New York will be controlling in all matters relating to the Plans.

Funding and payment policy

Benefits under the Health Benefit Plan and the Dental Benefit Plan may be funded from the general assets of Citigroup, a trust qualified under section 501(c)(9) of the Internal Revenue Code, or under insurance contracts. The Vision Benefit Plan is fully insured, and the Health Care Spending Account is funded from general assets of Citigroup. The costs of the Health Benefit Plan, the Dental Benefit Plan, and the Vision Care Plan are shared between Citigroup and the plan participants. The cost of the Health Care Spending Account is generally borne by the participants. Any refund, rebate, dividend adjustment or other similar payment under any insurance contract entered into between Citigroup and any insurance provider shall be allocated, consistent with the fiduciary obligations imposed by ERISA, to reimburse Citigroup for premiums it has paid or to reduce Plan expenses. All Plan assets shall be used to pay benefits under the Plans or pay the reasonable expenses of Plan administration. Payments under the Plans shall be made in accordance with Plan terms, insurance policies, or administrative agreements.

Compliance with law

The Plans shall be construed and administered in compliance with federal and state law mandates governing the Plans, including ERISA, COBRA, USERRA, HIPAA, the Code, the Mental Health Parity Act, the Newborns' and Mothers' Health Protection Act of 1996, as amended, and the Women's Health and Cancer Rights Act of 1998.

Introduction

This document sets forth the terms and conditions of your benefits under Citigroup's Health Care Spending Account ("HCSA"), Dependent Care Spending Account ("DCSA") and Transportation Reimbursement Incentive Program ("TRIP") arrangements (collectively, the "Accounts"), as amended and restated as of January 1, 2007. Citigroup has entered into an arrangement with ADP to administer the health care, dependent care, and transportation reimbursement spending accounts.

With regard to the Health Care Spending Account component of this document only, the applicable provisions should be read in combination with the **About Your Health Care Benefits** document, as amended and restated as of January 1, 2007, which is also a component of the Health Care Spending Account plan document. Only the Health Care Spending Account component of this document is intended to comply with the requirements of the Employee Retirement Income Security Act of 1974, as amended, ("ERISA"). All of the Accounts are intended to comply with the requirements of the Internal Revenue Code of 1986, as amended (the "Code").

As you read the document, you will see some terms that are bold and underlined. This means that the term is a reference to another section of the document (or in the About Your Health Care Benefits document).

This document does not create a contract or guarantee of employment between Citigroup and any individual. **Citigroup reserves the right to change or discontinue any or all of the benefits coverage or programs described here at any time, with or without notice.**

Overview

Each calendar year, Citigroup offers you the chance to set up a Health Care Spending Account and/or a Dependent Care Spending Account to pay for eligible, unreimbursed, or out-of-pocket health and dependent care expenses with before-tax dollars. You set aside your before-tax dollars for these costs and then reimburse yourself for the covered expenses. You can also set up a Transportation Reimbursement Incentive Program account to pay for eligible transit and parking expenses with before-tax dollars.

You do not have to participate in any of the Citigroup medical, dental, or vision care plans in order to take advantage of the tax savings offered with a Health Care Spending Account.

The following chart summarizes the three spending accounts available to you.

	Health Care Spending Account	Dependent Care Spending Account	Transportation Reimbursement Incentive Program Accounts
Annual deposit up to:	\$15,000 (Plan limits may apply)	\$5,000 (\$2,500 if married and filing separate tax returns, and other Plan limits may apply)	<ul style="list-style-type: none"> • Transit Account: From \$10 to \$110 per month before-tax; up to \$300 in after-tax dollars • Parking Account: from \$10 to \$215 per month before-tax; up to \$210 in after-tax dollars
Before-tax dollars used to reimburse:	Your eligible health care expenses	Your eligible dependent child care expenses Dependent Care Spending Account subsidy available for employees within certain total compensation guidelines	Your eligible transit and parking expenses

Eligible Employees

You may be eligible to participate in one or more of the Accounts if you work for a “participating employer” in the United States for a regular semimonthly or monthly paycheck as either an active full-time employee regularly scheduled to work 40 hours or more a week or an active part-time employee regularly scheduled to work 20 hours or more a week. A “participating employer” is Citigroup Inc. and any subsidiary in which Citigroup owns at least an 80% interest. Corporate and Investment Bank, Global Wealth Management, Global Consumer Group, Citigroup Alternative Investments and Citigroup Corporate Center are the Citigroup businesses that participate in the Accounts. See page 9 of Summary Plan Description for Eligibility for Citigroup Coverage.

For purposes of determining whether you are an eligible employee under the Accounts, you are an “active” employee if you are working for your employer doing all the material duties of your occupation at your usual place of business or some other location that your employer’s business requires you to be or absent from work solely due to vacation days, holiday, or scheduled days off.

You are not an eligible employee and cannot participate in the Accounts if:

- your compensation is not reported on a Form W-2 Wage and Tax Statement issued by a participating employer;
- you are employed by a Citigroup subsidiary or affiliate that is not a participating employer;
- you are engaged under an agreement that states you are not eligible to participate in the Accounts;
- you are a non-resident alien performing services outside the United States; or
- you are classified by Citigroup as an independent contractor or consultant, or as being employed on a temporary basis.

If a court, regulatory body, administrative agency, or other entity having jurisdiction later decides that an individual who was not treated as an employee should have been considered an employee of Citigroup or a Participating Employer, or is otherwise entitled to receive a Form W-2 from Citigroup or a Participating Employer, he or she still will not be considered an Employee for purposes of the Plan (except prospectively if the individual otherwise meets the definition of an eligible employee).

Tax consequences

Benefits you elect under the Accounts are generally excluded from your income. However, if a spending account or one of its components is determined to be discriminatory in favor of highly compensated employees, the Plan Administrator has the right to modify the elections or benefits of these highly compensated employees to eliminate any discrimination. Therefore, your annual contributions may be revised.

Before-tax contributions

When you enroll in any of Accounts, your before-tax contributions will be deducted from your pay automatically each pay period. This means that your deductions come out of your paycheck before you pay federal income and employment taxes (including Social Security and Medicare) at most income levels. These deductions are also exempt from most state and local income taxes, although certain states do not fully exempt spending account contributions from their income taxes. See [Tax exemptions](#).

When you spend after-tax dollars on health care or dependent care expenses, transit or parking expenses, you have already paid federal income and employment taxes on the money you are using to buy benefits. But, by taking advantage of favorable tax laws, the Accounts let you use before-tax dollars. This means your contributions come out of your pay before federal income and employment taxes are deducted.

Before-tax contributions reduce your gross salary, which lowers your taxable income and, therefore, the amount of income tax you must pay. You also do not pay taxes when you use the money in the accounts to reimburse yourself for eligible expenses.

Your spending accounts and TRIP accounts have no effect on your pay-related benefits.

Social Security

Each year you pay Social Security taxes on a certain level of your earnings, called the taxable wage base. Since the before-tax dollars you use for your spending account and TRIP account contributions are not considered part of your pay for Social Security tax purposes, your Social Security taxes will also be reduced if your pay falls below the taxable wage base after these before-tax dollars are subtracted from your full earnings. In this case, your future Social Security benefit may be smaller than if after-tax dollars were used for those purposes.

Tax exemptions

The spending accounts and the TRIP accounts are exempt from all federal income and employment taxes and most state and local taxes.

If you live in a state that does not exempt any of the Account contributions from state or local tax, you will be taxed on the benefit, and the amount reported as "state wages" on your Form W-2 for the year of the contribution will be higher than the amount reported for federal wages. If you have any questions about the tax-exempt status of any of Account contributions in your state, contact your tax adviser or your state department of revenue or taxation.

Important rules

In return for favorable tax treatment, the IRS imposes requirements on Health Care and Dependent Care Spending Accounts, as well as on the TRIP accounts. Because of these requirements, you will need to be sure your account works effectively for you.

- Elections on how much to contribute to your Health Care Spending Account or Dependent Care Spending Account must be made for a full calendar year. During each open enrollment period, you can enroll in a spending account for the following year. Once you have made your decision, you cannot change it during the year unless you have a qualified status change as defined in the **About Your Health Care Benefits** document. If you are enrolling as a new hire, you also cannot change your decision for the remainder of the year. Also, you cannot enroll during December for the current plan year.
- You can enroll in the TRIP Transit Account, the Parking Account, or both at any time during the year. You can increase or decrease your TRIP contribution(s) at any time throughout the year as your commuting needs change. Your elections will become effective on the first day of the following month.
- You enroll separately in each of the Accounts. If you enroll in more than one spending account, you may not transfer money from one account to the other.
- You may be reimbursed for expenses you incur during a specific period of time. For the Health Care and the Dependent Care Spending Accounts, you can be reimbursed only for expenses you incur during the same calendar year in which you make contributions. After the end of each year, you will have until June 30 of the following year to submit claims for your expenses for the prior year.
- For the TRIP accounts, expenses incurred in 2007 must be filed within 12 months of the date on which the expense was incurred. For example, if you incur an expense in January 1, 2007, it must be submitted for reimbursement by January 1, 2008.
- Unused balances left in your HCSA or your DCSA are forfeited. If you do not spend all the money in these accounts for expenses incurred during the applicable period, the unused balance **cannot** be returned to you or carried forward for use during the following year.
- Unused balances left in your TRIP accounts at the end of the year will roll forward into the next year's accounts, as long as you continue your enrollment into the following TRIP account plan year. You can use that money for the current and/or prior year's claims, subject to the 12 month claims filing deadline.

Overpayments

In the event an expense reimbursed by any of the Accounts is not eligible for reimbursement, the employee agrees to reimburse Citigroup for any amount owed. In the event that amounts are owed under any of the Accounts, your privileges under the Citigroup Spending Account Reimbursement card and/or your eligibility to participate in any or all of the Accounts may be subject to suspension or termination.

Health Care Spending Account

You may deposit from \$120 up to \$15,000 a year into your Health Care Spending Account to reimburse yourself for eligible, out-of-pocket health care expenses. Expenses must be incurred during the period of time you are participating in the account.

You can be reimbursed for your health care expenses incurred by you, your spouse or your “dependents” as defined under section 152 of the Code, as determined without regard to subsections (b)(1), (b)(2) and (d)(1)(B) thereof, regardless of whether you or your dependent is covered or not covered under any Citigroup medical, dental, or vision plan. You may only submit claims for health care expenses for a domestic partner who is considered your tax dependent under section 152 of the Code without regard to sections (b)(1), (b)(2), or (d)(1)(B).

Eligible expenses

Generally, any health care expenses that would qualify as a deduction on your federal income tax return, except premiums for health care coverage under another employer's plan, Medicare, or Medicaid and long term care services, are eligible expenses for the Health Care Spending Account. In addition, some items that aren't deductible (like over-the-counter drugs) may be reimbursable from your Health Care Spending Account. For more information on eligible expenses, see IRS Publication 502, *Medical and Dental Expenses*, which is available from the Internal Revenue Service (“IRS”) by calling (800) 829-1040 or from the IRS Web site, www.irs.gov.

Claims must be incurred during the period of time in which you are a participant. In general, expenses are eligible for reimbursement in the year the expense was incurred or the medical service was performed, not the year in which the bill is paid. However, the date a payment was made for orthodontia treatment (scheduled monthly payment) determines the plan year in which the expense may be reimbursed from your Health Care Spending Account.

Eligible expenses include:

- Your share of expenses that aren't paid by your medical, dental, and/or vision plan, such as deductibles, coinsurance, and copayments;
- Other charges that exceed what your medical, dental, and/or vision plan will pay, such as charges above reasonable and customary amounts or other plan limits;
- Routine exams and tests not reimbursed under your medical, dental, or vision plan;
- Health care expenses for your spouse or dependents as defined under the Code as described above;
- Certain equipment and training for disabled individuals;
- Chiropractic care that isn't covered by your medical plan;
- Physical therapy, psychiatric therapy, and counseling that aren't covered by your medical plan;
- Cholesterol tests, vaccines, and immunizations that aren't covered by your medical plan;
- Prescription contraceptives and infertility treatments that aren't covered by your medical plan;
- Smoking cessation programs;
- Over-the-counter drugs for which you have a receipt (see **Eligible Over-the-Counter Medicines**);
- Medicines prescribed by a doctor that your medical plan or prescription drug program doesn't cover;

- Transportation necessary to obtain certain health care services;
- Childbirth classes, such as Lamaze, for up to two people;
- Cardiac rehabilitation classes;
- Acupuncture;
- Back supports;
- Nursing home care for medical reasons;
- Treatment for obesity when diagnosed by a physician;
- Sterilization (and reversal of) surgery;
- Weight reduction program based on diagnosis and letter of medical necessity; and
- Medical expenses incurred for health care service obtained outside the United States.

Eligible vision and hearing care expenses include the following expenses that are not otherwise reimbursed under any other group health plan:

- Eye and hearing examinations;
- Eyeglasses, including tinting;
- Contact lenses, including all necessary supplies and equipment;
- Hearing aids and repairs;
- Special telephone and television equipment for the deaf;
- Guide dog or other animal or human guide used by a visually-impaired or hearing-impaired person; and
- LASIK surgery and radial keratotomy.

Eligible dental expenses include the following expenses that are not otherwise reimbursed under any other group health plan:

Ineligible expenses

Examples of ineligible expenses include:

- Elective cosmetic surgery or cosmetic dental work, unless necessary because of an accident or birth defect;
- Maternity clothes or diaper services;
- Nursing services to care for a healthy newborn;
- Vitamins or minerals taken for general health purposes, including those recommended by your doctor;
- Household help or custodial care at home or in an institution, even if recommended by your doctor;
- Health club fees, exercise classes, or weight-loss programs for general health purposes, even if recommended by your doctor;

- Amounts you pay for medical and dental insurance premiums;
- Long-term-care services, including insurance premiums for long-term care insurance;

- Exercise equipment, hot tubs, whirlpool baths, and swimming pools; and
- Medical expenses for someone who is not your lawful spouse or IRS dependent (i.e., dependent for health plan taxation purposes).

Methods for Reimbursement

You can be reimbursed at the point of purchase by using your Citigroup Spending Account Reimbursement card, or by completing and returning the claim form and any required documentation.

Citigroup Spending Account Reimbursement card

If you are enrolled in the HCSA, you will automatically receive a Citigroup Spending Account Reimbursement card that you can use at any health care provider that accepts MasterCard as a form of payment. Upon activation, as of January 1 the entire amount of your annual HCSA election will be posted to the card.

If you have a Spending Account Reimbursement card now and re-enroll in a spending account for 2007, you'll continue to use the same debit card; you won't receive a new card. However, if your Spending Account Reimbursement card isn't "active," call the Citigroup Spending Account Information Line at 1-800-378-1823 to request a new card.

The limit on your debit card will be the balance in your account at the time you pay for service. If you attempt to use the debit card to pay for expenses in excess of your account balance, the entire expense will be denied. You'll have to use a claim form to be reimbursed for that amount.

It is important to save your receipts. Each time you "swipe" your debit card, a reminder will be issued advising you to save your receipt in case you are required at a later date to confirm that your expense was eligible under the Plan. Any unsubstantiated expenses may be considered taxable income.

Filing a claim

If you do not want to use your debit card, you can also file a claim for reimbursement. You must submit a bill, invoice, or explanation of benefits (EOB) from your medical or dental coverage with your claim form. If you are enrolled in any of the ChoicePlans, Basic and Premier High Deductible Health Plans, the Out-of-Area Health Plan, the Hawaii Health Plan, an Aetna HMO/EPO, a CIGNA HMO/EPO, a Empire BCBS HMO/EPO, a UnitedHealthcare HMO/EPO, the Prescription Drug Program, and/or Delta Dental, or the MetLife PDP Dental Plan and have selected the automatic claim submission feature, any unpaid amount of certain health care claims will be submitted automatically for reimbursement. See **Claims information** for more information.

Once you use your Spending Account Reimbursement card for an eligible HCSA expense, claims submitted automatically will be used only to validate purchases made with the Spending Account Reimbursement card. You must file a claim for any expense for which you *don't* use your Spending Account Reimbursement card.

If health care expenses exceed the current amount in your HCSA, you will be reimbursed up to the amount of your annual election less any prior reimbursements that you have received.

You will have until June 30 of the calendar year following the year in which you incur the eligible expense to submit claims for reimbursement. For example, you will have until June 30, 2008 to file claims for expenses incurred from January 1, 2007 through December 31, 2007 against your 2007 contributions.

Expenses must be documented in accordance with IRS requirements and must be incurred while you are a participant. In order to submit claims incurred after your termination of employment, you must elect COBRA for continuation of coverage.

Dependent Care Spending Account

You may deposit the following amount into a Dependent Care Spending Account to pay for dependent care expenses on a before-tax basis *less* any amount provided under the dependent care account subsidy:

If you are:	You may deposit:
Single	Up to a maximum of \$5,000
Married and filing jointly	Up to a family maximum of \$5,000
Married and filing separately	Up to a maximum of \$2,500 each for you and your spouse

Expenses must be incurred during the period of time you are participating in the DCSA.

Citigroup also offers a tax-free subsidy to partially fund dependent care expenses for employees within certain annual salary guidelines. See [Dependent care account subsidy](#) for more information. The amount you contribute to the Dependent Care Spending Account, combined with the amount provided under the dependent care account subsidy, may not exceed the above limits.

Eligible Expenses

You are eligible to participate in a Dependent Care Spending Account if you are an Eligible Employee and:

- You have a "qualifying individual" as defined under section 21(b)(1) of the Code; and
- You use this benefit to help pay only "employment-related expenses" within the meaning of section 21(b)(2) of the Code.

Generally, a qualifying individual includes:

- Each of your children under age 13 who share your residence for more than half the year and who do not provide over one-half of his or her own financial support;
- Spouses who are mentally or physically unable to care for themselves and reside with you for more than half the year; and
- Dependents who are mentally or physically unable to care for themselves, reside with you for more than half the year.

You may only submit claims for dependent care expenses for a domestic partner who is a qualifying individual as described above.

Dependent care expenses must be work-related to qualify. Expenses are considered work-related only if they allow you (and your spouse, if you are married) to work or look for work and they are for a qualifying person's care. If you are married, generally both you and your spouse must work or look for work. Your spouse is treated as working during any month in which he or she is a full-time student or physically or mentally unable to care for himself or herself. Your spouse is not considered to be working if he or she does unpaid volunteer work or volunteer work for a nominal salary. Amounts paid for dependent care while you are on leave for any reason (including short-term disability) would not qualify because you are not actively working.

Examples of employment-related expenses include:

- Care at a licensed nursery school or day camp (including specialty camp), or day care center (the facility must comply with state and local regulations, serve more than six individuals, and receive fees for services);
- Services from individuals who provide dependent day care in or outside of your home, unless the provider is your spouse, your own child under age 19, or any other dependent (these individuals must provide their Social Security numbers to you);
- After-school care for children under age 13;
- Household services related to the care of an elderly and disabled adult who lives with you;
- Expenses for transportation between your house and the place that provides day care services provided by a day care or child care provider;
- Agency and application fees associated with hiring a day care provider (i.e., an au pair), and room and board expenses associated with a live-in care provider. The agency and application fees are only reimbursable if the expense incurred resulted in actual employment of the care provider;
- Care provided at an adult day care facility if the qualifying dependent regularly spends at least eight hours a day in your home; and
- Wages and Social Security taxes paid to or on behalf of a qualified caretaker as defined by the IRS.

Expenses **not** covered include:

- General babysitting other than during work hours;
- Cost of schooling in kindergarten or higher.
- Generally expenses for food, clothing, or education;
- Expenses for dependent care when either you or your spouse is not working (unless your spouse is a full-time student or disabled);
- Charges for convalescent or nursing home care for a parent or disabled spouse;
- Overnight camp expenses;
- Expenses for dependent care that enables you or your spouse to do volunteer work;
- Expenses paid to your spouse, your own child under age 19, or any other dependent; and
- Expenses for which you take the federal child care tax credit.

Eligible expenses are intended to be determined in accordance with the requirements of the Internal Revenue Code and any Treasury regulations thereunder.

Effects of before-tax contributions

All contributions to the Dependent Care Spending Account are made on a before-tax basis. You can use either the Dependent Care Spending Account or the dependent care tax credit currently available for these expenses. However, you cannot use both. For more information on the dependent care tax credit, see IRS Publication 503, *Child and Dependent Care Expenses*, which is available from the IRS by calling (800) 829-1040 or from the IRS Web site, www.irs.gov.

Also, you must report the name and the taxpayer identification number of the dependent care provider on your income tax form.

Changes in your elections

You may change your contribution elections for the Dependent Care Spending Account only during annual open enrollment or in connection with a qualified change in status. For more details on qualified changes in status, see the "About Your Health Benefits" document. A full explanation is also available in HR Forms 308A and 308B.

Other limits

Benefit payments cannot exceed the lower of your salary or your spouse's earned income. If your spouse is physically or mentally incapable of caring for himself or herself or is a full-time student for at least five months during a plan year, the above restriction does not apply to you. In these cases, your spouse's monthly income is assumed to be \$250 if you have one qualified dependent and \$500 if you have two or more qualified dependents.

If you are not married, benefit payments cannot exceed your annual salary.

Filing a claim

Due to IRS restrictions, the Citigroup Spending Account Reimbursement card will no longer be used for the Dependent Care Spending Account. You can be reimbursed by completing and returning the claim form and any required documentation.

Claims must be incurred during the period of time in which you are a participant. In general, expenses are considered incurred in the year in which the dependent care service is rendered, not when the bill is paid.

You must submit a paid receipt with your claim form. Dependent care claims will be reimbursed only up to the amount of payroll contributions in your DCSA. If a dependent care expense exceeds this amount, you will be reimbursed for the balance as additional contributions are credited to your DCSA. See [Claims information](#) for more information.

You will have through June 30 of the following calendar year to submit claims for expenses incurred for the prior year. If you leave the plan during the year, there may be restrictions on the claims you can submit for reimbursement.

Expenses must be incurred while you are a plan participant and during the calendar year. You can't use the balance in your DCSA to reimburse yourself for expenses incurred after you terminate employment.

Coverage after leaving Citigroup

Dependent Care Spending Account participation ends on the day of you terminate employment with Citigroup. You cannot use the balance in your account to reimburse yourself for expenses incurred after you terminate employment. However, you'll have until the following June 30 to submit your claims while you were a Citigroup employee.

Dependent care account subsidy

Citigroup offers a tax-free subsidy to partially fund dependent care expenses for employees within certain annual salary guidelines.

The Dependent care account subsidy may be available to employees who are enrolled in the Dependent Care Spending Account who have total compensation of less than \$45,000 per year. However, if you are the sole financial provider for your dependents, you may be eligible for the subsidy if you have total compensation of more than \$45,000 but no more than \$90,000. Please refer to the "About Your Health Care Benefits" document for a definition of "total compensation." In order to receive the subsidy, you must enroll in **both** the Dependent Care Spending Account **and** the subsidy program within the DCSA, as explained in your enrollment materials.

The amount of the subsidy you may receive is based on your election for the Dependent Care Spending Account and your total compensation. The maximum annual subsidy is \$1,500 for full-time employees and \$1,125 for part-time employees. The subsidy ranges in total from 15% to 30% (11¼ to 22½% for eligible part-time employees) of your Dependent Care Spending Account election.

Eligible subsidy percentage

Total compensation	Eligible subsidy percentage	
	Full-time employees**	Part-time employees**
Less than \$25,001	30%	22½ %
\$25,001 - \$35,000	20%	15%
\$35,001- \$45,000	15%	11¼%
\$45,001 - \$90,000*	15% if sole financial provider	11¼% if sole financial provider
More than \$90,000	Not eligible	Not eligible
Maximum annual subsidy	\$1,500	\$1,125

* You will be eligible for a 15% dependent care subsidy if you are the sole financial support for your dependents and your annual base salary is between \$45,001 and \$90,000.

** If you are an SSB benefits-eligible employee, the full-time employee subsidy will apply.

The subsidy will reduce the amount deducted from your paycheck. When enrolling in a Dependent Care Spending Account, you must elect the full amount that you want to use to reimburse yourself for eligible expenses. The deductions from your paycheck will be the amount of the election **minus** the amount of the subsidy. Only expenses incurred from the effective date of coverage through December 31 can be reimbursed from your Dependent Care Spending Account.

To receive the Dependent Care Account subsidy, you must enroll in the program. If you enroll in a Dependent Care Spending Account and are eligible for the subsidy but do not enroll in the subsidy program you will not receive the subsidy.

How the subsidy works

Example: You earn \$27,000 per year as a full-time employee and wish to contribute \$4,000 to a Dependent Care Spending Account. At \$27,000, you are eligible for a 20% subsidy on your contribution. Therefore, Citigroup contributes \$800 to your Dependent Care Spending Account (20% of \$4,000), and your total annual payroll deductions would be reduced to \$3,200. Your total Dependent Care Spending Account balance at the end of the year will be \$4,000, which includes the \$800 subsidy, but the \$800 will be credited to you at the beginning of the plan year.

Transportation Reimbursement Incentive Program (TRIP)

There are two different TRIP accounts — the Transit Account and the Parking Account. You may contribute to either or both accounts, depending on the type of commuting expenses you incur.

You may enroll in, change (increase or decrease) your contribution amount, or end contributions at any time. If you end contributions, you may continue to send in receipts for any balance remaining in your accounts as long as your claim for expenses is filed within 12 months of the date on which the expense was incurred. Enrollments and election changes will be effective on the first day of the following month.

Transit Account

A Transit Account allows you to submit claims for commuting expenses to and from work via bus, ferry, train, subway, car pool, or van pool. You can contribute a minimum of \$10 a month up to a maximum of \$110 a month from your pay in before-tax dollars. In addition, you can contribute up to \$300 a month in after-tax dollars, so that you can use your debit card to buy monthly commuter passes in excess of \$110 a month in one transaction.

Examples of expenses eligible for reimbursement from your Transit Account include:

- Transportation passes;
- Any pass, token, fare card, ticket, or similar item that entitles you to ride public transportation to and from work; and
- Transportation between work and your residence in a “commuter highway vehicle” that:
 - Seats six or more adults excluding the driver;
 - Is used 80% or more (based on mileage) for transporting employees between work and home; and
 - Includes at least three commuters, excluding the driver, on each trip.

Examples of expenses not eligible for reimbursement from your Transit Account include:

- Car pooling and/or van pooling in a vehicle seating fewer than six passengers, excluding the driver;
- Taxi fares;
- Highway, bridge, or tunnel tolls;
- Expenses incurred for business travel — such as traveling from the office to a business or client meeting;
- Gas or mileage expenses;
- Parking expenses; or
- Transit expenses incurred by other family members.

Parking Account

A Parking Account allows you to submit claims for certain parking expenses — such as parking at the train or bus station or parking near work — that are not company paid or for which you receive a before-tax benefit. You can contribute a minimum of \$10 a month up to a maximum of \$215 a month from your pay in

before-tax dollars. In addition, you can contribute up to \$210 a month in after-tax dollars, so that you can use your debit card to buy monthly parking permits in excess of \$215 a month in one transaction.

Examples of expenses eligible for reimbursement from your Parking Account include:

- Parking at or near your work location; and
- Parking at or near a location from which you commute to work by mass transportation, car pooling or other means. (This does not include parking at or near your home, for example, in an apartment garage for which you pay to park.)

Examples of expenses not eligible for reimbursement from your Parking Account include:

- Non-work-related parking expenses;
- Parking at or near your residence;
- Parking for which you receive a before-tax benefit;
- Parking paid for by your employer;
- Parking expenses incurred by your family members; and
- Expenses eligible to be reimbursed from the Transit Account.

You can enroll to contribute to either or both accounts, depending on the type of commuting expenses you incur. Expenses from one account cannot be used to pay claims filed against the other account.

Method of reimbursement

You can be reimbursed at the point of purchase by using your Citigroup Spending Account Reimbursement card, or by completing and returning the claim form and any required documentation.

Citigroup Spending Account Reimbursement debit card

When you enroll in one or both of the TRIP spending accounts, you will automatically receive from ADP a Citigroup Spending Account Reimbursement debit card to use at any transit and/or parking provider that accepts MasterCard as a form of payment. The card will contain both before-tax and, if you enrolled to contribute them, after-tax dollars. Upon activation, contributions will be added to your account when they are deducted from your pay.

If you have a Spending Account Reimbursement card now and re-enroll in a spending account for 2007, you'll continue to use the same debit card; you won't receive a new card. However, if your Spending Account Reimbursement card isn't "active," call the Citigroup Spending Account Information Line at 1-800-378-1823 to request a new card.

You can use this card to purchase monthly commuter passes, fare cards, tickets, vouchers, parking permits or garage fees. You may still file paper claims for eligible expenses unless you commute from one of the areas listed below and participate in the Transit Account. See **When use of the debit card may be required**. You may spend or be reimbursed up to the amount in your Transit and/or Parking Account at the time of purchase, subject to the monthly before-tax limit and the amount of your after-tax contribution.

If you attempt to use the debit card to pay for expenses in excess of your account balance or the monthly limit, the entire expense will be denied. You'll have to use a claim form to be reimbursed for that amount.

Each time your "swipe" your debit card, a reminder will be issued advising you to save your receipt in case you are required at a later date to confirm that your expense was eligible under the Plan. Any unsubstantiated expenses may be considered taxable income.

When use of the debit card may be required

If you commute within any of the areas listed below, you may be required to use the debit card for your transit expenses and will not be able to submit paper claims.

- Denver, CO;
- Hartford, CT;
- Washington, DC;
- Chicago, IL;
- Boston, MA;
- Detroit, MI;
- Minneapolis, MN;
- Charlotte, NC;
- Portland, OR;
- Philadelphia, PA;
- Pittsburgh, PA; and
- Dallas, TX

For more details, visit the Citigroup Spending Account Service Center at <http://www.flexdirect.adp.com/citigroup> or visit Total Comp at Citigroup at <https://www.totalcomponline.com>. From the "Spending Accounts" page, click on the link to the Citigroup Spending Account Service Center.

If you do not purchase a monthly transit pass or there is no monthly transit pass available for your commute, you may submit a claim form to be reimbursed for eligible expenses unless you commute within an area where use of the debit card is required. See **When use of the debit card may be required** for more information

Filing a claim

If you do not use your Spending Account Reimbursement debit card, and you do not commute within an area where use of the debit card is required, you can also file a claim for reimbursement. See **When use of the debit card may be required** for more information.

When you incur an eligible transportation expense, you pay for the service, obtain a receipt whenever possible, and then file a claim for reimbursement from your TRIP accounts. Along with your claim you will need to provide proof of payment. Allowable forms of proof include:

- Copies of receipts;
- A photocopy of your fare card, bus pass or train ticket; or
- Parking, fare card, or commuter highway vehicle bills.

If you cannot obtain a receipt for some expenses, such as those for tokens and parking meters, you can complete an affidavit, which is part of the form.

You will be reimbursed up to the amount you contribute each month. If your monthly expenses are greater than the amount you contribute to your accounts each month, unreimbursed expenses — unlike the Dependent Care Spending Account — do not carry over into upcoming months.

Example: You elect to contribute \$100 to a Transit Account. In January, you submit a claim for monthly transit expenses of \$120. You would be reimbursed for \$100. The remainder of the claim would not be carried over to February.

Contributions that are not paid in reimbursement will carry over from month to month and from year to year. Unused contributions as of December 31, will roll forward into the next year's accounts only if you are enrolled for that year. You can use these funds for the current and/or prior year's claims, subject to the 12 month claims filing deadline. You have 12 months from the date of service to submit TRIP claims for reimbursement.

If your Transit and/or Parking Account remains inactive for 12 consecutive months (no contributions made or claims filed), you'll forfeit any remaining contributions.

The Transit Account and the Parking Account are separate accounts. You cannot transfer any remaining balance from one account to the other. Similarly, you can only roll over from month to month or year to year any balances within the same account.

If you terminate employment

If you terminate employment with Citigroup, your payroll deductions will stop and your accounts will be closed as of your termination date. You will have 12 months from your termination date to submit claims for reimbursement that you incurred through that date. Thereafter, you will forfeit any unclaimed amounts.

Claims information

The process for submitting claims depends on the type of spending account.

Health Care Spending Account and Dependent Care Spending Account

You can be reimbursed at the point of purchase by using your Citigroup Spending Account Reimbursement card.

If you do not use your Citigroup Spending Account Reimbursement card, you can file a claim using the Health Care Spending Account Reimbursement Form (Form 316) or the Dependent Care Spending Account Reimbursement Form (Form 317). However, you may be asked to complete and return the Spending Account Expense Substantiation Form (Form 318) if ADP cannot substantiate a transaction applied to your Citigroup Spending Account Reimbursement card.

Automatic claim submission for Health Care Spending Accounts

The automatic claim submission feature allows employees who are covered by any of the ChoicePlans, the Basic and Premier High Deductible Health Plans, the Out-of-Area Health Plan, the Hawaii Health Plan, an Aetna HMO/EPO, a CIGNA HMO/EPO, a Empire BCBS HMO/EPO, a UnitedHealthcare HMO/EPO, the Prescription Drug Program and/or Delta Dental, or the MetLife PDP Dental Plan, and who elect a Health Care Spending Account deduction to pay expenses without having to resubmit claims. After you have paid a deductible or coinsurance out of your own pocket or paid a copayment to a provider or pharmacy, the plan administrators will electronically send claim information to the Health Care Spending Account. Your Health Care Spending Account will automatically be debited by the amount necessary to pay the uncovered portion of your claim (e.g., deductibles, copayments, etc.). Employees who have health care coverage through multiple carriers or HMOs should manually submit claims, as stated in **Filing a claim**. In

addition, you may not submit claims for health care expenses for a domestic partner who is not considered a dependent for federal tax purposes as described above.

If you would like to use the automatic claim submission feature, you must indicate that when you make your enrollment election. If you used automatic claim submission in the previous year, you will automatically be enrolled in automatic claim submission for the next year.

Note: You will not be able to use the automatic claim submission feature if you are enrolled in an HMO.

Once you use your Spending Account Reimbursement card for an eligible HCSA expense, claims submitted automatically will be used only to validate purchases made with the Spending Account Reimbursement card. You must file a claim for any expense for which you don't use your Spending Account Reimbursement card.

See [Claims and appeals for Plans administered by ADP](#) for information about filing an appeal if your claim is denied.

Transportation Reimbursement Incentive Program (TRIP)

You can be reimbursed at the point of purchase by using your Citigroup Spending Account Reimbursement card.

If you do not use your Citigroup Spending Account Reimbursement card, you can file a claim using the Transportation Reimbursement Incentive Program Claim Form (Form 306). However, you may be asked to complete and return the Spending Account Expense Substantiation Form (Form 318) if ADP cannot substantiate a transaction applied to your Citigroup Spending Account Reimbursement card. Transit account participants commuting within certain areas may be required to use the debit card. See [When use of the debit card may be required](#) for more information.

To file a claim for reimbursement from your TRIP Transit Account or Parking Account, you will need to obtain a TRIP Claim Form (Form 306):

- From the Citigroup Spending Account Web site at www.flexdirect.adp.com/citigroup;
- From the Human Resources forms section of your business's intranet; or
- By calling ADP at 1-800-378-1823.

Follow the instructions and mail or fax the form with the required documentation to the address or fax number on the form. If you cannot obtain a receipt for some expenses — such as those for tokens or parking meters — you can complete an affidavit that is part of the form.

Reimbursement checks will be mailed weekly. You can authorize direct deposit by completing and returning the electronic funds transfer form available on the Citigroup Spending Account Web site.

The claims administrator for TRIP is:

ADP Claims Processing Center
P.O. Box 1800
Alpharetta, GA 30023-1800
Fax: 678-762-5693

Citigroup Spending Account Reimbursement Card

A single debit card is issued automatically to all participants in one or more spending accounts. The card maintains up to three account balances (health care, transit and parking) and is used to pay for qualified expenses at the point of purchase. The debit card can be used at almost any vendor that accepts MasterCard. By using the card, you eliminate the need to file claims and wait for reimbursement.

Only debit card transactions at valid vendors will be processed. The valid vendors are specific to each type of spending account (health care, transit or parking). Examples of valid merchants are:

- For HCSA: Doctor's offices, pharmacies, hospitals and laboratories.
- For TRIP: Railroads, buses, subway systems and ferries.

When the vendor processes your transaction, the funds will be transferred from your HCSA or TRIP account directly to the vendor.

The debit card should be used to pay for qualified expenses only. You must keep your receipts in case substantiation is required to confirm that a transaction was for an eligible expense. If you use your debit card to purchase ineligible items, the claims administrator will request receipts to substantiate the transaction. You'll be asked to refund the plan for the amount of the ineligible item. Any unsubstantiated transaction may result in card deactivation and you will be required to return any payments for claims that you fail to substantiate.

As of January, your total annual HCSA contribution will be posted to the card. Your transit, and/or parking account contributions will be posted to the card as they're deducted from your pay. The limit on your card will be the balance in your account(s) at the time you pay for service.

Limitations on Claims

Important information on your rights under ERISA is available for the Health Care Spending Account in the "About Your Health Benefits" document. By participating in the Accounts, you and your beneficiaries agree that that you must file any lawsuit or similar enforcement proceeding, commenced in any forum, with respect to the Accounts within 12 consecutive months after the date of receiving a final determination on review of your claim, or, if earlier, within two years from the date on which you were aware, or should have been aware, of the claim at issue in the suit. The two-year limitation shall be increased by any time a claim or appeal on the issue is under consideration by the appropriate fiduciary or claim administrator, as applicable.

Administrative information

This section contains general information about the administration of the Dependent Care Spending Accounts and the TRIP Accounts. These programs are not plans subject to ERISA. The Health Care Spending Account is subject to ERISA, and important administrative information on that program, including information on ERISA, appears in the "About Your Health Benefits" document, which is a component of the plan document for the Health Care Spending Account program.

Future of the plans and plan amendments

Citigroup has the right to amend, modify, suspend, or terminate the Account programs, in whole or in part, at any time for any reason without prior notice. Citigroup may make any such amendment, modification, suspension, or termination of the plans for any reason. Program amendments shall be adopted and executed by the Senior Human Resources Officer of Citigroup Inc., a Committee of the Board of Directors of Citigroup Inc., or any officer of Citigroup Inc. authorized to adopt plan amendments or sign other documents on behalf of Citigroup Inc., and may include amendments to insurance contracts or administrative agreements. The Accounts are subject to various legal requirements, which may require changes in the programs.

In the event of the dissolution, merger, consolidation or reorganization of Citigroup, the Accounts will terminate unless they are continued by a successor to Citigroup.

If a benefit is terminated and surplus assets remain after all liabilities have been paid, such surplus shall revert to Citigroup to the extent permitted under applicable law.

No right to employment

Nothing in this document represents or is considered an employment contract, and neither the existence of the Accounts nor any statements made by or on behalf of Citigroup shall be construed to create any promise or contractual right to employment or to the benefits of employment. Citigroup or you may terminate the employment relationship without notice at any time and for any reason.

Plan administration

Except to the extent superseded by laws of the United States, the laws of New York will be controlling in all matters relating to the Accounts.

The cost of the Accounts are generally borne by the participants. Forfeited Account balances shall be used to pay the reasonable expenses of administration of the Accounts.
